HISTORY OF ROTARY

The first four Rotarians: (*from left*) Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris

The world's first service club, the Rotary Club of Chicago, was formed on 23 February 1905 by Paul P. Harris, an attorney who wished to capture in a professional club the same friendly spirit he had felt in the small towns of his youth. The Rotary name derived from the early practice of rotating meetings among members' offices.

Rotary's popularity spread, and within a decade, clubs were chartered from San Francisco to New York to Winnipeg, Canada. By 1921, Rotary clubs had been formed on six continents. The organization adopted the Rotary International name a year later.

As Rotary grew, its mission expanded beyond serving club members' professional and social interests. Rotarians began pooling their resources and contributing their talents to help serve communities in need. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members. The organization's distinguished reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, humanitarian Albert Schweitzer, and composer Jean Sibelius.

ROTARY IN MALAYA

James Davidson was Vice-President of Rotary International in 1926/27. In 1921, he formed clubs in Australia and New Zealand, and was now asked by Rotary to look into the expansion of Rotary into the Middle East and Far East. Davidson embarked on his journey in April 1928. He requested letters of introduction from Rotarians, heads of state and politicians, such as Neville Chamberlain. On arriving at a destination, he made went to see the most important civil servants, businessmen and professionals there and talked to them about forming a Rotary club. During his trek through 25 countries, he interviewed 2,200 people and formed 23 clubs, earning him the title, the Marco Polo of Rotary. Incidentally, RI gave Davidson $8,000 for the mission. In the end, he spent about $250,000 of his own money.

The seven clubs Davidson helped to organise in Malaya were the clubs in Seremban, Kuala Lumpur, Ipoh, Klang, Singapore, Malacca and Penang.

Davidson observed Malaya enjoyed "a happy atmosphere with several racial groups living in harmony to a degree rarely existing elsewhere and a desire on the part of all that this relationship should continue. All foresaw, however, that there was rather more possibilities for its gradual disappearance than for its development. Why not, therefore, some machinery to assist in maintaining this happy status and to promote further goodwill?

The third club formed in Malaya was the Rotary Club of Ipoh, first organised on 11 October 1929 and chartered on 18 January 1930 with charter No.3270.

The club's first president was Major GN Steven. Apart from British civil servants and businessmen, there were also several prominent Asian charter members, such as Dato' Panglima Kinta Haji Md Eusoff bin Dato Yusoff (who in 1933 became the first Malay president of the club), CH Labrooy and Leong Sin Nam.

The fact that Asians joined Rotary (in Ipoh as well as other clubs) is worth noting as the following comment makes clear:

> "While the Ipoh Club was a "Whites only" club, making exceptions for the Malay aristocracy, the Rotary Club, Ipoh, was an important organisation for social networking between public-spirited professionals across the colour bar."

Malayans' Unique Classifications

James Davidson persuaded RI to change the classification system to allow for the unique circumstances he found in multi-racial societies such as Malaya's. The rules were quite strict then: just one member per classification. Davidson explains the problem:

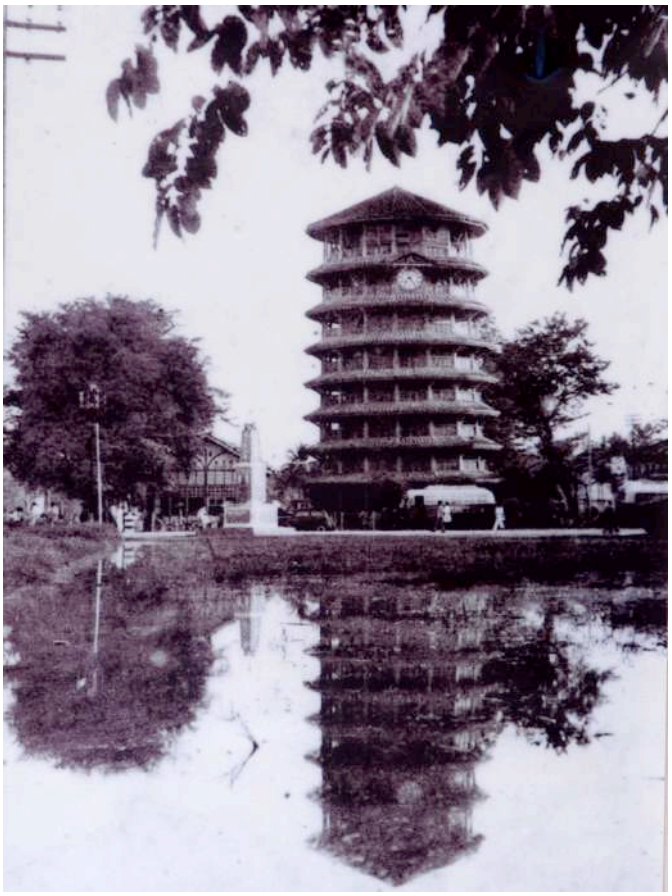
> "I found the Rotarians of Malaya very much interested in obtaining an alteration in our classification system along unique lines to which I had never before given thought. Feeling that the mission of their club should be the development of friendship among various racial groups, they desired to take in members not alone on a basis of difference in vocation but on a difference in race as well. Thus they had as members a Chinese, an Indian, and a European barrister, each one a specialist in the law of his own people. I found myself in sympathy with this interpretation of our classification rules."

There was also a case of the Malay and Chinese doctors both of whom belonged to the Singapore Rotary club. Davidson also encountered some unusual classifications:

> "In the clubs of Malaya there are unique yet legitimate classifications. For instance, we have a 'Malay Chief' as a member. A Malay Chief is a headman of a district who renders service only to Malays. His office and duties are quite different from those performed by the British district officer. The post is not elective but hereditary.

History of Rotary Club of Teluk Intan

The Rotary Club of Teluk Intan was chartered on 11 August 1952 as the Rotary Club of Teluk Anson, Federation of Malaya, under Rotary International District 46. It was the first club to be chartered after the Second World War and the sixth club in the Federation of Malaya. The other clubs being the Rotary Clubs of Seremban, Kuala Lumpur, Ipoh, Penang and Taiping.



There were 25 charter members and the Charter President was Dr. Ibrahim bin Haji Mohd. Yassin, a dental officer with the Infant Welfare Centre, Teluk Anson. The club meetings were held at 1pm on Tuesdays, at the local Rest House. On the 3rd Tuesday of every month, there was a Dinner meeting at 8pm. The admission fee was M$20 and the annual membership fee was M$48.

The Sponsor Club was the Rotary Club of Ipoh and the District Governor's Special Representative was its President Leong Min On. The District Governor at that time was Khoo Teik Ee.

In 1952, Teluk Anson, as the town was then called, had a population of 22,961. The Rotary Club was first organized on 4 March 1952. The club president applied for membership in Rotary International on 20 May 1952 and, in his recommendation to Rotary International on 7 June 1952, the then District Governor of R.I. District 46, Eusoff, wrote:

"*The prospect of a Rotary Club was examined as early as 1951 during the Presidentship of H. Wakefiled of the Rotary Club of Ipoh. An extension survey was carried out by President Leong Min On; he was assisted by H. Haines a Past District Governor (in China) now a member of the Rotary Club of Ipoh.*
The inaugural meeting was attended by seven members of the Ipoh Club.

I visited this Provisional (Club) on two occasions --- on the last one, I conducted a Club Forum.
Teluk Anson is the Chief Port for the State of Perak and in a very important rubber planting area. It is about 70 miles from Ipoh."

Service Above Self—He Profits Most Who Serves Best

Dato' Haji Yang Rashdi bin Ma'asom, DPMP., JSM., ASDK., AMN., PJK., PHF.

District Governor, District 330 (1985-1986)

I wish to take this opportunity to congratulate Rtn Ng Choo Beng on his installation as the President of the Rotary Club of Teluk Intan for the year 1986-1987, also to the other Rotarians on their installations to the Board of Directors of the Club.

May I say that there are other facets in such a Rotary function than just a ceremony. Some installation ceremonies are simple. Some are with great pomp and splendour. An installation function is held once a year at the close of the Club's Rotary year or at its beginning.It signifies the taking-over of the reign of office by a new batch of club officers. It depicts the growth of the club by another year. It is another year for the members themselves to reflect whether in the past one year they have contributed their full share of Rotary service to their own club and to their own community; or whether they have been satisfied and happy with the services that they have rendered. To the new President and members of the Board of Direcetors it is an occasion for them to further pledge their service to the community and to the ideals of Rotary. It is the beginning of a year of adventure in Rotary leadership and service. For those members of the out-going Board it will be an occasion to reflect a possibly happy year of service to the club and a worthy experience gained. It may well mark a milestone in their Rotary service.

The theme for the year 1985-1986 "You Are The Key" has been truly been put to good use. We have had a good year together although not stupendous! The key to open more Rotary hearts and more Rotary service will always be used because "Rotary Brings Hope" to mankind.

May I wish you success in all your endeavours.

Yours in Rotary,

(DATO YANG RASHDI)
District Governor

Ipoh:
3rd June,1986.

Message From

Immediate Past President 1985/1986

It is with regret that the Rotary Club of Teluk Intan lost a very hard working President in the person of Mohd Hilmi Karim who left the club late in March 1986 on transfer to Kuala Lumpur. We wish him all the success in his new undertaking

During the period under review, the Rotary Club of Teluk Intan has officially handed over Taman Rekreasi Intan over to the Majlis Daerah Hilir Perak. We distributed 180 pairs of shoes to the needly students in our District. For the secondary school students, we organised career talks by Rotarians and for leadership training, we sent an Interactor to attend a Rotary Youth Leadership Award at Kuala Lumpur. The Club donated a sum of $750.00 to the Chung Cheng Night School to help in the painting up of its school premises.

I would like to take this opportunity to thank all my fellow Rotarians for their support and co-operation in making this fiscal year a meaningful and satisfying one.

I would also like to congratulate the Incoming President Rotarian Ng Choo Beng for taking up the challenge to lead our club to a greater heights in this coming fiscal year.

Yours in Rotary,

(Lee Chin Cheok)

KATA-KATA ALUAN

Saya mengucapkan berbanyak terima kasih kepada Jawatankuasa Kelab Rotary Teluk Intan yang memberi kesempatan kepada saya merakamkan sepatah dua kata dalam Buku Aturcara sempena Jamuan Makan Malam dan Memahkotakan Presiden baru kelab ini.

Pada kesempatan ini saya ingin menarik perhatian bahawa Kelab Rotary Teluk Intan merupakan sebuah organisasi yang berkesan dalam usaha-usaha memberi perkhidmatan kepada mesyarakat. Memang tidak dapat dinafikan bahawa kelab ini telah menyumbangkan perkhidmatan yang cemerlang untuk terus berbakti kepada negara kita.

Sebagaimana yang kita maklumi, Istiadat memahkotakan Presiden baru Kelab Rotary Teluk Intan pada malam ini sangatlah bererti kepada pergerakan Kelab itu. Dengan cara yang demikian kita akan dapat mengenali Presiden kita yang baru dan beliau pula dapat menambahkan keazaman untuk berbakti kepada negara melalui kelab ini. Dengan perkenalan yang singkat ini kita dapat merapatkan lagi persahabatan kita dan dapat pula memberikan perkhidmatan yang cemerlang kepada mesyarakat.

Sekian, selamat memahkotakan Presiden Kelab Rotary Teluk Intan.

Terima kasih.

Message From District Governor Mustapha Ma, R.I. District 330, 1986/87

To President & Members
Rotary Club of Teluk Intan

It is with pleasure and privilege to be asked as an outgoing District Governor to write a message on the occasion of the installation of PP Tho Choo Kee as the President of the Rotary Club of Teluk Intan 1987/88.

This being PP Tho's third time presidency of the club after serving as President during the Rotary Years 1971/72 and 1975/76, I wish him and his Board of Directors a good Rotary Year under District Governor Dr. M. G. John.

I also wish to thank the outgoing President Ng Choo Beng and his Board for serving the club during my year as Governor and I have no doubt that they will give the incoming Board all the support in their efforts to serve the members and the community.

Mariam joins me in wishing you success and all the very best.

Yours in Rotary

MESSAGE FROM PRESIDENT 1986/1987

The Rotary Year 1986-87 has been an exciting and rewarding year for the Rotary Club of Teluk Intan. Speakers were invited to our regular meetings and fellowship nights to take these occasions more interesting and informative. The attendance of Rotary Anns, children, and guests at the fellowship nights also made the occasions a great success. This Rotary year also witness the induction of two members - Rotarian Jimmy Toon and Rotarian Siong Shee Tit. We successfully organised the Inter-City Meet for Rotary Clubs in Group 2 at Pan Pacific, Pangkor Island on the 14th day of February, 1987 to 15th February, 1987 which was well attended by Rotarians and their families from all the Clubs in Group 2. We were fortunate that our District Governor Mustapha Ma, First Lady of Rotary District 330, Mariam Ma and IPDG Dato Yang Rashidi were able to attend the Meet to share Rotary knowledge and fellowship with us.

We held a career guidance information - individual interview for students of SMJK Horley Methodist in Teluk Intan. This was followed by on the job experience for Secondary School students at the offices of our Rotarians from the 6th April, 1987 to 10th April, 1987. Students participating were given the opportunities to experience and learn about the various profession at work.

A Needy Students Aid Fund was set up this year to assist poor students to buy textbook/shoes. A sum of $1,025/- were given to the poor pupils of S.K. Sultan Idris II Teluk Intan, SRJK (C) Chong Min Teluk Intan and SRJK (T) Dato Sithambaram Pillay. On New Year Day we visited the Old Folk's Home at Langkap. Foodstuffs, rice and ang pow were given to all the inmates. We also provided 2 barbers for those inmates who required their services. Deworming of rural school children was successfully carried out on the 9th June 1987 and 10th June, 1987 with the support and cooperation of the Pejabat Pelajaran Daerah Hilir Perak and Pejabat Kesihatan Daerah Hilir Perak for the following primary schools, S.K. Bagan Datoh, SRJK (T) Ladang Bagan Datoh II, SRJK (T) Ladang Strathamshie, SRJK (C) Chong San, S.K. Sungai Tiang Baroh and SRJK (C) Sin Min.

Our club is participating in the polio-plus campaign launched by Rotary International to eradicate the 6 most common and deadly children's infectious diseases, viz measles, smallbox, tuberculosis, tetanus, whopping cough and poliomyelitis from the face of the Earth by the year 2005. Together with all the Rotary Clubs in the World we are to raise US $120/- million for this ambitious and worthy cause over the years. For a start our club is requesting all the Paul Harris sustaining member of our club to contribute their instalment payment to polio plus campaign. We also have a on going project - car polish volunteered by PP Goh Aik Guan the proceeds collected over the years will be donated to polio plus.

We continued to supervise and guide the activities of the Interact Club of SMJK Horley Methodist with the assistance of the Teacher-Advisers Miss Hew Tee Kean and Mr Chong Thim Fook. We sponsered the Interactors to attend the Youth Activities Day held on the 21st September, 1986 in Ipoh and hosted by the Rotary Club of Ipoh and Rotary Club of Ipoh-Kinta. We also sponsered and assisted them in their Fund raising for the handicap children of Bethany Home and their own school projects.

We had fellowship games with the Interactors during the Youth month in September, However the challenge trophy was again won by the Interactors. We also had friendly games with the Jaycees of Teluk Intan.

The activities and achievements of the Club have been made possible only through the cooperation support and hardwork volunteered by the members of the Board as well as members of the club. They deserved a special thanks from me for their services rendered to the call of Rotary Brings Hope. To the public, the various Government Departments and the generous donors we expressed our heartfelt thanks and gratitude to each and every one of you for your support and cooperation given to enable us to carry out our activities. We look forward to your continued support and cooperation in our service to our community and mankind.

Greetings and congratulation to the Incoming President, PP Tho Choo Kee and his Board of Directors. I am confident that PP Tho Choo Kee with his wisdom and experience as a 2 times Past President will lead our club to a highly successful year ahead.

ROTARY BRINGS HOPE.

Thank you for asking me to write a message for the souvenir magazine you are publishing to commemorate the installation of Rotarian Chuah Teong Choon as the President of your club for the coming year.

Rotary Club of Teluk Intan had done a large amount of work for the community there. The outstanding feature of your service efforts was always doing things quietly without much fanfare and show. It is my opinion that your club has been effective because of this.

There are ample opportunity for service in your community. Please continue the good work you have been doing. I am sure the community will reciprocate your sincerety of purpose and cooperate with you in whatever you are doing.

I wish incoming President Chuah Teong Choon and his team of officers a very rewarding year of service. My best wishes go to all the members of the Rotary Club of Teluk Intan.

ROTARIANS – UNITED IN SERVICE – DEDICATED TO PEACE

Yours sincerely,

Dr. M. G. John

MESSAGE
PRESIDENT 87/88
ROTARY CLUB OF TELUK INTAN

The installation on 18/6/88 marks the end of the Rotary year 1987/88 which has been an exciting and fruitful year for the Rotary Club of Teluk Intan.

Fellowship in the club was maintained at a high level with regular get togethers. Speakers were invited to our regular meetings and their talks were very informative and interesting. This Rotary year also witness the induction of a new member Rotarian Johnny Tan. However it is most unfortunate that we have lost four members, two on transfer and two resigned. As has been done in the past years an on the job experience project was organised for 45 sixth form students from three schools in Teluk Intan at the offices of our Rotarians from 4th to 6th of April. Students participating were given the opportunities to experience and learn about the various professions at work.

Towards the end of last year the club was approached by the family of a hole in heart boy from Hutan Melintang to help to send him to Singapore to undergo corrective surgery. We made arrangement with Rotary Club of Singapore East and the boy was immediately operated on with great success. We would like to take this opportunity to thank the Rotary Club of Singapore East for all the help they have rendered.

As has been practised the club continues to give its attention to the various under-privileged groups in our community like Bethany Home and Old Folks home. The club helped to erect three sign boards at the Bethany Home and Shop. We shall be giving 100 pairs of spectacles to the poor and needy students in the District and we have donated $400/- to the Chung Chen Night School.

Our club is participating in the polio-plus campaign launched by Rotary International to eradicate six most common and deadly children's infectious diseases, viz measles, smallpox, tuberculosis, tetanus, whopping cough and poliomgelitis from the face of the earth by the year 2005. Together with all the Rotary Clubs in the world we are to raise US $120 million for this ambitious and worthy cause over the years. Our club continues to give its fullest support to this project. We have organised a miss-a-meal a month project in which we have raised about $1500/-. We have also succeeded in recruiting three full Paul Harris Fellows namely Dato Chuah Yew Bak, Dato Bek Neilsen and our former member Mr Oo Gin Yeng who have collectively contributed US$3,000/-. I am happy to say that this is the first time we managed to recruit such a big number of Paul Harris Fellow in a single year since the launching of the award.

As you all know charity work will depend greatly on the financial resource of the club. It is towards strengthening the financial standing of the club that we organised a fund raising Fashion and Dance Night on 16th of April 1988. The function was very successful. Once again I would like to thank our organising chairman P.P Philip Han and the members of the club for their good work and co-operation. I would also like to express my profound thanks to all the donors and advertisers who have supported us.

I am happy to note that during the past year my board of directors and members of the club have been very supportive and co-operative in all the activities of the club. This indicates that they have really understood and practised the Rotary theme of the year 87/88 and that is Rotarians United In Service - Dedicated To Peace.

PRESIDENT'S MESSAGE

Another Rotary year has passed. Once again it is time to usher in a new Rotary year and to install the new President and his Board of Directors. It is a time for us to take stock of what we have done, its success and its shortcoming. It is also a time for us to put all heads together to plan for the future and to intensity the team effort of the club so as to bring its activities to greater heights of achievement.

A President cannot work on his own. He would need the support, cooperation and above all dedicated involvement of every member of the club to make any Rotary project a success. As the incoming President, it is my sincere hope that each and every one of us will, in this new Rotary year, inject a stronger commitment and zeal in our work. Let us put life into Rotary – our lives. The success of the recent fund – raising project has definitely put us on a firmer financial standing to further expand many of the existing Rotary projects or to venture into new areas of Rotary work.

Lastly I wish to congratulate the outgoing President Tho Choo Kee, JP, PJK and his team for the good work they have put in the past year. I would also like to express my sincere thanks to the Installation Organising Committee for their untiring efforts to make the Installation Night possible.

PUT LIFE INTO ROTARY – YOUR LIFE.

MESSAGE FROM THE OUTGOING PRESIDENT

A Rotary year has ended and another has just begun. It is time to take stock of what has been done for the year that was and to plan and execute with renewed vigour and zeal activities for the year to come.

It has been a rewarding year. Most of the projects were carried out smoothly and successfully as planned. I would like to take this opportunity to put on record my sincere thanks to all my fellow rotarians for the strong support and assistance that they have given me especially the senior members and past presidents who are ever willing to share their Rotary experience and knowledge and the board directors who had served with diligence and dedication. To the general public my sincere thanks too,for wihtout their support, our club would not be able to carry out many of the service projects.

Lastly I would like to congratulate Rtn Siong on his election as the next president of the Club. To him and all his board members I wish them a very fruitful and successful year ahead. I, and I can say for sure for the other members, will surely give our fullest support and cooperation. Let us PUT LIFE INTO ROTARY to activate Rotary, serve Rotary, spread Rotary and most of all ENJOY ROTARY.

Yours in Rotary

Chuah Toong Choon
President, 88/89.

MESSAGE FROM THE INCOMING PRESIDENT

First and foremost, I would like to express my sincere thanks to all my fellow rotarians for putting their confidence in me to lead the Club for the Rotary year 89/90.

Rotary is service to our fellow man. The main commitment of well over a million Rotarians in the world is to promote peace and understanding through service. When rotarians give generously of themselves in the four avenues of service, they in turn are rewarded with a great sense of fulfilment and immense enjoyment of fun and fellowship. This is why Rotary International has chosen "ENJOY ROTARY" as the theme for the Rotary year 89/90. Rotarians who ENJOY ROTARY definitely ENJOY themselves.

While we seek to maintain the good work done by the previous teams, my Board of Directors and I will also hope to venture into new areas and Rotary activities. Some of the projects which are on the drawing board are: deworming of rural pupils, examination aid to poor students, courtesy and cleanliness campaign. The successful implementation of these projects would require the dedication and committed efforts of all members. This, I am confident, will not be lacking.

Lastly, let me take this oportunity to thank all our advertisers and donors for their generous support and also the Installation Organising Committee, headed by the able and ever helpful PP Ng Choo Beng, for a job well done. They have made sure that the installation night will be a memorable night. So, ladies and gentlemen, have an enjoyable evening. Remember ENJOY ROTARY and enjoy yourselves.

Yours in Rotary

MESSAGE From
Y.BHG. DATO' SERI B. BEK - NIELSEN
Senior Executive Director
United Plantations Berhad

I wish to congratulate the Rotary Club of Teluk Intan on its successful organisation of the 39th Presidential Installation Dinner. My especial thanks are due to the President and The Organising Committee for having invited my wife and myself to be the Guest - of - Honour at this Installation Dinner.

The motto of the Rotarian - SERVICE ABOVE SELF - has always commanded my admiration and awe. In almost all the major religions professed and practised in Malaysia, viz : Islam, Christianity, Hinduism, Buddhism to name a few, one common thread on which consensus and accord is unmistakenly seen is in the doctrine of service to mankind. Indeed this attribute forms the main plank around which the world body of religions is evolved and the resultant fabric represents the silver lining to the total concept of life.

Therefore to have adopted the service theme as your guiding principle, I wish to applaud the "Rotarians". Suffice it to say, " keep up your good work to Humanity by endeavouring to persevere in your efforts for the upliftment of the needy".

MESSAGE FROM DISTRICT GOVERNOR 1989 / 1990

Thank you for inviting me to write this message for your Souvenir Programme on the occasion of the induction of Rotary Club of Teluk Intan's officers for Rotary year 1990 / 1991.

So much has been achieved during this year and yet there is still more to be done for the new Rotary Year. The In-coming President and his Board take their pledge to continue to serve our Community through the projects carried out in the respective avenues.

I would like to take this opportunity to wish In-coming President Tan Swee Hoe and his Board all good wishes for a successful year and to thank Out-going President Ng Choo Beng and his Board for their hardwork and sacrifices made in the spirit of Rotary

I am confident teammates and fellow Rotarians of Rotary Club of Teluk Intan will continue to work closely not only towards promoting but also understanding the requirements of the principles of Rotary.

'ENJOY ROTARY'

AND

HONOR ROTARY WITH FAITH AND ENTHUSIASM

LEE KENG BIN
DISTRICT GOVERNOR 1989 / 1990

MESSAGE FROM THE OUTGOING PRESIDENT

It is good to know that the Rotary year 1989/90 has come to an end and a new Rotary year 1990/91 is at sight. Time for a new President and his Board of Directors to lead the Club for 1990/91. A change in the leadership of the club each year encourage and bring new ideas and motivation to the members of the club to serve and Enjoy Rotary.

Rotary year 1989/90 started off with the installation of Rtn. Siong Shee Tit as the President on the 8th July 1989. It was unfortunate that shortly after his installation President Siong Shee Tit was transferred to another school in Batu Gajah. Be that as it may be, the year has been a rewarding one. The Board of Directors and members continued to give their undivided support. Several projects were carried out smoothly and successfully with the support of the members and public. I would like to take this opportunity to thank each and every Board Directors and members for their valuable contributions which they so generously gave of their time, energy and money. I also would like to put on record my sincere appreciation and thanks to the general public and the various government bodies for their support and co-operation rendered in our various service projects.

Lastly I offer my heartiest congratulations to Rtn. Tan Swee Hoe on his election as the next President of the Club and wish him and his Board of Directors a very fruitful and successful year ahead.

Enjoy Rotary and Honor Rotary with Faith and Enthusiasm.

Yours in Rotary,

Ng Choo Beng AMP
President 89/90
30th June, 1990.

MESSAGE
FROM
THE INCOMING PRESIDENT

My sincere thank to all my fellow rotarians for having their confidence in me; as their Club President for Rotary year 1990/91.

I take this opportunity to thank all our advertisers and donors for their generous support.

Not forgetting, my sincere thanks to our Installation Organising Committee headed by our very able P. P. Ng Kee Thong.

Our Rotary International Theme for 1990/91 is:

"HONOUR ROTARY WITH FAITH AND ENTHUSIASM"

So, we must:-

1. HONOUR ROTARY – BY BEING LOYAL AND ACTIVE
2. HONOUR ROTARY – BY MAKING YOUR VOCATION A LESSON IN DIGNITY
3. HONOUR ROTARY – BY REVEALING OUR TRUE IMAGE
4. HONOUR ROTARY – BY PREPARING FOR THE NEXT CENTURY

Last, but not least, I would like to invite everyone at the installation night to enjoy yourself, because, the "Memory Lane" of "The Coliseum" is exclusively booked, for our function and your entertainment pleasure.

Yours in Rotary,

Tan Swee Hoe
President 1990 / 91.

30th. April, 1991

To the Members of
The Rotary Club of Teluk Intan, Perak, Malaysia.

Dear Fellow Rotarians:

A searching look within ourselves reveals the presence of an inner force which can enable us to transcend the barriers of our self-centered thoughts, words, and deeds to look beyong ourselves. With the release of this inner strength, infinite and dynamc, the human spirit soars to new and greater heights. It generates in us a vision and a mission. The vision is of peace within, and a happy world without fear and want. The mission is to translate that vision into reality through positive acts of service. Through you, Rotary has this vision, this mission, because you have the powerful capability to LOOK BEYOND YOURSELF.

What does this really mean to you? Think for a moment. A new focus in life, from "me" and "mine" to "OUR", emerges by first looking inward and then beyond yourself - - to your family, your Rotary Club, your community, your country, our world. Your thoughts are noble when they radiate Rotary's objective - - to serve others. Your hear is generous when you seek to improve the lives and livelihood of others. Your caring hands express the power of your love when they reach out to help others. Your truly grow when "others" become a part of your world.

As a Rotarian, you must be simultaneously a dreamer and a doer. When you LOOK BEYOND YOURSELF you set goals to be accomplished and then act to realize them. Truly, to be a Rotarian is to LOOK BEYOND YOURSELF. This is the turning point between simply being a "member" of a club and becoming a "Rotarian." Beyond this point, you have the power and commitment to pursue our great ideal, the Ideal of Service.

Sincerely,

Rajendra K. Saboo
President R. I

ROTARY INTERNATIONAL

Service Above Self

VINCENT F.L. TANG
Governor, District 3300 (1991/92)

15th. June, 1991

Dear President Kok Wah

This coming year will be a special one for Rotary International. In its 87th year, our leader will be Raja Saboo from India. Rotary Foundation will this year celebrate its 75th anniversary with Past RI President Mat Caparas from the Philippines as Chairman of the Foundation. Over the decades, the Foundation has grown to become the heartbeat of Rotary. It has today attained the status of being one of the largest charities in the world. Rotary International and Rotarians the world over are being noticed for their community services. I have no doubt that your club will continue to support the Foundation during the coming year, by letting your Rotary spirit soar high, and heeding the message of Raja Saboo to Look Beyond Yourself.

In our own district, it is my challenge to your Rotary Club of Teluk Intan to focus your efforts this coming year on propelling the Rotary movement in this country to new heights by harnessing our resources on the two district projects, namely the adoption of old folk homes and the continuation of the three-year pilot program of Preserve Planet Earth. I shall be communicating further with you all on these two projects soon.

President Kok Wah, my warmest congratulations to you and your directors on this auspicious occasion of your installation. I thank you for your kind invitation but unfortunately, I have another Rotary function to attend that same evening. To out--going President Swee Hoe, thank you for your year of hard work. Finally, I wish you and all your members every success for the Rotary year ahead.

'LOOK BEYOND YOURSELF'

Yours in Rotary service,

Vincent Tang

MESSAGE FROM THE OUTGOING PRESIDENT

Before we realise it another Rotary year has gone by. Personally, as President of this club for one full term, I have enriched my experience and to a great extent all that I have learned and understood, have had a big impact on my line of thought.

Rotarians, as our Rotary International President Paulo V.C. Costa, puts it, is similar to that of a Pearl Diver. Rotary is a lot like the pearl beds. It offers us a wealth of potential, but requires us to look beneath the surface to find its true promise and worth. The people who grow and prosper the most have the courage look inside themselves and determination to improve what they find. They do not give in to self satisfaction.

So, we should look beneath the surface - both of Rotary and oneself. Bring our hidden treasure to the light and share them with those around us. This is the essence off the 4-way Test - of all the things we think say and do. So, we must dive into Rotary with all our hearts and let the wonders we discover enrich our life and world.

As we honour Rotary with Faith and Enthusiasm during the Rotary year 1990/91, we should therefore continue and observe the theme "Look Beyond Yourself" this Rotary year 1991/92. I am sure our incoming President Rtn Phuan Kok Wah will lead our Club towards a meaningful and successful year ahead.

I would also like to take this opportunity to thank all our members, especially the Board Members for successfully carrying out the various projects for Rotary year 1990/91.

Yours in Rotary,

Tan Swee Hoe
(President 1990/91)

MESSAGE FROM THE INCOMING PRESIDENT

Welcome to this Rotary year of "LOOK BEYONG YOURSELF", after a full year of "HONOR ROTARY WITH FAITH AND ENTHUSIASM", which our Club did. Rotary International theme this year "LOOK BEYOND YOURSELF" is a call to indentify and rectify our own weaknesses and then look beyond ourselve to promote peace, and a happy world without fear and want.

These ultimate goals could be achieved through our four avenues of service according to our Rotary International President Rajendra K. Saboo. They are:-

1. **Club Service**
   Drawing upon the power of your own ideals, you can help make your club an effective force for good.

2. **Vocational Service**
   Recognising that "We are what we do", you have a unique opportunity to uphold the Rotary Ideal of Service in your Business or Profession.

3. **Community Service**
   Reaching out with a generous and caring hands is what Rotary is and should be known for in your community.

4. **International Service**
   Participating in the rich history of Rotary's accomplishment in international assistance programs and supporting the Rotary Foundation with a true sense of mission.

Last but not least I would like to thank my fellow rotarians for placing their confidence in me, as their 40th President. My sincere thanks is also accorded to our Organising Committee of this function headed by our able P.P.Ng Kee Thong. My special thank to all donors, advertisers and supporters for their untiring support.

Yours in Rotary,

PHUAN KOK WAH
President 91/92.

KATA-KATA ALUAN ORANG BESAR JAJAHAN, HILIR PERAK, DATO' HAJI MOHD HAMIDIB. DATO' SERI MOHD RAZALI DPMP, PMP, KMN, JP.

Saya ingin merakamkan ucapan terima kasih kepada Presiden dan ahli-ahli Kelab Rotary Teluk Intan yang telah memberi penghargaan kepada saya menyampaikan sepatah dua kata di dalam buku cenderamata ini, sempena dengan majlis 'installation' untuk presiden baru, Rtn. Dr. Rajindar Singh. Kepada beliau dan ahli-ahli Lembaga Rotary yang baru, saya mengucapakan setinggi-tinggi tahniah dan kepada Presiden Phuan Kok Wah dan rakan-rakannya yang telah bertungkus lumus berkhidmat sebelum ini saya ucapkan syabas dan setinggi-tinggi penghargaan.

Kelab Rotary Teluk Intan merupakan sebuah kelab perkhidmatan masyarakat yang sudah sekian lama wujud di sini. Banyak projek dan aktiviti telah dijalankan untuk membantu penduduk di sekitar bandar ini. Saya memang sentiasa sedar dan mengikuti tentang sumbangan perkhidmatan Kelab Rotary ini. Yang amat menarik ialah cara kelab ini menjalankan projeknya tanpa mementingkan publisiti. Kejayaan projek adalah lebih diutamakan. Sikap sebegini haruslah disanjung tinggi oleh kita semua.

Kelab Rotary seperti kelab-kelab perkhidmatan sosial yang lain merupakan sebuah organisasi yang bertujuan memberi khidmat dan bakti kepada masyarakat dan manusia. Organisasi Rotary tidak berasaskan mana-mana agama maupun ideologi. Struktur dan dasar yang bebas ini menjadikannya amat sesuai untuk masyarakat majmuk seperti negara kita dan seharusnya disokong dan disertai oleh segenap lapisan masyarakat di negera ini.

Saya difahamkan bahawa tema Rotary untuk tahun ini ialah "Real Happiness is Helping Others". Saya suka mengambil kesempatan di sini menyeru agar ahli-ahli Kelab Rotary dapat meneruskan dan meningkatkan khidmatbakti mereka dengan semangat penuh dedikasi, setiakawan serta rasa gembira sejajar dengan tema "Real Happiness is Helping Others" itu. Kepada orang-orang yang lain suka saya menggesa agar sentiasa bersedia memberi khidmat dan bantuan untuk menjayakan projek-projek Rotary semoga projek-projek itu akan mendatangkan faedah yang lebih tinggi kepada masyarakat di sekeliling bandar kita ini.

Akhir saya ucapkan selamat berkhidmat dan selamat berjaya di dalam semua bidang khidmat Rotary.

Sekian, terima kasih.

Dato' Hj. Mohd. Hamidi B. Dato' Seri Mohd. Razali,
DPMP, PMP, KMN, JP.

Real Happiness is Helping Others

What first attracted you to Rotary? Was it just to enjoy the fellowship or to become part of something significant in your community? Did you think it would be an opportunity to put new meaning in your life? Think for a moment about the members of your Rotary club — people with whom you are proud to associate. Have you observed these Rotary *members* actually becoming *Rotarians*? What is it that makes Rotarians special men and women? Why do Rotarians seem to find a special kind of happiness and deep satisfaction in their lives?

The search for individual joy, satisfaction, and happiness is a universal goal. True Rotarians are men and women who have discovered the great satisfaction and enduring rewards in life that come from serving and helping others.

In a profound way, often unspoken, Rotarians recognize that among the happiest people in the world are those who find a cause or need so compelling that they are willing to give a major portion of lives to fulfill that purpose. Rotarians discover that *REAL HAPPINESS IS HELPING OTHERS.*

The essence of Rotary's Ideal of Service is to help others willingly and without any thought of personal return or benefit. The surprising thing is that many of our own greatest moments of happiness are found in giving freely of our time, effort, and financial resources to benefit other people or for purposes which will last long after our earthly work is completed.

How many times has your life been enriched by merely reaching out in kindness to those in need? How many of your closest friendships have grown when you work side by side in serving others? Isn't it amazing what a unique feeling of satisfaction comes to us when we respond to a real call for help? Rotarians share a tremendous secret and a universal truth: that real happiness — perhaps the deepest of human longings — may be found most easily by helping others.

Cliff Dochterman

Cliff Dochterman
President of Rotary International 1992-93

Will Rotary Service bring real happiness into your life?

- Rotarians find real happiness by helping others through their business and professional lives. Our vocational skills are among the most important resources we bring to Rotary. This year, will *you* apply the Rotary Ideal of Service within *your* vocation?

- Rotarians find real happiness by helping others in their community who suffer from deprivation, unhealthy conditions, or circumstances which undermine their dignity. Sometimes the best possibilities for significant service are in your own neighbourhood or village. This year, will *your club* undertake projects to improve the human conditions in *your* community?

- Rotarians find real happiness by helping others in distant lands who are plagued by poverty, hunger, illness, and hopelessness. These are people we may never meet, but whose lives we have the opportunity to touch. This year, will *your club* and *district* sponsor Rotary programs to alleviate suffering, enhance the quality of life, and foster peace and goodwill someplace in the world?

- Rotarians find real happiness through friendships created and strengthened while helping others. In fact, the secret of Rotary's enduring appeal is the longing of men and women in every land to work together at tasks that can truly change the world around us. This year, will your circle of Rotary friendships expand within your club and around the world as you personally participate in Rotary service by helping others?

The most rewarding tasks are frequently found in modest, humble settings, being done by men and women of noble character, who share their lives and resources for a cause which they believe is good. They have found real happiness because their actions benefit both "givers" and "receivers." Such an oppotunity is what Rotary offers every member — because Rotarians discover that *REAL HAPPINESS IS HELPING OTHERS.*

MESSAGE FROM THE DISTRICT GOVERNOR

Dear President Rajindar.

On behalf of District 3300, I wish to extend my warmest congratulations to you and Rotarians of Teluk Intan Club on this your 41st Installation.

As you begin yet another Rotary year, I know your thoughts are noble when they radiate Rotary's objectives - to serve others. Your heart is generous when you seek to improve the lives and livelihood ot the less fortunate. Your caring hands express the power of your love when they reach out to help the poor and the needy.

I appreciate specially the efforts by Rotarians in towns like Teluk Intan to keep the aims and ideals of Rotary alive. I hope you will make every effort to increase your membership in the coming year so that more can be done in Service Above Self. Growth is a sure sign of life.

Please accept the best wishes from Jessie and me for a good year, while we all put into practice that "Real Happiness is Helping Others".

Yours in Rotary,

BELIEVE IN WHAT YOU DO

DO WHAT YOU BELIEVE IN

R I PRESIDENT'S THEME FOR 1993/1994

Believe In What You Do

Do What You Believe In

Where do we come from? Where are we standing now? Where are we going? Nearly a century of service by four generations of men and women building on the ideals of Paul Harris is marking our way. More than a million Rotarians, in over 26,000 clubs across 187 countries and geographical areas, are united by a desire to serve and a devotion to humanitarian programs worldwide. Tomorrow we move into the next century motivated by our emblem and powered by our tradition of service by volunteers who act on their beliefs.

Rotary's ideas are now expressed in more than 100 languages. Yet, despite this rich diversity we are united under our universally recognized gearwheel emblem. Let us ask ourselves: What does this emblem signify?

The Rotary wheel is our trademark. A trademark represents the essence of a company or an organization. It stands for specific kind of excellence that is recognized throughout the world by people who learn to expect a superior product, a commitment to high ideals, and friendly service. But it is the hard work of men and women, doing what they believe in, that creates those expectations. Around the world our emblem signifies not just vocational excellence but quality of character and intelligence of heart.

What do people think of when they see the Rotary wheel? Does it remind them that Rotarians provide service in their personal and professional life? That Rotarians treat others fairly at all times? Does it trigger expectations of Service Above Self, especially in times of need? As the symbol of Rotary, our wheel is above all a symbol of quality of character. The credibility of our trademark depends entirely on how much effort and commitment we pour into Rotary.

What made you join other Rotarians in fellowship and service? Was it not because you felt you have something so meaningful and worthwhile to offer that it should be shared with others? You care. And when you care, you act. You act with your heart to help people in need. You act with your mind to find creative solutions to problems which at first seemed insurmountable. And you act with your hands to build dreams for those who have lost hope.

MESSAGE FROM PRESIDENT , R I

The roots of our service are defined by our dreams. What dreams do you hold most dear? What are your strongest beliefs? What do you want people to think of when they see you wearing the Rotary wheel?

When you do what you really believe in, you find a clarity of vision and purpose that can overcome the hardest obstacles. The most astonishing achievements of the human race come from people putting their dreams into practice.

The proof of our service is defined by our actions. Using your special talents, how can you act on your beliefs to make a profound impact on those around you? When you believe in what you do, you stretch yourself beyond your personal limitations, and you find an energy that enables you truly to serve the needs of others.

Now you will certainly understand why I think it is important to emphasize the link between vision and action, between believing and making those beliefs a reality. This brings us to the 1993-94 RI Theme:

BELIEVE IN WHAT YOU DO - DO WHAT YOU BELIEVE IN

You can go beyond what people expect from you as a person and as a Rotarian. When you BELIEVE IN WHAT YOU DO, and DO WHAT YOU BELIEVE IN, you will give the highest expression to what our Rotary wheel stands for and to what it means to serve. By letting your dreams guide your actions, your actions will turn your dreams into reality.

To Rotarians of the Rotary Club of Teluk Intan

I am privileged and happy to send you this message on the occasion of your 42nd installation. At 42 years' old your club is sufficiently established, and yet brimming with life, savouring manhood, yet should not have lost the idealism of youth.

Rotary's vision is one of fellowship and peace, and a world without fear or want. Our mission is to translate that vision into reality through positive acts of service.

As Rotarians, we are simultaneously dreamers and doers. We set goals to be accomplished, and then act to realise them. This is the turning point between simply being a member of a club and becoming a Rotarian. Beyond this point, you have the power and commitment to pursue our great ideal, the ideal of Service Above Self.

May I congratulate your Board of Directors for accepting office. I know that you will live up to the ideals of Rotary, and to the good name of the Rotary Club of Teluk Intan. I look forward to maintaining my close ties with your Club. I also thank you for your help & co-operation during my year as Governor.

Please accept the warmest regards from Jessie and me, along with our best wishes for a good and successful year.

MESSAGE FROM THE DISTRICT GOVERNOR

Dear President Philip Han,

Let me extend my warmest regards to President and members of the Rotary Club of Teluk Intan as we begin our year together. Rotary International is a service organization. We have been asked to do our best in maintaining and upholding the standards established by Rotary International as leaders in our communities.

I would like to take this opportunity to urge all of you, my fellow Rotarians to get personally involved in projects, activities and events within your club. Let us be guided in all our endeavours by : BELIEVING IN WHAT YOU DO AND DOING WHAT WE BELIEVE IN.

Leadership requires that we find a clarity of vision and purpose that will overcome the most challenging obstacles in reaching our objectives -- that of service to our communities. In bringing Rotary to greater heights in District 3300, now is the time for us and all to get personally involved. Let us do the work required to make our vision a reality.

Yours in Rotary,

Herbert J. Ho, Jr.
District Governor 1993-94.

Message From Outgoing President

Rotary Wheel turns and I vividly remember how apprehensive I was when taking up office twelve months ago. However with the full support of my board of directors, members and Rotary Anns, we have success achieved our goals.

We achieved a well balanced program in all Four Avenues of Rotary service. We found real happiness in helping others through our vocation, helping the less fortunate in the community and helping others in distant lands who are plagued by war, poverty, hunger and illness.

The Old Order Changeth, giving place to the new. It is this regular changing of the guards that continuously brings new ideas, new vigor and new life to Rotary. To Rotarian Philip Han Yeong Wom and his board of directors I wish him all the success.

Real Happiness Is Helping Others

Yours in Rotary,

Rajinder Singh.

Message from Incoming President

It is a great honour and privilege to have been elected as the 42nd President of the Rotary Club of Teluk Intan. I would like to express my sincere thanks to all my fellow Rotarians for having putting their confidence in me to lead the club for the Rotary year 1993/94.

Leading the club again since the Rotary year 1977/78, I give assurance that I will strive and endeavour to perform my duties to the best of my ability. However I am confident that with the sincere support of my Board of Directors and fellow Rotarians we will be able to achieve the aims and objects of our club and that of Rotary International.

Our them for the year as enunciated by Rotary International President Robert B. Barth is BELIEVE IN WHAT YOU DO - DO WHAT YOU BELIEVE IN. While Malaysia is aiming to spearhead the economic growth in order to become and industrialised nation by the year 2020, my board of directors and I believe that education the basic need towards our nation's industrialization. As Rotarians, we will do what we believe in by starting a scholarship fund project this year to inspire young people to pursue and value their education.

Lastly, let me take this opportunity to express my appreciation and thanks to the outgoing President PP Dr. Rajindar Singh, Installation Dinner's Chairman PP Tho Choo Kee, JP, PJK and his committee members, advertisers, members of the press, our donors, guests and friends of Rotary for their continued support and presence this evening.

Yours in Rotary,

THEME

BE A FRIEND

KATA-KATA ALUAN ORANG BESAR JAJAHAN HILIR PERAK, DATO' HAJI MOHD HAMIDI B DATO' SERI MOHD RAZALI DPMP, PMP, KMN, JP.

Saya ingin merakamkan ucapan terima kasih kepada Presiden dan ahli-ahli Kelab Rotary Teluk Intan yang telah memberi penghargaan kepada saya menyampaikan sepatah dua kata di dalam buku cenderamata ini, sempena dengan majlis 'installation' untuk presiden baru, Rtn. Cheng Choon Kee. Kepada beliau dan ahli-ahli Lembaga Rotary yang baru, saya mengucapkan setinggi-tinggi tahniah dan kepada Presiden Philip Han dan rakan-rakannya yang telah bertungkus lumus berkhidmat sebelum ini saya ucapkan syabas dan setinggi-tinggi penghargaan.

Kelab Rotary Teluk Intan merupakan sebuah kelab perkhidmatan masyarakat yang sekian lama wujud di sini sejak tahun 1952. Banyak projek dan aktiviti telah dijalankan untuk membantu penduduk di sekitar bandar ini. Saya memang sentiasa sedar dan mengikuti tentang sumbangan perkhimatan Kealb Rotary ini. Yang amat menarik ialah cara kelab ini menjalankan projeknya tanpa mementingkan publisiti. Kejayaan projek adalah lebih diutamakan. Sikap sebegini haruslah disanjung tinggi oleh kita semua.

Kelab Rotary seperti kelab-kelab perkhidmatan sosial yang lain merupakan sebuah organisasi yang bertujuan memberi khidmat dan bakti kepada masyarakat dan manusia. Organisasi Rotary tidak berasaskan mana-mana agama maupun ideologi. Struktur dan dasar yang bebas ini menjadikannya amat sesuai untuk masyarakat majmuk seperti negara kita dan seharusnya disokong dan disertai oleh segenap lapisan masyarakat di negara ini.

Saya difahamkan bahawa tema Rotary untuk tahun ini ialah "Be A Friend". Saya suka mengambil kesempatan di sini menyeru agar ahli-ahli Kelab Rotary dapat meneruskan dan meningkatkan khidmatbakti mereka dengan semangat penuh dedikasi, setiakawan dan terus menjalinkan persahabatan sejajar dengan tema "Be A Friend" itu. Kepada orang-orang yang lain suka saya menggesa agar sentiasa bersedia memberi khidmat dan bantuan untuk menjayakan projek-projek Rotary semoga projek-projek itu akan mendatangkan faedah yang lebih tinggi kepada masyarakat di sekeliling bandar kita ini.

Ahkir saya ucapakan selamat berkhidmat dan selamat berjaya di dalam semua bidang khidmat Rotary.

Sekian, terima kasih.

Dato' Hj. Hamidi B. Dato' Seri Mohd. Razali,
DPMP, PMP, KMN, JP.

BE A FRIEND at home and at work by:

- expressing love in practical terms
- reinforcing existing relationships with family and colleagues
- comforting the bereaved and lonely
- extending your concern to the community as a whole.

BE A FRIEND to your community by:

- discovering the real needs in your area
- carrying out programs and using resources in common areas of concern
- fostering the sense of belonging, and helping to build unity.

BE A FRIEND to those far away by:

- reaching out as friend to those you have not yet met
- supporting the Rotary Foundation
- extending community concerns to global concerns for world understanding
- combining your community efforts to achieve a global goal in world community service.

Message from RI President 1994-95

The English poet John Donne wrote, "No man is an island, entire of itself, every man is a piece of the continent, a part of the main." Each of us is called to contribute, to act as an individual and to help develop our community. But, how do we lead hearts, foster a spirit of belonging and open opportunities for others to make more of their lives? My answer is a simple challenge of courage and character: BE A FRIEND.

You do not need an organization to be a friend. Many people show magnanimity of heart, but we, as Rotarians, should also translate respect for human rights into respect for individual lives by our service. Every member of every community seeks justice, equal opportunity and dignity whether it is in the family, the neighborhood, at school or work. When we honor the individual, we are contributing to the community.

When a group of friends gather together in heartfelt concern, to celebrate, to weep, to cherish each other, then we have a *community*. We find human suffering both at home and far away. The community either helps or neglects people in their time of need. Our history as leaders makes every Rotarian particularly well qualified to address those times and respond with concern. You don't need a program to be a Rotarian, but if you are a friend, then you will be a Rotarian in the true sense of the word. We must work to strengthen and sustain our own community.

Together, friends support one another and spontaneously develop community. A friend sustains hope, increases faith, expresses love in practical terms. Our Rotary fellowship must exist not only for fun but for accepting responsibility. Therefore, we must use our abilities to put ourselves in place of those in need, and not to stand one step removed. Let us have the vision to see, the vigor to act, the heart to care. To all those who wait, to all those who yearn, to all those in need, BE A FRIEND.

MESSAGE FROM DISTRICT GOVERNOR 93/94

It is with great pleasure that I extend my heartiest congratulation and warm regards to the President and members of the Rotary Club of Teluk Intan on your Installation.

As we venture into our fourth year as District 3300, I urge all Rotarians to maintain the same enthusiasm. You have been most active in your programme in the past; you have illustrated your leadership capability in excellent manner, therefore, I expect you to continue with the examplified tradition.

To all my fellow Rotarians I would like to remind you that the Rotary Theme for this year 1994/95 is "BE A FRIEND", so let us work together hand in hand as we keep the Rotary wheel moving and bring hope and joy to those who need them most.

I wish to thank all the outgoing Board of Directors for their cooperation and support given to me during my year of office and to the Incoming Board I wish them every success.

Warmest regards,

Yours in Rotary,

ROTARY INTERNATIONAL

MOHD ARIFF SHAFFIE
GOVERNOR - DISTRICT 3300 (94/95)

MESSAGE FROM DISTRICT GOVERNOR 94/95

On 11th August, your club will reach the ripeful age of 42. The club has the distinction of being the oldest post war club and the 7th oldest club in the District.

It is a great milestone of history that present members should be aware and be proud of. The founding fathers would be estatic to know that the Rotary Club of Teluk Intan (or " Teluk Anson" as it was known then) still exists, and still rendering services to the people in the area.

With that enviable long history, present members might wish to reflect and give some thoughts as to whether the present and future of the club are in keeping with the past. Could the present be better so that the future will take care of itself?

The task given to me by Rotary International is to ensure membership growth - for the moment we cease to grow, we die. I look forward to working closely with you so that this goal will be met.

Well outgoing President Han for a good year in leading the club.

To incoming President Cheng Choon Kee, may we assist one another for a productive Rotary fellowship and service.

Best wishes and *"Be A Friend"*

RI President's Theme 95/96

Act with Integrity
Serve with Love
Work for Peace

"Happy are those who dream dreams and are ready to pay the price to make them come true." *Leon Joseph Cardinal Suenens of Belgium*

Act with Integrity

I dream a world where the word *integrity* becomes an essential as the air we breathe and the water we drink.

Integrity is living what we profess to believe, to act as we promise, and to be true to our word. It means to perform to the letter and faithfully to the spirit what we have committed to do.

Rotarians follow The Four-Way Test and have come to think of it as a classic measure for evaluating honesty, fairness, and integrity. Because of what I have seen in the world, I believe this test is golden.

Serve with Love

I dream of a polio-free world. It is a world where every child has food to eat, every studentan opportunity to learn, and every adult the chance to earn a living. It is a world where every man, woman, and child - regardless of race, color, or creed - is awarded the dignity given to them by their Creator.

Love is given unselfishly to others. Love means forgetting about your own needs and working to meet the need of others. Rotarians have shown love for humankind for 90 years. I think of a Rotary Ann whom I met in Puerto Rico. She faithfully went every day to a Rotary home for children and rocked a baby who had been abandoned. Because of her, that child knows love.

We know Rotarians love by a different name. We call it "Service Above Self."

Work for Peace

I dream of a world at *Peace.* It is a world where all people live the legacy given to them by our great religious leaders to "love thy neighbour." and to have a "boundless heart towards all beings." Peace has been the hope of humankind since the beginning of time.

Rotarians have worked continuously to build a community of nations. We do this by working as partners with such organizations as the United Nations and by finding many practical ways to link hands among countries in friendship and peace. When Rotarians look one another in the eye and shake hands, our differences disappear.

Marked by the inspiration and leadership of our great past presidents, we see that *Integrity. Love, and Peace* have always been he dream and vision of Rotary.

Ninety years ago, Paul Harris was only one man with a dream. He did not question, "What can one man do?" He followed his dream and change the course of history.

MESSAGE....

President & Members
Rotary Club of Teluk Intan

Installation Dinner on 15/7/95

A Rotary Installation dinner is a ceremonial occasion where the "old guards" pass on their offices to the "new guards". In reality, the changing of offices take place on every 1st July.

In Rotary, a new leader is expected to bring along with him new approach and outlook for the club within the general framework of Rotary. Members should welcome changes and shifting of paradigm - as these are signs of "fresh wind" blowing in and that the club is "alive".

Well done to Outgoing President Cheng Choon Kee for a good year and a record induction of 8 new members during the year.

Congratulations to a young and brave new Rotarian Haresh Kumar Bhatt for taking the challenge to lead the club for year 1995/96.

Best wishes and good luck for all the members.

Yours in Rotary

IPDG Dato Mohd Ariff Shaffie

Message .....

My Dear Haresh Kumat and Fellow Rotarians,

A unique feature of Rotary is the "change of guard" that occurs at every level on First of July every year. It is performed in great style, pomp and ceremony characteristic of the tradition of an individual club. The great cordiality, warmth and fellowship expressed during this democratic hand-over from one President to his successor reveals the great strength of Rotary.

District Governor 95/96

Rotary was born out of a simple need of its founder, Paul Harris, - friendship and fellowship. Ever since its earliest days, Fellowship has been the central theme of Rotary's activities. Good and successful Fellowship breeds great projects, to serve humanity in Rotary's Four Avenues of Service. However all the great work of Rotary, would not have been possible without Rotary's greatest Resource - the Rotarians. It is the Rotarians who conceives and completes projects. It is the Rotarian who gives of his time and energy to bring cheer, joy, smiles and happiness to the aged, the infirmed, the deprived and the young.

How then can we play our parts even better ? The answer is simple: invite our friends and share Rotary with them. The more Rotarians we have, the greater the diversity of talents for us to utilise. The greater the numbers, the easier it will be to have volunteers for our various projects. My challenge to you is to increase your membership in the new Rotary Year 1995/96.

Malaysia has a youthful population. As concerned Rotarians, we must strengthen the position of the Family to reduce social ills like child abuse, juvenile crime, intellectual and emotional cripling of the spirit through lack of love and instability of the family unit. Please work with the Youth to help build a better world for tomorrow via Rotaract and Interact.

I congratulate President Haresh Kumar Bhatt and his board of Directors on their election as leaders of the Rotary Club of Teluk Intan. This is an office which will pose great challenges, give you ample opportunities for service and a satisfaction that you have served your office, the club, the community in an illustrious manner.

Rotary International President Herbert G. Brown has given us an out-standing theme:

"Act with Integrity
Serve with Love
Work for Peace"

Please us this theme to infuse new vitality in your Rotary Club, by attracting new members, retaining existing members and serve the community.

Good luck in all your endeavours.

Yours in Rotary Spirit

Dr Santokh Singh

Message from Outgoing President

MESSAGE.....

It is indeed a great honour to welcome you, our distinguished guests, to the 44th Installation Dinner tonight.

First of all, I would like to say it was a wonderful experience to have served as the 43rd President of the Rotary Club of Teluk Intan. Many things has happened during my term of office and I will always remember and cherish this "Rotary year" in my life.

It was a year that saw 8 new members being inducted. One of them has stepped forward and boldly taken up the challenge to be the 44th President of the Rotary Club of Teluk Intan.

The Rotary Club of Teluk Intan with its glorious past is starting to grow again. Like our town - we are starting to wake up to changes and development that is happening around us. It's time to let go of the old ways and adopt new ways and methods be be more efficient and productive.

Lastly, to the members of the Rotary Club of Teluk Intan, I wish to record my deepest appreciation for their support and co-operation. I would also like to congratulation and wish President Haresh Bhatt and his board of directors much success in the year 1995/96

Yours in Rotary,

Cheng Choon Kee
President Rotary Club of Teluk Intan 1994/95

Message from In Coming President

MESSAGE.....

It is indeed an honour to be chosen as the President of Rotary Club of Teluk Intan. I have accepted this role with both pride and trepidation.

Pride because my fellow Rotarians saw it fit to honour me with such a high post and trepidation because with this high post comes high responsibilities, expectations and sacrifices.

I hope that this year I will be able to strengthen further the bond of friendship and camaraderie that exist in our club. We will continue to expand our membership both in quantity and quality. In area of service I will rely on Abigail Adams (1744-1818)

"If you do not lay out ourselves in the service of mankind whom should we serve"

With the spirit of service in our hearts we will reach out and touch the needy in our community.

I would like to take this opportunity to congratulate outgoing President Cheng Choon Kee and his board of directors for a wonderful year. I would also like to thank the organizing Chairman and his committee for all their efforts. I would also like to record my gratitude to the District Governor Santohk Singh, Immediate Past District Governor Dato' Mohd Ariff Shafie, all Past Presidents and all Rotarians for promising to help me carry this great burden on continued betterment of both fellowship and service.

Act with Integrity. Serve with Love, Work for Peace.

Our agenda for tomorrow: Goals for the new Rotary year

1996-997 R.I. Theme

President's Message

My friends in Rotary:

Destiny is not a matter of chance; it is a matter of choice. It is not a thing to be wasted; it is a thing to be achieved. On this threshold of a new century, we are at a pivotal point in Rotary's rich history. Profound technological and social changes make this an era of great upheaval.

Nobel scientist Jonas Salk once said, "Our greatest responsibility is to be good ancestors." We can best pay our own debt to the past by building a better future for new generations on the framework our forebears established.

Rotary has vital role to play in the times that lie ahead. Our ideals are universal. Our global organization is effective, and our programs address the basic needs of humankind. As Rotarians, we are indeed architects of the future to the extent that we act on our commitment to service.

If we are to achieve our destiny, if we are to participate as architects in the 21st century, it is time now to unfold a new blueprint. We must affix our personal stamp to a design for tomorrow and

BUILD THE FUTURE
WITH ACTION AND VISION.

Our first task as architects is to give our dream for the future a solid underpinning. As a living organization, our pillars are built on action. Every service we undertake is part of our testimony that Rotary's true value lies in the work we do. Our actions have always spoken more forcefully than words.

Through the lifeblood of our service, Rotary represents an enormous force for good in our communities. Without actions, "Service Above Self" is merely an idealistic phrase. That's why full participation of every Rotarian is the only way we can genuinely Build the Future with Action.

But we also need vision. Action without vision is often wasted, and vision without action is just a dream. Action with vision is what brings hope to the world. Vision allows us to see human need even beyond the horizon. The more clearly we understand the way these changes affect people' lives, the better equipped we will be to build a viable future.

The future is not out there, waiting to be met. The future is here, waiting to be created. It is in our hands. Today Rotarians can act as a good ancestors by linking our ideal of sercive with the generations to come. Join with me as we work together to

BUILD THE FUTURE
WITH ACTION AND VISION !

Sincerely,

Luis Vicente Giay,
R.I. President, 1996-97

1996-97 Program

BUILD THE FUTURE BY HONORING OUR PAST

We cannot expect to go forth and build the future until we carry in our hearts a deep understanding of our past. During this Rotary year we will mark the 50th commemoration of the death of Paul Harris. Consider some ways you can honor our past.

- Start a sercive project honoring the memory of Paul Harris.
- Plan a local commemoration of Paul Harris on the 50th anniversary of his death, 27 January 1997.
- Participate in the club community awarenes project, "Tell Your History of Rotary Service."

Watch for two forthcoming books that honor our past: a collection of inspirational quotes by Paul Harris, and A History of RI Presidents.

BUILD THE FUTURE BY STRENGHENING MEMBERSHIP

We begin this Rotary year as the beneficiaries of a concerted membership drive and our ranks have been swelled by thousands. We must reinforce weak clubs as well as give our newest members the Rotary knowledge they need to contribute fully. Consider some ways you can strengthen membership:

- Continue to emphasize membership growth. Sponsor new members and younger members in Rotary. Seek out new Rotarians who will add diversity and energy to our existing clubs.

- Focus on retention. Ensure that each new Rotarian in your club receives new member education.
- Call upon members of the Rotary Membership Task Force for ideas and support.
- Pay special attention to weak clubs. Build on their strong points; help develop solutions for their problems.

BUILD THE FUTURE BY BRINGING QUALITY INTO VOCATIONAL SERVICE

Rotarians are committed to preparing the new generations to meet the challenges arising from the increased level of competition in the professional and business world. The principles of Rotary's philosophy find their practical expression in the high quality standards we maintain in the products and services we provide. High-quality performance must be the trademark of every Rotarian in his/her professional field.

- Seek excellence through high-quality standards.
- Guide young people to adopt worthwhile careers.
- Identify employment opportunities for the young.
- Recognize and dignify honest work.
- Use new technology to strengthen your Rotary programs and information and to enchance your professional service.

BUILD THE FUTURE BY PREPARING NEW GENERATIONS

When we speak of children, adolescents, and young adults, we are considering nearly one third of the world population. And for all of them, the time is today because tomorow is often too late. Today we can immunize a child before sickness strikes. Today we can educate one more person before he or she is driven to crime. Consider some ways you can help build a secure future by investing in our new generations :

- *Plan a Rotary Conference for New Generations.*
- *Befriend and act as mentor for a young person.*
- *Organize a community-based Youth Leadership Seminar.*
- *Encouraged your Interact and Rotaract club to*

BUILD THE FUTURE BY WORKING FOR URBAN PEACE

One of the biggest challenges to the new generation is urban violence. A fundamental component of the world peace is peace in the community. Yet in every major city of the world, drugs, poverty, and ethnic prejudice are endemic. Rotarians are called to work towards solutions. Consider some ways you and your club can work for urban peace :

- *Identify the specific problems that have an adverse effect on peace in our communities.*
- *Sponsor a seminar on conflict resolution skills for young people or provide your local high school with resources on conflict resolution.*
- *Volunteer for programs in your community that provide support services for recent refugees or immigrants.*
- *Receive training in mediation skills and volunteer as a mediator in local disputes.*

BUILD THE FUTURE BY SUPPORTING THE ROTARY FOUNDATION

In remembering Paul Harris, our thoughts turn to his lasting legacy. The Rotary Foundation. It was in tribute to this great man that Rotarians gave life to his vision through their contributions to the Foundation upon his death. Today, the Permanent Fund guarantees that the fine work of our Foundation will continue long into the future. Consider some ways you can support The Rotary Foundation :

- *Contribute generously to the Permanent Fund Become a benefactor of The Rotary Foundation.*
- *Become a "Paul Harris Fellow" during 1996-97.*
- *Celebrate the 50th Anniversary of the Ambassadorial Scholarships.*
- *Support Polio Plus efforts.*
- *Honor our Rotary Foundation during its 80th anniversary.*

Message from Outgoing President

As the Rotary year comes to an end and the passing of baton to the next President takes place, I cannot but fondly remember the year is passing.

I started the year with nervousness but with the guidance of Past Presidents I became much nore motivated to carry out various activities.

We presented wheelchair, sponsored the Rural Diabetic exhibition, send relief donation to earthquake victims in Andhra Pradesh India. We successfully gave out the Pride of Workmanship Awards. We also had good felllowship.

However the most important project that we carried out was the launching of our Schorlarship Fund. We gave out 41 schorlarships of RM100 to cover SPM fees of students in the Hilir Perak district. The launching of this fund gave me the most satisfaction among all projects. We also provided allocations to ensure that this project remains an annual affair.

On membeship we had three new members joining, however we had both our banker members transferred out. Even then I am still glad that we at least managed to increase our membership.

All in all I had a very fruithful year. I wish to thank all members of the Rotary Club of Teluk Intan for advising me, guiding me and helping me to carry out my tasks.

I would also like to congratulate incoming President Teoh Chai Liang and wish him all the success in the coming year.

Yours in Rotary

MESSAGE .....

I take this golden opportunity to thank all my dear fellow Rotarians for honouring me with such prestigious post as the President of Rotary Club of Teluk Intan. I warmly accept this important post with excitement and confidence.

I boldly and confidently accepted it because I know we Rotarians haveing the same VISION, same GOAL and same THOUGHTS. - Futhermore, I know my fellow Rotarians are always ready to serve with a loving and caring heart.

With the spirit of service in our hearts we shall certainly reach out and touch the needy in our community.

Hopefully this year I will be able to strengthen further our fellowship among Rotarians and family members. In addition we shall continue to increase our membership with both quality and capability.

I would like to congratulate outgoing President Haresh Kumar Bhatt and his board of directors for a marvellous year. I would also like to thank the organising chairman and hos committee for all their wonderful efforts to make this Rotary Installation a success. Lastly I would like to thank my wife and children for all their support.

To our many advertisers, sponsors and well-wishers who have contributed to this function, a very big thank you form the bottom of my heart.

Let us hold our hands together to :-

"BUILD THE FUTURE WITH ACTION AND VISION"

MAY GOD BLESS YOU ALL.

Yours in Rotary

PRESIDENT'S 1995/96 REVIEW

OF CLUB ACTIVITIES

Attendance

The attendance of the club averaged 64.5%.

The 6 members who are 100 percenter for the year are PP Goh Aik Guan, Rtn. Dr. Tham Kok Hee, PP Ng Choo Beng, AMP, Rtn. Ng Wooi Ying, Rtn. Leow Keat Leong, and Rtn. Dr. Tan Cheng Chin.

Let us hope that other members who did not make it to the 100 percenter's list will be able to do so in 1996/97.

Membership

We started with 22 members at the beginning of the Rotary year.

During the year 3 new members joined us, namely Rtn. Teoh Chai Liang, Rtn. Ir. Thorairaj, and Rtn. Cheong Tee Boon. However, Rtn. Ariffin Basar left us due to his job transfer.

Plans are already in the pipeline to increase membership growth and 5 prospective members have been targetted.

Rotary Information

Rotary information were imparted to members regularly throughout the year to refresh and to update their knowledge on Rotary.

Club Programmes

The club meeting was very lively with interesting programmes lined up thoughout the year. A list of speaker and programmes is attached.

PRIDE OF WORKMANSHIP AWARDS

What is the Pride of Workmanship Awards Scheme ?

This project is organized by the Vocational Service Comittee of the Rotary Club of Teluk Intan to recognise and acknowledge the efforts and contribution of outstanding employees who show a distinct quality in their approach, attitude and dedication to their jobs.

The Rotary Club of Teluk Intan is happy to organise this project because the project will help to promote a good employer/employee relationship, benefits both employer and employee and involves the participation of the whole community. The awards scheme is not a competition for the best employee but just a recongnition of a high standard of work performance.

History of the Pride of Workmanship Awards:

The awards scheme was first started by the Rotary Club of Pennant Hills, District 968, Australia in the Rotary year 1975/76. It has attracted the attention of other Rotary Clubs throughout Australia and won the recognition of Rotary International.

The scheme was first introduced to District 3300 covering Malaysia, Singapore and Brunei by the Rotary Club of Ipoh when it organised the project on 7th May 1987. This was followed by The Rotary Club of Sitiawan in 1988 & The Rotary Club of Taiping in 1990, The Rotary Club of Teluk Intan in 1990 and the Rotary club of Teluk Intan in 1990 and the Rotary Club of Kerian in 1990.

GLEN W. KINROSS, Brisbane, Queensland, Australia
President-elect, Rotary International, 1996-97
Trustee, The Rotary Foundation of Rotary Internarional, 1995-96
Director, Rotary International, 1982-84
Vice President, Rotary International, 1983-84

Glen W. Kinross is president-elect of Rotary Internaional (RI), serving on the global service association's board of directors in 1996-97. He will assume the presidency of RI on 1 July 1997.

Describing Rotary International as a network of professional men and women who care deeply about their local and world communities, Mr. Kinross has commented that "if it were not for the needs of poeple, there would be no need for Rotary. " Whether by cleaning a polluted river bank, supporting a program for poeple with AIDS, or providing grant money for humanitarian projects in the developing world, he sees Rotary as an organization charged with making the world a better place in which to live.

Recognizing that approximately one-third of the world's population cannot read or write, the promotion of literacy and numeracy will be a major focus of Mr. Kinross's tenure. These are the skills he believes people need to lift themselves from poverty and begin a life of dignity.

A Rotarian since 1960, Mr. Kinross counts his service as Youth Exchange chairman, when the number of district participants increased tenfold, among his most rewarding Rotary experiences. Today, some 7,000 youth annually visit a country other than their own through Rotary's Youth Exchange, experiencing what Mr. Kinross calls *"the world family of people..... defined without border, without culture, without nationality."*

Mr. Kinross is a member and past president of the Rotary Club of Hamilton, Brisbane, Queensland. He has served Rotary International as district governor, information institute counselor, consultative group member, International Assembly instructor and International Convention committee member. Mr. Kinross was a member of the board of directors of Rotary International from 1982-84, serving as vice president in 1983-84. Prior to his election to the RI presidency, he served one year as a trustee of The Rotary Foundation of Rotary International.

A joint proprietor of John Kinross & Company, Ltd., a furniture manufacturing firm established by his family in 1911, Mr. Kinross has served as chairman of the Australian Council of Furniture Manufacturers and is a life member and past president and councilor of the Queensland Guild of Furniture Manufacturers. He has represented the furniture industry in negotiations with various levels of government. He and his wife Heather make their home in Brisbane.

GOVERNOR
DISTRICT 3300
96/97

The President And Rotarians, Rotary Club Of Teluk Intan.

My year as district governor of this wonderful District 3300 is now almost over. During the past year it has been my honour and privilege to serve you. Each and every one of you has extended to Elsie and I your hand in friendship and has shared with us your fellowship as a true Rotarian.

As one Rotary year closes we see the dawn of a new year of Rotary service ahead. The theme of RI President Luis Giay this year is ***Build The Future with Action and Vision.*** *Incoming RI President Glen Kinross's theme is* ***Show Rotary Cares.*** *While one RI President takes over from ones predecessor and as one RI presedential theme supercedes the former it does not mean that Rotary International has changed direction. All it means is that there is a new focus - different priorities and new challenges. However, Rotary service continues as it has done for the past 92 year.*

As Rotarians let us in the coming year ***Show Rotary Cares*** *by* ***Building the Future with Action and Vision*** *and* ***Be A Friend*** *not only to Rotarians but to all people and in all that we do, to* ***Act with Integrity, Serve with Love, Work for Peace.***

I congratulate outgoing President Teoh and his board for a successful year. To incoming President Dr. Tan and his Board of Directors as well as all Rotarians of Teluk Intan, I wish you a fruitful year of Rotary service. Elsie joins me in saying Thank You and may our paths meet again the near future.

Best regards

SHOW ROTARY CARES
ROTARY INTERNATIONAL

The President And Rotarians.
Rotary Club Of Teluk Intan.

The installation of the President and the Board of Directors is an important event as it gives an apportunity for the club to bring Rotary Awareness to the community; the Outgoing President & his Board to sing the swan song and Incoming President to spell out his plans for the Rotary year.

It is this annual tradition with the changing of guards, that the old gives way to the new, but the leadership of providing Rotary service continues.

My congratulations to President Dr. Tan and his new team for being elected and their acceptance of the responsibilities to serve. I am confident he will carry on with the torch of service to the poor, under priviledged and the needy. All members will no doubt rally round the new leadership to greater heights and I hope, to strive for the R. I. 1997/98 Presidential Citation.

R.I. President Glen Kinross's Theme for Rotary Year 1997/98 is "SHOW ROTARY CARES". I urge each of you as business and professional leaders to join me to fulfil our commitment to -

SHOW ROTARY CARES
For Your Club
For Your Vocation
For Your Community
For Our World

Pek Ling and I wish you and the Club a Good Successful Rotary Year !

Message from Out-going President

It is indeed an honour to welcome you, our distinguished guests to the 46th Installation Dinner tonight.

It is an annual tradition with the changing of guard, that the old gives way to the new but our commitment to show ROTARY CARES will continue forever.

We always believe it is more blessed to give than to receive and do for others what you want them to do for you. With these, being a Rotarian means extending oneself in meaningful service to others, By Building The Future With Action and Vision we can make the world a better place to live in.

We are very glad indeed as our club had completed all our projects within the Rotary year. To mention some of them, we have successfully carried out the Pride of Workmanship awards, Deworming Project in the rural schools, Donated RM500.00 to Mr lee Ket Peng, donated School uniforms and shoes to SRJK (T) Bagan Datoh and gave financial aid to Miss Saraswathy to pursue her education at a local university.

We had inducted 9 new members into our club in this rotary year and have had a very good and merry fellowship in our weekly meetings, regular lunch time and during the projects being carried out. This teamwork spirit really gives me the satisfaction as the President of Rotary Club of Teluk Intan.

This year Rotary Club of Teluk Intan has the honour of receiving two awards :-

1) Best Bulletin Award (outstanding effort)
2) Presidential Citation Award.

SYABAS

Here I would like to thank our D. G. David Ho, D. G. Representative K. C. Hong and all Rotarians and Anns of the Rotary Club of Teluk Intan for advising, guiding and giving me their confidence to carry out my duties.

Last but not least, I would also like to congratulate incoming President Dr. Tan Cheng Chin and his Board and wish all success in the coming year.

MAY GOD BLESS YOU ALL

Yours in Rotary,

President Rotary Club
of Teluk Intan 1996-1997.

Message from In-coming President

I am extremely honoured to be given this opportunity to lead the Club for the term of 1997-1998. I shall endevour to shoulder this responsibility to the best of my ability with the help of my fellow Rotarians.

During the course of my tenure I shall use the theme "SHOW ROTARY CARES" to guide me.

Care should start from our own family. If each member of a family cares for the others, then the result will be a wholesome family. Such a family will exude goodness which will then spread to and influence their immediate friends and neighbours as well as those people they will come into contact with.

We should also show care for the Club by ensuring that all its activities are successful. We should attend all its meetings and in the process partake in meaningful dialogues thereby making positive contributions.

As professionals we should engage ourselves in Vocational Service to show that we care for our employees, our clients and our collegues. We can extend a caring attitude to our competitors too, as competition can lead to advancement and enchancement in our field of expertise.

We should take part in community service through projects to help those who are less fortunate and who are in need. We should take the lead in caring for the abandoned elderly, giving comfort and much needed love to the abused child feeding the hungry, arming the poor with skills and knowledge to overcome their poverty and taking a positive stand to overcome social ills being faced by some of our youths.

We should, through International Service, show that we care by taking part in Rotary Foundation Programmes to assist and partake in projects in countries less fortunate than ours in the true spirit if ROTARY. Thank You.

Yours In Rotary,

(Dr. Tan Cheng Chin)

Other Projects

Throughout the year we carried out many projects. They were:

* Fellowship Visit by Rotarians and their families from the RC of Bukit Kiara Sunrise, K.L. on the 30th of Nov. 1996. They were treated to a sumptuous lunch at Tai Choong Seafood Restaurant. However, due to the heavy rain that fell that day the visiting Rotarians were only able to watch our famous leaning clock tower from their cars. They visited Bethany Home where they donated some stationaries and equipment to the Home's physiotherapy unit. They also bought RM500 worth of calendars from the Home.
* Donated used blankets and old clothings to the "Greg's" victims in Sabah.
* Donated RM500 to Mr. Lee Ket Peng for his son's spinal operation.
* Donated shoes and school uniforms to pupils of SRJK (Tamil), Bagan Datoh on the 20th of April 1997
* Donated RM1200 to Saral d/o Maniam for her fees at Politeknik Sultan Halim Mu'adzar Shah in Jitra.
* Participated in "World Aids Day:Aids Awareness Walkaton for the Family" on the 14th of Dec 1996 which was organised by the Lower Perak Health Office.
* Sponsored Interactors to the One-Day Youth Institute which was organised by the RC of Ipoh-Kinta on the 22nd. of Sept. 1996
* Sponsored 33 Interactors to attend the 24th District 3300 Interactors Conference in K.L. on the 15th - 17th Nov. 1996
* Sponsored 8 Interactors to the District 3300 New Generation Conference organised by the RC of Ipoh-Kinta on 5th-6th of April 1997
* The Interact Club of SM Horley Methodist was awarded the 1996-97 R.I. Presidential Recognition for meeting the Challenge to Build the Future with Action and Vision.

Rotary Scholarship Project

Objective: To pay or subsidize towards the payment of examination fees for secondary students taking the SPM examination.

Implementation: To involve all 17 secondary schools in the District. The project may be extended to the Perak Tengah area (Kg. Gajah) when it may be applicable and feasible to do so.

For the year 1997/98 a sum of RM3,400 is allocated towards paying 2 students from each of the 17 schools.

Selection: The selection committee will chose the students based on the following criteria:

a) Academic achievement
b) Family background
-Parents/Guardians income
-no. of brothers & sisters schooling
-no. of brothers & sisters working

Continuity: A yearly affair with a minimum of RM3,400 reserved for the scholarship fund.

PRIDE OF WORKMANSHIP AWARDS

What is the Pride of Workmanship Awards Scheme ?

This project is organised by the Vocational Service Comittee of the Rotary Club of Teluk Intan to recognise and acknowledge the efforts and contribution of outstanding employees who show a distinct quality in their approach, attitude and dedication to their jobs.

The Rotary Club of Teluk Intan is happy to organise this project because the project will help to promote a good employer/employee relationship, benefits both employer and employee and involves the participation of the whole community. The awards scheme is not a competition for the best employee but just a recognition of a high standard of work performance.

History of the Pride of Workmanship Awards:

The awards scheme was first started by the Rotary Club of Pennant Hills, District 968, Australia in the Rotary year 1975/76. It has attracted the attention of other Rotary Clubs throughout Australia and won the recognition of Rotary International.

The scheme was first introduced to District 3300 covering Malaysia, Singapore and Brunei by the Rotary Club of Ipoh when it organised the project on 7th May 1987. This was followed by The Rotary Club of Sitiawan in 1988 & The Rotary Club of Taiping in 1990, The Rotary Club of Teluk Intan in 1990 and the Rotary club of Teluk Intan in 1990 and the Rotary Club of Kerian in 1990.

KATA-KATA ALUAN

Datuk Haji Ahmad Zahid bin Haji Hamidi
DMSM, AMP, PJK, PPT, JP
Ahli Parlimen Kawasan Bagan Datoh
merangkap
Ketua Pergerakkan Pemuda UMNO Malaysia

Dengan hormatnya saya ,merakamkan ucapan setinggi-tinggi terima kasih kepada Presiden dan ahli-ahli Kelab Rotary Teluk Intan yang telah memberi penghargaan kepada saya menyampaikan sepatah dua kata di dalam buku cenderamata ini bersempena dengan majlis 'installation' untuk Presiden Baru, Rtn. K.S. Apparavoo Subramaniam dan ahli-ahli Lembaga Rotary yang baru. Saya juga mengucapkan tahniah dan syabas kepada Presiden Dr. Tan Cheng Chin dan rakan-rakannya yang telah bertungkus lumus berkhidmat sebelum ini.

Sepertimana yang kita sedia maklum Kelab Rotary Teluk Intan merupakan sebuah kelab perkhidmatan sosial dan kemasyarakat yang telah sekian lama wujud di Daerah ini. Banyak projek dan aktiviti telah dijalankan untuk membantu penduduk di sekitar Hilir Perak ini. Saya memang sentiasa sedar dan mengikuti perkembangan perkhidmatan Kelab Rotary ini. Yang amat menarik ialah cara kelab ini menjalankan projek dan aktivitinya tanpa mementingkan publisiti yang meluas. Kejayaan projek yang dijalankan lebih diutamakan. Sikap dan pendirian sebeginilah harus kita contohi dan sanjung tinggi oleh semua.

Kelab Rotary seperti kelab-kelab perkhidmatan sosial yang lain merupakan sebuah organisasi yang bertujuan memberi khidmat dan bakti kepada masyarakat dengan tidak mengira Agama, bangsa mahupun ideologi. Struktur dan dasar yang bebas ini menjadikannya amat sesuai untuk masyarakat majmuk di negara kita dan seharusnya kita memberi sokongan dan patut disertai oleh segenap lapisan masyarakat di negara ini.

Berslogankan FOLLOW YOUR ROTARY DREAM' tahun ini dan berbekalkan semangat penuh dedikasi, setiakawan serta rasa gembira sejajar dengan terma 'FOLLOW YOUR ROTARY DREAM' itu, saya memohon kepada masyarakat individu diluar dan didalam agar sentiasa bersedia untuk memberikan khidmat dan bantuan bagi menjayakan di Daerah Hilir Perak ini.

Akhir kata, kepada semua Jawatankuasa Kelab Rotary dan pihak lain yang turut terlibat saya ucapkan selamat berkhidmat dan selamat berjaya di dalam semua bidang khidmat Rotary dengan kejayaan yang cemerlang.

Sekian, terima kasih.

The President & Rotarians of
The Rotary Club of Teluk Intan

Dear Fellow Rotarians,

Let me congratulate Incoming President Apparavoo and his Board of Directors for being elected to serve in the Rotary year 1998/99. Your peers have recognised your abilities and the capacities to lead in the club and in the various Avenues of Rotary services. By the acceptance of responsibilities, there is now a commitment on your part and I am confident all of you will serve with exemplary sincerity, enthusiasm, dedication, hardwork and perseverance.

To all the other members, do rally round the President and the new Board to Show Rotary Cares for the Club.

I hope you will try to build the club into a vibrant one and continue to be the influence for good in the community by bringing cheers not only to the underprivileged, disadvantaged and needy in Teluk Intan but also beyond its boundaries.

All the best for 1998/99 Rotary year to **Follow Your Rotary Dream.**

MESSAGE OF DISTRICT GOVERNOR 1998/99 DR PAUL C K LEE

Dated 23rd April, 1998

Dear President Apparavoo,

Congratulations and best wishes on your Club Installation.

As we endeavour to plan and implement our Club projects for the year, it is important for us to remember the saying that

"A Rotary Club with no schedule of International Activities
is locked into its own community;
A Rotary Club that does not perform Community Service
is exiled from the realities of everyday life;
A Rotary Club that does not promote Vocational Service
is removed from Rotary's basic principles; and
A Rotary Club that has not organised a solid Club Service effort
runs the risk of becoming insignificant.

The Rotary Club of Teluk Intan has over the years carried out many innovative and beneficial projects for the benefit of the community of Teluk Intan. I have read your Club Newsletter with great interest and I must congratulate the Editor for a fine job.

As you move into Rotary Year 1998/99, you must reflect on your past performances so that you can set your goals to achieve your dreams.

Lilain joins me in wishing you and your members an enjoyable and memorable year as you **"Follow Your Rotary Dream".**

May the good Lord bless all of you as you have blessed others through your dedicated Rotary service.

Yours in Rotary service,

Dr Paul C K Lee

Message
from Out going President

Dr. Tan Cheng Chin PHF
President 1997/98

It is indeed an honour to welcome you, our distinguish guests to this 47th Installation Dinner to night.

The theme for year 1997-1998 was "Show Rotary Care". We started out with a lot of hopes and enthusiasm to " Show Rotary Cares ". But the economic slowdown had almost affected our programs. Nevertheless with the dedication, resilient and commitment of the members we were able to achieved what we set out to do. For our efforts we were recognized with the award of
the Presidential Citation I wish to record my deepest appreciation to the members for their support, cooperation and commitment.

We must not forget those who are "silent supporters". Who are they? The Rotaryanns of course. Without their unceasing support and their understanding, the Rotarians would not be able to accomplish what we set out to achieve. For this, 'a million thanks' to the Rotaryanns.

Apart from this we must also thank our supporters who donated so generously to our service projects. Thank you to all the supporters.

Now, we should move from Care to Dream.I am sure our President K.S. Apparavoo has his Dreams. (Just like Martin Luther King Jr.).I would like to congratulate and wish President K.S. Apparavoo and his board of directors every success in the year 1998/1999.

Follow Your Rotary Dream.

Yours in Rotary

(President Rotary Club of Teluk Intan 1997/98)

Message from In Coming President

Being elected as the 47th President of Rotary Club of Teluk Intan for the year 1998/99, I take this golden opportunity to thank my caring fellow Rotarians for having their confidence in me to lead the club.

Leading the club, within two years of joining, is no easy task. Nevertheless I will do my best to achieve the aims and objectives of our club and that of Rotary International, with the undivided support of my Board of Directors and the fellow members.

Our theme for the coming year as enunciated by the Rotary International President James lacy is **FOLLOW YOUR ROTARY DREAMS.** We must reflect on our past performances by setting goals to achieve the dreams of Rotary.

In light of the above, the club will plan and implement the projects in line of the requirement for International Service, Community Service, Vocational Service, New Generation Service and Club Service. In addition to the continuity of existing projects, we will also strengthen the fellowship and increase the membership by 20%.

I sincerely would like to record my gratitude and appreciation to the outgoing President Dr. Tan Cheng Chin PHF and his organising committee, donors, advertisers, member of the press, President and committee of Lower Perak Club, our guests and friends of Rotary for their continued support and presence this evening.

Yours in Rotary,

K.S. Apparavoo

PRESIDENT DR TAN CHENG CHIN'S REFLECTIONS

President Dr Tan Cheng Chin will end his Presidency of the Rotary Club of Teluk Intan On 30th June 1998. Looking back, our 46th President shares with us his experiences, joys and frustration, and most of all… Show Rotary Cares….

1. You will be Immediate Past President when Rtn Apparavoo takes over as President Do you think that one year is too short a time to do "long term" projects?

Ans. Every president has his concept of service project. To me all Rotary's projects are part of the long term projects because every projects is within one of the avenues of Service. Every project is a continuum or extension of the previous year's project. Rotary is a continuity. There is why we have the IPP post so that we are link to the previous year. We have a President Elect to keep in touch with the future Hence Rotary is a journey, a continuous journey.

2. What have you learnt in your one year as President ?

Ans. What I have learnt is very enriching.
I learnt to be sensitive to the different feelings of the members, learnt to understand these difference, respect their opinions, listen to their criticism with a open mind. In fact their criticism is not without basis. They do so because of their concerned and love for the club. This will be only for the good of the club. This is what I call constructive criticism.. and most of all I learnt to be tolerant.

3. Rotary club is made up of selected individuals who are leaders in their profession and industry. Is it easy to be a "leader leading leaders?"

Ans. The beauty about Rotary Leadership. You are a leader without power or authority. You can neither reward or punished anyone because all Rotarians are volunteer. We are all equals. We are at the same level of playing fields. There is only one way --- that's is to work together as a team. The president is just only a team leader.

4. Your Rotary Year's theme is 'Show Rotary Cares'. How far have you achieved what you set out to do?

Ans. We have planned out various projects to help the various segments of society. I did not achieved them. But I must say it was all the effort of all the members. without them nothing is possible. A president is unable to do it alone.

5 Our Malaysian economy is down. Our membership is down. Even our attendance Is down. Any "vigra" to bring it up?

Ans. Every thing goes in cycle. There is always up and down. When we are down we shouldn't stay down. How to bring up the club?. This is the responsibilities of every members. We must attend meeting , contribute in what ever way we can and make the club lively again. One member said our club is a training program. How true it is ! Membership development and retention is the key. We must work out a program for this. Any volunteer?

6 Looking back with fond memories how would you describe your year as President ?

Ans. *Enriching !*

7. You gave a interesting talk to the youths at the Lower Perak Buddhist Association. The topic was "How to be Successful" In short, any advice on how to be successful?

Ans. *Success means different things to different people. The basic element is change. When someone is successful he is usually not what he was. That is change. Scratch the surface and go deeper it is actually* ***Exchange.*** *You have to exchange something for something in order to be successful. To get something you have to make sacrifices. So if you want to successful be ready to sacrifice.*

8. As an experienced and knowledgeable Rotarian and a past President, what" words of wisdom " would offer to new Rotarians in general, and future President in particular?

Ans. *Actually there are many experiences members in our club who are very knowledgeable. Since you want me to say something. I have two words to say* ***Participation and involvement****. It is through involvement and participation in the various projects and activities of Rotary that you will understand and appreciate ROTARY.*

The chat session ended with a big Thank You to the 46th President of the Rotary Club Of Teluk Intan, IPP Tan Cheng Chin, PHF. You have served your Presidency the way it is expected of a President.

President Elect's Rotary Dream

President Elect Rtn. K.S. Apparavoo is to be installed as the 47th President of the Rotary Club of Teluk Intan. In a dialogue with the Anak Roda he shares with us his experiences, thoughts, aspirations and most of all his Rotary Dream

1. How long have you been a Rotarian ? What made you join Rotary ?

I have been in the Rotary Club of Teluk Intan since middle of 1996. The self satisfaction by serving the needy peple and healthy fellowship had encouraged me to join Rotary.

2. To be the President of a Rotary Club is an honour which many covert and aspire. What prompted or inspired you take up this prestigious post?

Frankly speaking I have been asked to take up the post by my fellow Rotarians, even though I requested for a longer period of service in the club. I really feel honoured for being nomited as President, not only because of the members but also due to the fact that they promised to give you individual support to fulfill the Rotary Club requirements while enjoying serving the needy community. There are many past presidents for me to count for adequate delivery of the services.

3. A President-Elect has to undergo the PETS (President-Elect Training Session). Are you adequately prepared to take on the challenges they lay ahead of you?

I have been for the President-Elect Training Sessions in 1997 and 1998. Though I have not acquired all the technical knowhows, within the short number days training, I am reasonably prepared to take on the challenges that lay ahead of me. I have faith and trust in my new board of directors and the fellow members for their support and guidance.

4. Every year the President of Rotary International has a theme. This year it is "Follow Your Rotary Dream". What then is Your Rotary Dream?

My Rotary Dream is to continue fulfilling the Dreams of the Rotary International. I want all fellow members to enjoy each and every project we undertake throughout the

year. I would like to pay more attention to project that involves children, who are the future backbone of the nation.

5. The Malaysians Economy is experiencing an economic slowdown. This means that soliciting funds for our projects may be problem. No money means no project. How do you propose to overcome this problem?

Money is not always the solution. There are many project which require less or no money. As such I would like to encourage project that involves partnership in nature. We provide the services while the other partner provides money. This does not mean that we will to take any fund raising projects. Every cent collected is the achievement of the Rotary Club of Teluk Intan.

6. As a last question is there anymore thing you will like to share with the Rotarians?

I have been in number of social and cultural organisations, in the past. Rotary Club is something different. Everybody respect each other, there is no power struggle and everybody enjoys each other's presence at the project as well as at the weekly meetings. When there is a full attendance during the weekly meeting, it gives me a festive mood to my joy. In light of the above, I request my fellow member "Please help me to show the public that Rotary Cares"

ROTARY 2000: ACT WITH CONSISTENCY, CREDIBILITY, CONTINUITY

Message From Rotary International President 1999/2000

To The Rotary Club of Teluk Intan, Perak,
Malaysia
Dear Fellow Rotarians:

It is a pleasure to have this opportunity to congratulate the officers who have been elected to serve your club in 1999-2000. You have expressed confidence in your officers by selecting them to lead your club into the next millennium.

Rotary clubs and the individual Rotarians who serve are the source of the good that Rotary accomplishes in the world. It is through dedicated, committed leaders at the club level that Rotarians are inspired and given the opportunity to fully participate in service through Rotary.

Rotary leaders will meet the challenges in the next century by being consistent with our best traditions, while being creative in securing credibility with our fellow men through living the ideals of this organization. By acting with humility and generosity, Rotarians will demonstrate consistency, credibility and continuity in bringing Rotary's current programs to successful fruition in the next century.

Rotary 2000 is the spirit of fellowship and service, with the vision to meet the challenges of the new century. Rotary will continue to thrive if its leaders consolidate the best from the past and present while preparing for the future and its opportunities for service. I am confident that our new officers will provide such leadership to your club as we enter a new millennium.

Rotary 2000: Act with Consistency, Credibility, Continuity.

Sincerely,

CARLO RAVIZZA
President-elect

Message From District Governor 1998/1999

Dated 11th May, 1999

Dear President Apparavoo,

Etienne de Grellet more than a century ago said "I shall pass this world but once. If there is anything I can do for my fellow man, let me do it now, let me not defer or neglect it. For I may not pass this way again."

The members of the Rotary Club of Teluk Intan had over the years adhered to this ideal and have carried out many activities for the benefit of your community. Lilian joins me in congratulating your club for your fine work.

For Rotary Year 1999/2000 under the able leadership of President 1999/2000 Wong Lee Kong, we are confident that many more innovative and beneficial projects will be carried out that will bring the Rotary Club of Teluk Intan to the fore-front as a dedicated service organisation.

An Indian poet Rabindranath Tagore once said

"I slept and dream that life was happiness.
I awoke and saw that life was service.
I saw and learned that in service, happiness is found".

Lilian joins me in wishing you and your members an enjoyable and memorable year as you **"Follow Your Rotary Dream"** and in **"Rotary 2000, act with Consistency, Credibility and Continuity".**

May the good Lord bless all of you as you have blessed others through your dedicated Rotary service.

Yours in Rotary service,

DR PAUL C K LEE

Message From District Governor 1999/2000

Dear President Lee Kong,

It gives me great pleasure to pen a few words of congratulations and encouragement to you and the fellow Rotarians of your club on this honorable occasion.

An Installation Night carries important significance to all of us. We must remember that its meaning goes beyond the mere official hand-over of the club's torchbearers. It is in fact a reminder, to every Rotarian, of our endeavor of "service above self to our community. It is a perfect "freeze-frame" for all of us to ponder on our efforts, our achievements, as well as our failures, in the past Rotary year. From thereon, it is in all of us to determine our level of commitment to make the coming year a better one!

I strongly believe, under the club's capable leadership, your Club will rise and shine with the new Rotary year!

Let us all strive and Act with CONSISTENCY, CREDIBILITY, CONTINUITY in our innovative and beneficial community programs.

Have an enjoyable and memorable Installation Night!

Yours in Rotary,

DG DATO' (DR) JAFFAR MOHAMED ALI KMN, PJK

Message From President 1998/1999

It is indeed an honour to welcome you, our distinguished guests to the 48th Installation Dinner tonight.

In line of traditional requirement, it is time to change the guard of the club, that is the old gives way to the neui but with the commitment to show ***ROTARY CARES*** *continue forever.*

We always believe that it is more blessed to give than to receive and do far others what you want them to do for you. With these, being a Rotarian means attending ourself in meaningful service to mankind, by ***"Follow You Rotary Dream".***

We started out 1998/1999 year with a lot of hopes and enthusiasm, but due to economics slowdown it had almost affected our programs. Nevertiwless with the dedication, resilient and commitment of the members we were able to adhieve what we set out to do. For our efforts we were recognized with an award of the ***PRESIDENTIAL CITATION.***

I take this Opportunity to thank a million times or more the members of the club especially ***PP Dr. Rajindar Singh, IPP Dr. Tan Cheng Chin, Rtn Chong Tee Boon, PP William Cheng Choon Kee and Rtn. Dr. Tham Kok Hee*** *for their unceasing support and understanding. Without them we would not be possible to accomplish what* ***we had set out to achieve.***

In addition to the above we also thank our supporters who donated so generously for our service projects through out the year.

Last but not least, I would like to congratulate the incoming ***President Wong Lee Kong*** *and his board of directors and wish all success in the coming year.*

"May God Bless you All"

Yours in Rotary,

K.S. APPARAVOO
President Rotary Club
of Teluk Intan 1998-1999

ROTARY 2000: ACT WITH CONSISTENCY, CREDIBILITY, CONTINUITY

Message From President 1999/2000

When I was proposed to be the 48th President of the Rotary Club of Teluk Intan, I was worried whether I could lead this group of professionals especially when I had been a Rotarian for only three years. However, in seeing how Rotarians always work as a team, it makes me feel confident enough to "accept the challenge". At the club level, when I need advice there are the Past Presidents and senior Rotarians to help out; at District level DG Datuk Jaafar and his team of very experienced and knowledgeable Rotarians are ever willing to lend a helping hand. Besides that the District Assembly trains and prepares President Elects for the demanding post of the President of a Rotary Club.

Rotary is a service organisation. We need funds to carry out our many projects. Rotarians contribute their time and money in order that our "people-oriented" projects are carried out successfully. But what about you, friends of Rotary? How can you help? You can help Rotary in many, many ways:

1. You can be a friend of Rotary by giving a cash donation.
2. You can contribute in kind, i.e. clothing, books or medical supplies such as deworming medicine and vitamins.
3. You can participate in our projects,
4. Last but not least you are most welcome to join us to serve the Teluk Intan community.

Every year Rotary International has a theme. The new millennium theme is "Act with Consistency, Credibility and Continuity." By Consistency it means that since the Rotary Club of Teluk Intan was chartered in 1952, our Rotary Club is always consistent in our service to the Teluk Intan community. We hope to make Teluk Intan a peaceful and pleasant place to work and to live in.

By Credibility it means acting with honour in all our dealings in our families, our businesses and professions, our clubs and our communities. To put it in plain words, you can trust a Rotarian.

By continuity it means that the Rotary Club does not die. New Rotarians are continuously recruited to replace Rotarians who are transferred out of town, who resigned, or who are no more in this world.

As we approach the 21st century, there will be many challenges that lay ahead of us. As the President of the Rotary Club of Teluk Intan I hope Rotarians and friends of Rotory will extend a helping hand to me so that together we will achieve the aims and objects of Rotary. Let us all always.....

"Act with Consistency
Establish Credibility and ensure
Continuity for the many generations of Rotarians and Malaysians to come."

Yours in Rotary,

Rtn Wong Lee Kong

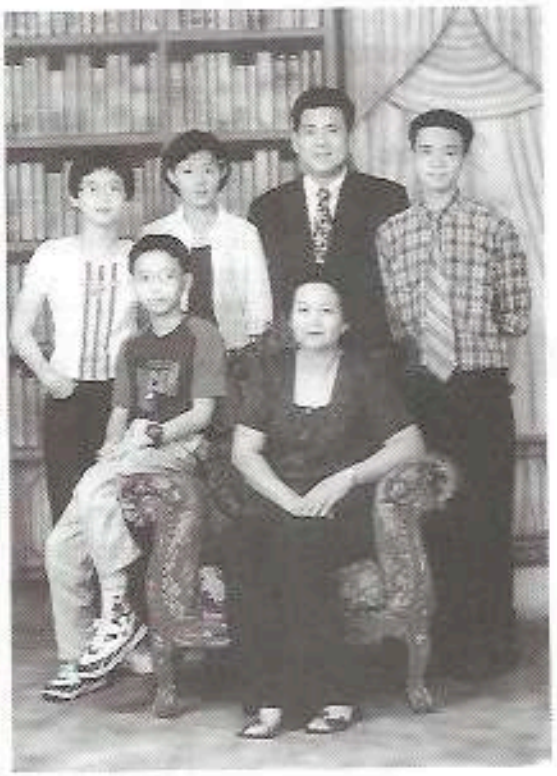
In-Coming President

RTN WONG LEE KONG

ROTARY 2000: ACT WITH CONSISTENCY, CREDIBILITY, CONTINUITY

Rtn Wong Lee Kong was born on 21st January 1958 in Ayer Tawar, Perak. He had his primary education in Min Te Chinese School, Ayer Tawar, followed by secondary education in S.M.J.K. Ayer Tawar. His pre-university education was at Anglo-Chinese School in Sitiawan. For tertiary education, he obtained Diplomas in both General Management and Business Administration. He was with Ganda Oil Industries Sdn Bhd and Ganda Plantatation Sdn Bhd from 1979 to 1993. In August 1993 he left Ganda to start his own business in video and computer games. He started off with one branch and today he is the boss of 5 branches.

He is married to Ann Yoon Thai and they have 4 children, 2 boys and 2 girls. First lady Yoon Thai plays the roles of a successful business woman and home-maker. Eldest daughter Shin Jeng is in form five, son Jin Siang in form four, daughter Shin Ying standard six and youngest son Jin Hoong in Standard five.



Lee Kong joined Rotary in July 1996. His attendance in Rotary is 100 per cent ever since he joined us. He has served as Club Service Director, New Generation Director and President-Elect. When he was the New Generation Director, his attendance in Rotary is "200 per cent". Lee Kong is very popular with all the Interactors. He has attended almost all the District Assemblies and Conference. Since he joined us, he has supported the club financially, physically and morally.

Outside Rotary, Lee Kong is a active committee member of the San Min Primary School Parents Teachers Association. For recreation, Lee Kong is a keen golfer and he is a member of Diamond Bay Golf Club.

Interview With Incoming President Rtn Wong Lee Kong

Rtn Wong Lee Kong is to be installed as the 48th President of the Rotary Club of Teluk Intan. In an exclusive interview with the Anak Roda editorial team led by Rtn Ng Wooi Ying and Rtn Dr Tham, PE shares with us his thoughts, aspirations, commitments and most of all his dreams and visions to make The Rotary Club of Teluk Intan "The Club" the public look up to and the Rotarians proud to be a member of.

- Who introduced you to The Rotary Club of Teluk Intan? Before you attended any of the RC's meetings, what was/were your impression(s) of the RC? After you "came, saw, and liked", what made you join the RC?

❑ *PP Teoh Chai Liang introduced me to Rotary. Before I was invited as a guest to attend RC's meeting, my impression of RC is an ordinary charity club. Only after I joined the club then only I realized Rotary is club doing service through fellowship. What made me joined Rotary is the wonderful fellowship of the club. In RC of Teluk Intan, I met people of different professions.*

- You are a very successful businessman. You started your business with one branch. Today there are many branches all over Perak. Any secret recipes for success? To your business it's expansion, expansion, and expansion. Are you planning to do the same for RC? Of course in RC's case it will be recruitment, recruitment and recruitment !!!

❑ *My recipe for success is through hard work, although I don't deny that we must also have luck and correct timing. Also we must have a good public relation with people. Yes, I will try my best to recruit more members. There are about 5 potential in the pipeline, some of them are ladies. I sincerely hope all my fellow members will accept ladies as members.*

- In any organisation there are only a few "active" members with the majority following the minor minority, our RC being no exception. How do you plan to make every member participate or become involved in the many projects that you have lined up for your presidential year?

❑ *No doubt my board only has 12 members , but I will try to let every Rotarian to get involve in all projects so at least they realize this club belongs to everybody. I will try to delegate duties to all other Rotarians in order to make everybody involved.*

- In recent years our presidents have bestowed "titles' for their contributions to our RC. For example, PP Teoh Chai Liang is known is "Fellowship President" while IPP Dr Tan Cheng Chin is known as the "Projects President". How would you like to be known as when your term as President ends?

❑ *Well, I will try to be a all rounder, which means, to me, fellowship and projects are equally important in Rotary.*

- "Oh! Its so exciting" is one of your favourite exclamations. You appear to be very eager to start your Presidential year. Aren't you feeling more nervous than excited?

❑ *I think I am very confident that I can perform a good show because they are many experienced Rotarians ever willing to lead me and guide me.*

- Last Rotary year there was much discussion on whether we should have a "Guest-of-Honour" for our presidential installation. What is your opinion on this matter.

❑ *We should be proud when DG 1999/2000 Dato' Jaffar agreed to be our Guest-of-Honour for our presidential installation.*

- You have been a Rotarian for three years. During this period the posts you held in our RC are Club Service Director and New Generations Director cum President-elect. Are you adequately prepared to take up the challenging role of the presidency?

❑ *Yes, beside the 3 years in Rotary, I learned a lot in the PETS sessions in the recent District Assembly, I will always try my best to fulfill and carry out my duty as a team leader.*

- The Rotary year under your Presidency falls in 1999/2000. This means that you will be know in our club's history's the 20th and 21st century president. Isn't that a great achievement?

❑ *Well, this is my honour to be president for two centuries, ha! ha! ha! Rtn Ng Wooi Ying, you are Club Service Director for two centuries also.*

- Behind every successful man is his wife. In any Rotary Club there is the President and the First Lady. Most of the presidents do not plan or allow the First Ladies to play a meaningful role in the RCs. Do you have any "active" roles for your First Lady?

❑ *I will encourage my Ann to attend all the fellowship gathering and all the projects. You must distinguish between your word "meaningful" and "active" role. Our Anns can play a "meaningful" role by organising fellowship functions, helping in organisations of projects or even helping in typing the bulletin etc etc. I will try to have fellowship nights when all Anns meet as often as possible.*

The interview cum conversation ended with the editorial team wishing all the best to our 47th President Wong Lee Kong. The Rotary Club of Teluk Intan is confident that our President Wong Lee Kong will live up the Rotary's ideals of "service above self". Under him we hope he will bring fame and honour to the club, and as we move towards the 21sst millennium let us all share Paul Harris dreams....

Message From Rotary International President 2000/2001

07 April 2000

To the Rotary Club of Teluk Intan, Perak, Malaysia

Dear Pres Choy

Congratulations ! As an officer of your club during 2000-01, I wish you all the best. Rotary International's greatest asset, and its true source of strength, are the over 29,000 individual Rotary clubs in communities around the world. I am proud that you have accepted the honor and challenge of serving as leaders of your local club. Furthermore, I am counting on your proactive leadership to create awareness among club members of important Rotary issues - and then to motivate your club into action.

This year, I would like you to help your club focus on the following key issues :

- pro-active membership development and retention efforts;
- pro-active public relations and media awareness campaigns;
- partnerships with other organisations at the club and district levels; and
- finding innovative pro-active approaches to addressing concerns in our communities such as population and development, poverty, crime reduction, jobs for people with disabilities, avoidable blindness, hunger, and disaster relief.

Thank you in advance for your dedication and commitment both to your own Rotary club as well as to Rotary International. As we work together in 2000-2001, let us never forget that our mission is to **Create Awareness and Take Action** in our clubs, our communities and throughout our world.

Sincerely,

Frank J. Devlyn

ROTARY 2000: ACT WITH CONSISTENCY, CREDIBILITY, CONTINUITY

Message form District Governor's

Dear President Choy

It gives me great pleasure to pen a few words of congratulations and encouragement to you and the fellow Rotarians of your club on this special occasion.

An Installation Night carries important significance to all of us. We must remember that its meaning goes beyond the mere official hand-over of the club's torchbearers. It is in fact a reminder, to every Rotarian, of our endeavor of "service above self" to our community. It is a perfect "freeze-frame" for all of us to ponder on our efforts, our achievements, as well as our failures, in the past Rotary year. From thereon, it is in all of us to determine our level of commitment to make the coming year a better one !

In addition, I would like to congratulate the club's 49th year since its charter. The years in growth must have brought you great experience and knowledge.

I strongly believe, under the club's capable leadership, your Club will rise and shine with the new Rotary year !

Let us all work together to CREATE AWARENESS, TAKE ACTION with CONSISTENCY, CREDIBILITY,
CONTINUITY in our innovative and beneficial community programs.

Have an enjoyable and memorable Installation !

Yours in Rotary,

R. I. Theme
2000/2001

Message From District Governor 2000/2001

Dear President Choy and my dear Rotary Friends,

RI Past President Ernesto Imbassahy once said, ...

"When asked "what is the purpose of life ?" historian Arnold Toynbee replied : "Man should live for loving, for understanding, and for creating." It is significant to underscore that the purpose for understanding is explicit in the Object of Rotary, and the other two-loving and creating-are implicit in many aspects as motivations in Rotary achievement."

..... unquote

In many years of existence of Teluk Intan Rotary Club, there were many outstanding and beneficial projects carried out by the Club. These are the results of the many sacrifices made by your dedicated members. In our endeavor to continue in our march to provide excellent service, we must surely reflect whether our objectives have met the needs of the community and the nation.

Building awareness is not always easy. The natural tendency for many people is to think problems will resolve themselves in time. When Rotarians are made aware of a problem, we begin to talk and discuss the best course to take. We seek out other groups to join our cause, we make plans, and finally we move to taking action.

For Rotarians, the functions of awareness and action are closely linked. Awareness is futile without action, and action is not possible until we have gained awareness. By uniting awareness and action, Rotarians can ensure that the critical needs of our clubs, our community and our world will be identified and addressed.

Kamala and I wish you and your members a most memorable and enjoyable year of service as we work together to " CREATE AWARENESS AND TAKE ACTION" in our Rotary work.

Sincerely,

Dr. R.T. Arasu

Message From Outgoing President

As the Rotary year comes to an end and the passing of baton to the next president takes place, I cannot but fondly remember the year is passing.

During my term of office, I have encountered some challenges but with members support, understanding and team spirit, they became realities. The wisdom and experience gained as a president is indeed a valuable one.

Almost all our planned projects were carried out smoothly. I would like to thank my Board of Directors, past presidents and all members who have one way or another rendered their generous support during my term of office.

I also wish to express my sincere thanks to the general public for their generous donations towards our charity fund.

To the in-coming president Rtn. Choy Peng Soon and his Board of Directors I wish them all the best.

Yours in Rotary

CREATE AWARENESS

TAKE ACTION

"Our mission is to ***Creat Awareness*** *and* ***take Action*** *in our clubs, in our communities, and throughout the world."*

Message from President Elect 2000/2001

It is a great honour and privilege to have been elected as the 49th President of the Rotary Club of Teluk Intan. Although I am young and relatively new to Rotary, the faith and confidence that the members had placed in me gives me the courage to meet the challenges with humility and commitment. I am sure that I will be able to deliver my best because of the confidence I have in the senior members of the club to guide me through my year of tenure.

The theme of the Rotary International for the forth-coming Rotary year is **"Create Awareness and Take Action."** This is very appropriate as we enter the 21st century and approach Rotary's centenary. As President of the Rotary Club of Teluk Intan, District 3300, which forms a spoke in the Rotary wheel, I will make mission and commitment to uphold this theme.

First it wil be to **Create Awareness** among the Rotarians, than in the community. Together we will identify and become aware of the problems faced by our clubs, community and than we will **Take Action**.

Fellow Guest and Rotarians, awareness is futile without action and action is not possible without awareness. So I urge you to join my colleague and me, in partnership to participate in our service to the community and in particular to the less fortunate.

Last but not least. I would like to thank the donors, advertisers and our benefactors for their untiring support.

Thank you,

Your always in Rotary

Rtn. Choy Peng Soon

In-Coming President

CLUB ACTIVITIES FOR ROTARY YEAR 1999 / 2000

CLUB SERVICE

1. We inducted 3 new members but unfortunately also lost 3 members due to transfer and business commitments.
2. Well planned programs by Club Service Director Rtn. Ng Wooi Ying were carried out for every meeting.
3. Nine members together with their Anns and children attended the Millennium District Conference on 30th December 1999 to 1st. January 2000.
4. We have good rapport with the local press. All our community projects were reported in the press. We have a home page on the Internet. The URL is : " http://www.geocities.com./Athens/Forum/1885".
5. Weekly club bulletin, " Anak Roda," is published every week. There is also an on-line edition of the bulletin on the Internet. Our club is one of the only two clubs in the District to have their bulletins on-line.
6. Attendance throughout the year has been quite good, being around 76%, ranking 15th in the District Attendance competition.
7. We have fellowship gatherings during the year.
8. Club Constitution and Bye-Laws were amended to keep them up-to-date.

COMMUNITY SERVICE

1. "Care-for-the-Elderly" project was carried out on 6/11/1999. We gave a sumptuous dinner together with entertainment from club members and Interactors to the old folks in Langkap Old Folks Home. We also distributed gifts donated by Rotarians and the public to the old folks.
2. The three public health talks held were :
   i) Gastric pains on 24th Dec. 1999
   ii) Skin infections on 24th Nov. 1999
   iii) Stress management on 22nd. Sept. 1999
3. Pfizer Care-A-Van' s health education screening project was held on 20th Nov. 1999. 169 adults were screened for diabetes, high blood pressure and other common diseases while 71 children were dewormed.
4. Donated a kayak worth RM1200 to the Outward Bound School in Lumut.
5. On 14th Sept. 1999 Rotarians showed their full support to the Senior Citizens' Club, South Perak by booking two tables to their Inaugeration Dineer and Dance.
6. Rotary Millennium Carnival was held on 26/3/2000. We had 3-on-3 basketball tournament, food fair, bonsai exhibition and blood screening in the carnival. RM 25,000 was raised for Bethany Home in the food fair.
7. 5 STPM and SPM students received a total of RM1625 under our Rotary Exam Fees Assistance Fund.

MANKIND IS OUR BUSINESS

Message From Rotary International President 2001/2002

June 2001

The Rotary Club of Teluk Intan, Malaysia

Dear Fellow Rotarians :

I welcome this opportunity to congratulate and extend my best wishes to all the officers of your club elected to serve in 2001-02. Your fellow Rotarians have shown their confidence in choosing you to lead the club during the coming year. During 2001-02, I am asking all Rotarians to conduct the business of Rotary by working to meet the ever-growing needs for Rotary service in our communities and our world. To accomplish this goal, it is essential that we continue to bring in new members, especially those individuals who are seeking a way to use their talents and experience to help others.

This year, I would like you to help your club focus on the following key issues :

- Increasing Rotary's membership by bringing in members and sponsoring new clubs;
- Undertaking new community service projects;
- Undertaking new international service projects; and
- Enhancing Rotary's public image in the community and throughout the world by your commitment to the business of Rotary.

Thank you for your commitment to your own Rotary club and to Rotary International. The dedication of Rotary clubs and individual Rotarians in support of these key issues will ensure a future for Rotary that is bright with possibilities. In declaring that ***Mankind Is Our Business***, we are making a commitment to all of humanity - a commitment that will ultimately transform the lives of both those who need Rotary's humanitarian service and those of us who are privileged to offer it.

With warm regard.

Sincerely,

Message From District Governor 2000/2001

My dear Rotary friends,

Thank you for inviting me to write a message in your souvenir program.

Over the last one year a lot of **Awareness** has been created in the **Community needs** for the people of **Teluk Intan.**

The success of the Matching Grants from the Rotary Foundation to support your Ambulance project is one such success story of The Rotary Foundation in this part of the world.

I must thank, the contribution of US1,000 towards the Annual Giving by Rotary spouse Surendra Kaur, she has set example for other Rotary Spouses to follow, indeed many have contributed to the Annual giving eversince.

The many projects done over the last few months by the Rotarians of your club are testimonial of the commitment of Rotarians of the Rotary club of Teluk Intan. **Syabas.**

As we complete the year with **Creating Awareness** and **taking Action** to the community needs, let us now welcome the new theme of "Mankind is our Business".

"Our mission is **Mankind is our Business** in our clubs, in our communities, and throughout the world."

Message from District Governor 2001/2002

9 May 2001

My Dear President Terence Naidu and Rotarians of
The Rotary Club of Teluk Intan

Dear Rotarians and Guest,

Congratulations to President Terence and his team for the honour to lead the Rotary Club of Teluk Intan during 2001/02.

I am a Rotarian because Rotary has made a great contribution towards the perfection of my personality in the field of human relations and has also inspired and trained me to put my life Service Above Self.

Having been a Rotarian for more than 40 years now, I have the experience that, due to the influence of their Rotary clubs, men known to be critical and sarcastic have become charitable and sympathetic; men who in their business have seen the light and become leaders in the promotion of higher standards; men who had no interest in their community affairs have contributed greatly towards improving conditions in their communities, and so on.

And this has happened, not because of any "spiritual rebirth" but because of the effect of friendship, cultivated by good-hearted men in a tolerance and goodwill.

Paul Harris, himself, recognised in his day that, in Rotary friendship, mountains of dissension can be reduced to the size of inconsequntial molehills and that Rotary attracts men of different races, nationalities, religion or political ideas to the common cause of sevice.

Now, by being a Rotarian I feel that I do not only belong to my club, my district, my zone or to Rotary International, but to a great crusade of friendly and dedicated people who are helping to build for all, a better tomorrow.

-Past Rotary International Director, Aquiles Guerra

Are you a Rotarian ? If you are not we would like to welcome you. Ask one of the Rotarians on your table or in the hall.

You can join us to make the world a better place to live because MANKIND IS OUR BUSINESS.

Yours in Rotary,

Dr. Low Teong
District Governor 2001/02

CREATE AWARENESS

TAKE ACTION

"Our mission is to ***Creat Awareness*** *and take Action in our clubs, in our communities, and throughout the world."*

Message From Out - Going President

As the Day ends, Night follows and followed by another day. Similarly it is time once again for the President to pass on the responsibility of the club to another capable person to carry on the torch of the club in the various avenues of service.

We had a wonderful year and the past 12 months have been memorable. We achieved more than we planned for and all our projects in the various avenues of service were completed on time. This we were able to achieve with the strong team of Directors, members and the stalwarts of the club who had guided me through the tough times. I wish to thank them all.

The Rotary theme for the past year was Create Awareness and Take Action. This theme had been very appropriate and our guiding principle. We had talks, road shows, community projects and recognition of deserving members of the community.

During the year the most unique project carried out for the first time in the history of our club was the Matching Grant Project. Our matching grant partners are Rotary District 2000, South India and Rotary Foundation. Through this project we will be purchasing a fully fitted ambulance shortly for the St. John Ambulance of Teluk Intan to serve the local community.

Also during the year we received the Rotary International Presidential Citation.

My Ann joins me in thanking all the donors, various organisations, Government Departments and members of the Club who had assisted me throughout the year.

I would like to take this opportunity congratulate the incoming President Rtn. Terence Naidu and his Board of Directors and wish them well and all the best in the forth coming year.

Your in Rotary,

Choy Peng Soon
President, 2000-2001
Rotary Club of Teluk Intan

"Our mission is **Mankind is our Business** in our clubs, in our communities, and throughout the world."

Message from President Elect 2001/2002

It is indeed an honoured privilege to be elected the 50th persident of this great club.

50 years have come and gone and Rotary has done much for this community over the years. Many outstanding men of character have passed the ranks of Rotary President. Some known to me and others unknown, yet their distinguised reputation still carries on.

When I was initially faced with the idea of leading this club it seemed like an enormous task to overcome as such high standards have been set by my pedecessors. I am nevertheless confident that with the assured commitment by the board of directors and the club's members, this year will indeed be a good and memorable year as has been in the years gone by and by the grace of God we will together continue this great tradition of service as indeed "Mankind is our business."

Thank you.

Yours in Rotary

COMMUNITY SERVICE

The following Community Service Projects for the year 2000/2001 had been completed and the others as stated below will be carried out later.

- 23rd July 2000 : Talk by Dr. Beh Chor Khim on **Preventing Heart Attack - The Silent Killer** was held at the Lower Perak Club and was well attended by our club members, members of the Senior Citizens Club and the general public.
- 23rd & 24th September 2000 : **Pfizer Care Van Project** was carried out at the Fajar Supermarket, Teluk Intan. Doctors and nurses form the local Health Department assisted us in this project. The response was overwhelming and about 850 people of the general public took the opportunity to have their physical health checked.
- 27th September 2000 : We had a talk on **Financial Planning for the Future**. The speakers were from Bumiputra Commerce Bank and they gave a good insight into how to plan for the future and the Malaysian Unit Trust Industry. The talk was well attended by the public and members of the Senior Citizen Club.
- 11th November 2000 : **Dental Care Project** was carried out jointly with the Dental Association of Perak at Fajar Supermarket, Teluk Intan.
- We purchased a washing machine for RM950.00 for the World Centre Children Orphanage, Teluk Intan.
- Matching Grant Project : under this project with the assistance from the Rotary District 3000 of South India we will be purchasing a fully fitted ambulance for the St. John Ambulance of Teluk Intan to serve the local community.

安順扶輪社 獎賞10優秀消拯員

（安順三日訊）安順扶輪社上周五主辦的「傑出獎項」，旨在表揚10位安順消防局人員。

日前在該局所舉辦的頒獎晚會上，安順扶輪社主席李明忠說，希望該社所頒發的這項獎項，能夠取得鼓勵作用，他表示該次獲頒的5名人員，今後更加的努力，繼續為國家的力量，保衛人民的生命和財產，特別是在新冠疫期。

他強調，這項傑出獎項是已九年，當時的獎牌共頒發給，少年消防隊等各地方扶輪社的傑出消防和救援隊。

其中有感了團隊精神，特別出表現和貢獻的組別，和每不同團員之間的默性配合，而是讓他們再度的精神表現。

共有十名安順消防局人員，獲得這項獎項，每人各獲得一份獎勵。此外，該局主任拉希亭也獲得頒發一份紀念品。安順金體各發文附錄紀念，我們在前年獲得該社頒發這項獎項

Message From Rotary International President 2002/2003

March 2002

To all 2002-03 Club Presidents and Secretaries
in District 3300

Dear Fellow Rotarians,

My sincere best wishes to all of you and congratulations to all the Club's Officers as they are installed for this new Rotary year 2002-03. You stand at the threshold of one of the most fulfilling experiences of your life, a year that promises to be filled with many rich rewards, as well as many challenges.

Joining Rotary's leadership team is a great honor and like all great honors, it carries a tremendous responsibility. In the Rotary year 2002-03, your club will look to you for the guidance and support that they need. You are filled with your own hopes and dreams for this year, but you are also the shepherd for the hopes and dreams of your fellow club members, who will look to you to make this your club's best year ever.

I truly believe that the best leaders lead by example. By sowing the seeds of love yourself, I guarantee that we will reap a bountiful harvest of humanitarian service. Live by the highest ethical standards in your Rotary lives, and in your professional lives. All of these things: empowering our clubs, increasing our membership, recommitting to Rotarian ideals of high ethical standards and community leadership, will strengthen Rotary. And as we have seen over and over again, a strong Rotary has the power to change our world. Let us go forth in 2002-03, and **Sow the Seeds of Love.**

Sincerely,

B Rattakul

Sow the Seeds of Love

R. I. Theme 2002/2003

Message From District Governor 2002/2003

It gives me great pleasure to extend my congratulations to you on the occasion of the installation of the President and the Board of Directors for RY 2002-2003.

The occasion of installation serves as a reminder to all Rotarians to rededicate ourselves to our ideal of *service above self*. The projects that your club has carried out for your community have been noteworthy. Nevertheless, this is a time to reflect on your past achievements and to ask whether they have truly met the needs of your community.

All of us dream of a safe, peaceful, happy and prosperous world with justice and equality for all. But a dream will remain a dream unless there is action. We, as Rotarians, can *Sow the Seeds of Love* to realize that dream – through building a strong service-oriented club as a means to provide service and care for the needy, the disabled and the less fortunate; through practicing and promoting good ethics; through nurturing the new generations to be service-oriented, caring and sharing; through providing opportunities for people of different nations to interact professionally, socially and culturally as a means to develop true understanding of one another.

Let me take this opportunity to congratulate the Outgoing President and his Board of Directors for a job well done.

Seetha and I extend to all of you our warmest regards and look forward to sowing seeds for a very satisfying and rewarding year of service together.

Message from Guest of Honour

First and foremost my sons, Carl and Martin and I myself would like to thank the Rotary Club to Teluk Intan for extending their kind invitation to the 51st Presidential Installation Dinner of the Rotary Club of Teluk Intan.

It is indeed an honour and privilege to be here this evening as the Guest of Honour, specially to witness the installation of the new President, IR. NP. Thoraijal, who incidentally is the second member of the staff of United Plantations Bhd to be elected as the President of the Rotary Club of Teluk Intan. The first was Mr Leo Abbesen who was the Rotary Club President from 1963 to 1965.

I have noted with interest that the Rotary International President Rt. Hon Bhicai Rattakul has selected the theme for year as *SOW THE SEEDS OF LOVE*, which is indeed a very appropriate theme in this modern age.

Unemployment, homelessness, and poverty are a growing blight on the social landscape, while others live in unprecedented luxury. Countless lives are being ravaged by child abuse, spouse abuse or sexual exploitation. More and more youths resort to alcohol and drugs. the dreadful disease AIDS, which is epidemic in many countries in Asia and Africa, is sweeping across continents at an alarming rate. According to experts this situation is only the tip of the iceberg. It is, therefore, becoming increasingly necessary to serve our community by creating awareness and by providing support.

Each one of us is utterly distinct and all of us have our own particular light. But if we want the world to see, we have to bring our lights together and become a people of light.

Rotarians are themselves like a light shining like a beacon - helping the community and fellow citizens. The Rotarians are a special group of people who are, wherever possible, willing to go out of the way to help people in need.

May I appeal to each one of you to continue to let the light in you, in your neighborhood and wherever you go. It is a big job, but together we can make a difference.

One again, on behalf of my sons, Carl and Martin, and myself I should like to thank all Rotarians for the loyal and unselfish service you have rendered to the community over the years gone by.

Thank you.

Tan Sri Dato' Seri B.Bek-Nielsen

Message from Out - Going President

The old must give way to the new but in this case the younger must give way to the senior.

My congragulations to IR. NP. Thorairaj who has been given the mandate to lead this great club. I deeply believe the entire club will be behind you to ensure another successful if not better Rotary Year to come with your able leadership. I wish to thank all the club members and Rotary supporters for seeing to the Teluk Intan Rotary Club's contribution to the betterment of manking as mankind is our business.

"Our mission is ***Sow the Sees of love*** *in our clubs, in our communities, and throughout the world."*

Message from President Elect 2002 / 2003

I am indeed greatly honoured by the faith and the confidence the members of the Rotary Club of Teluk Intan had placed in me to lead the Club for the next one year. Their confidence in me gives the courage to meet the challenges ahead and with their guidance and commitment, I will deliver my best with humility, conviction and confidence during my tenure.

It is often said that history repeats itself and I hope it doesn't, that is looking at the current downturn of the world economy, increase in poverty, deterioration of health, genocide and terrorism. I believe in view of this the Rotary International President for the forth coming year Rt. Hon Bhichai Rattakul has selected to most appropriate theme.

"Sow the Seed of Love."

This year's theme is based on RI President's belief that meaningful service comes form the heart, ie by doing and giving with love.

Quotes:

"Love is the strongest force the world possesses and yet it is the humblest imaginable" -- Mahatma Ghandi

"No one is made poor by giving love" -- Oscar Wilde

So go forth and **"Sow the Seeds of Love"** and give freely with your heart.

Last but not least I would like to thank the donors, advertisers, well wishers and our benefactors for their untiring support.

Thank you.

Your always in Rotary,

IR. NP. Thorairaj

KUALA LUMPUR ROTARY INSTITUTE

In October the District was proud to be able to host the KL Rotary Institute which was attended by 4 Rotarians from our Club and their spouses. The Rotarians enjoyed themselves and felt encouraged to bring the Club to greater heights after the Institute. It was an enjoyable time with local and foreign delegated and the presence of Malaysian Royalty, the Rotary International President Rick King, and also senior government officials.

HEALTH TALK -VITAMINE E AND THE HEART

Another health programme was organized by our club and this time it was incorporated into our weekly meeting on 7th November 2001. The main speakers were from Abbot Laboratories (M) Sdn Bhd. The crowd was lively and after the presentation there was a question and answer session and then a buffet dinner was served to the public.

CRIME PREVENTION CAMPAIGN

The month of December was the start of the fasting month and also a time for an increase in the crime rate. The club undertook to further educate the public on crime prevention. On the 13th December 2001 the Club organized an exhibition together with the Royal Malaysian Police at the "Town Padang". Once again the interactors were out in full force to help in the exhibition. Prior to the 13th over 3000 booklets were printed with information on crime prevention and also containing the contact number of all the police stations in the District. In true rotary spirit the Booklet also carried the 4 way test. These booklets were distributed to government departments and placed in areas where the public had access to such as hospitals clinics banks and also schools. The start off the day we had the Boys Brigade Bands from the 1st Kuala Lumpur Company and the 1st Teluk Intan Company to march through the town to the "Town Padang". Police personal were also there to distribute the booklets to the public. At the "padang" we were entertained with some good music from the Boys Brigade Band. Much thanks to the Rotary Club of KRISS for the use for their material on crime prevention.

Crime prevention exhibition

TELUK INTAN, Tues: The Rotary Club of Teluk Intan and police will hold a crime prevention exhibition at the town field here on Thursday.

In conjunction with the exhibition, the club will be distributing booklets containing the telephone numbers of all police stations in the district and useful tips on crime prevention.

Club president Terence Naidu hoped the campaign will be beneficial to the public in creating crime prevention awareness.

He said the band of the First Kuala Lumpur Company of the Boys Brigade will liven up the atmosphere with a parade.

The band will march through the town starting from the leaning clock tower to the field to complete its performance.

EMERGENCY FIRST-AID WORKSHOP FOR TOW TRUCK DRIVERS

This project was carried out last year by the Rotary Clubs of Perak. Seeing it as such a success we decided to have a similar project at the Hilir Perak District level on 12th January 2002. Rotary has recognized the fact that in most instances when an accident occurs the first persons at the scene of accident are the tow truck drivers. The drivers in most cases are the first to assist the accident victims pending the arrival of an ambulance. We decided to equip the drivers with basic first aid in a motor accident situation. This project was given the support of all the workshops in the district despite the fact that time had to be taken away to attend this workshop and opportunity lost. The participants must be congratulated for their civic mindedness and good example. The workshop was attended by about 20 participants and instruction was given by St John's Ambulance officers. The guest of honour was Yang Berhormat En. Mah Siew Keong AMP, Member of Parliament Teluk Intan. Yang Berhormat in his speech praised rotary for being sensitive to the actual needs of society in such a practical way and for helping to build a better community.

MEMORIAL FOR DR.GARF GIBSON

On the morning of the 13th immediately after the opening of the workshop for tow truck drivers, we moved on together with Y.B. Mah to the Hilir Perak District Hospital for a plaque laying ceremony for the late Dr. GARF Gibson. Dr. Gibson came to Malaya in 1941 with the British Army. When the Second World War broke out in the pacific, Dr. Gibson was captured by the Japanese and eventually sent to Thailand where the "Bridge over the River Kwai" was being constructed. When the war was over he joined the British colonial service and was posted to then Teluk Anson to be the Medical Officer at the Hospital. He was married to Margeret Gibson on a boat in Teluk Anson and subsequently moved on to retire in Canada. He passed away in 2000 and his last wishes were to have his ashes scattered in the Perak River. Dr. Gibson's son who is also a Rotarian in Canada contacted our club and arrangements were made to have the late Dr. Gibson's ashes scattered in the Perak River. The club then contacted some former staff of the Hospital who worked under Dr. Gibson and a small ceremony was carried out and a boat was chartered to have Dr. Gibson's ashes scattered in the river on 12th January 2002. The event was truly a memorable and touching moment. The Gibson family subsequently donated a television to the District Hospital in memory of the late Dr. Gibson. This project was reported in the local papers as well as received coverage in Canada

ROTARY AMBULANCE PROJECT

The highlight of the year was the handing over to the St. John's Ambulance Hilir Perak of a fully equipped ambulance purchased through a matching grant between the Teluk Intan Rotary Club and Rotary International District 3000 Dindigul Tamil Nadu, India & The Rotary Foundation. The handing over ceremony was held on 27th January 2002 at the "Town Padang" and a parade was organized by the St. John's Ambulance. The event was indeed very impressive with the St. John's members on parade in their bright uniforms. The handing over ceremony was attended by the District Governor Dr. Low Teong and the Orang Besar Jajahan Hilir Perak Y.B Dato' Tuan Hj. Amin Sukeri B. Dato' Ali Akhbar. Also in attendance was Past District Governor Dr. R.T. Arasu. The Orang Besar Jajahan, District Governor and The St. John's Area Commander then took the saluto during the march past. A military band was also in attendance to provide the music. The District Governor commented that this was the first time he had been part of a parade. After the handing over ceremony, the guests adjourned to the Lower Perak Club for tea and immediately after the event, an induction ceremony was carried out by the District Governor for Rtn Roland Rama Rao and Rtn Steven Lee. Earlier during this rotary year. The first member for the term Rtn Kulwant Singh was inducted by the District Governor during the Governor's visit to our club in September 2001. In May 2002 two other members Rtn Irusen David and Rtn Jeyaletchumi Kuttan were inducted by me bringing the total number of Rotarians inducted to 5 this year.

EXAMINATION AIDS

This year the club donated a total of RM 2,200.00 to needy and deserving students to assist them in paying for examination fees for the SPM and STPM examinations. Application forms were sent to all the 17 schools in the district and the club donated RM1, 600.00 for 8 STPM candidates and RM 600.00 for 6 SPM candidates.

POLIO PLUS

Once again our club joined Rotary International's ceaseless effort to eradicate polio from the face of the earth by the year 2005 by this year contributing USD100 to the Polio Plus Fund.

PRIDE OF WORKMANSHIP AWARD

This is basically an award to recognize the members of our community who show dedication to their careers or vocation. We have in the past recognized firemen, policemen teachers, member of the press bankers etc. This year we decided to recognize the manufacturers in our District. A dinner was held in conjunction with the event and 10 awardees received their certificates and also a hamper from our guest of honour Mr. Rajendram PMP, PJK who was the Past Vice Chairman of the Federation Of Malaysian Manufacturers, Perak and currently Vice Chairman Perak Entrepreneur Skill and Development Centre.

ROYAL AUDIENCE WITH HIS ROYAL HIGHNESS THE SULTAN OF PERAK

Last but not least it is has been traditionally the practice of Duli Yang Maha Mulia Sultan Azlan Shah the Sultan of Perak to grant a royal audience with all the president of various Rotary Clubs in Perak. This year's audience was granted on 12th June 2002 at the Istana in Ipoh and I was indeed privileged to represent our club on this occasion. Tuanku was interested in the projects Rotary carried out in the State and it was indeed a memorable occasion.

Message From Rotary International President 2003 / 2004

28 June 2003

Roland Rama Roa, Club President
The Rotary Club of Teluk Intan, Perak, Malaysia

Dear President Roland Rama Rao, New Club Officers, and Fellow Rotarians,

My sincere best wishes to all of you and congratulations to all the Club's Officers as they are installed for this new Rotary year 2003-04.

As the Rotary leaders for this year, you are also very important members of the Family of Rotary, a unique group that encompasses not only 1.2 million members but also their spouses and other family members who provide such critically important support to Rotary's service efforts. It is in our Rotarian nature to offer help wherever it is needed, and in 2003-04, I will ask Rotarians to actively seek out even more opportunities to **Lend a Hand**.

This will be an exciting year for all of Rotary, the final year of our first century of humanitarian service. It will be a time when the intelligence, compassion, and leadership abilities of all Rotaryofficers will be fully employed in advancing Rotary's mission throughout the world.

Let us begin the 2003-04 Rotary year with our hands outstretched, ready to help our brothers and sisters in need. Working together, there is no limit to what the helping hands of Rotary can accomplish.

Kind regards,

Jonathan B. Majiyagbe

Message From District Governor 2003/2004

28th June 2003

Dear President Roland,

Congratulations to you, and to the Board of Directors of your Rotary Club, on this historic and memorable day in your Rotary career.

The Rotarians of your Club have honored you and your Board by electing you to lead them. They have placed great trust in you and your team. I am confident you will steer your Club to great heights during our year together.

I am therefore delighted to write this message for your Installation. I wish you the very best during your year as President. If you need any assistance from the District, please do not hesitate to request for it. My District Officers and I are just a phone call or an e-mail away.

We are leaders in R.I. President Jonathan Majiyagbe's Happy Healthy Dream Team. Let us dream and come up with novel ideas about how to "Lend a Hand" to our Fellow Rotarians for fellowship and cooperation, and to those members of our society who need our assistance. Let us give dignity to the life of the not so fortunate, both in our country and overseas.

I see a great future for you, for your officers, and for your Club. Keep the flag of Rotary flying high with pride and respect.

Above all, ENJOY ROTARY. **"LEND A HAND"**, and touch others so that thet may enjoy it too.

Message From Guest of Honour

First and foremost, I would like to express my heartiest gratitude for inviting me to write a short message in conjunction with your spectacular event Rotary Club of Teluk Intan 52nd Installation Banquet.

Congratulations to Outgoing President Rtn. Ir. NP. Thorairaj and his Board of Directors for Leading the Club and Completing many projects, like Anti Dengue campaign, it is wonderful to know that Rotary has brought awareness to the people around the Lower Perak District the dangers of adeas mosquito and dengue fever, which have benefited the community in this district.

I am pleased to note that The Rotary Club of Teluk Intan in entering its 52nd year of service, has over the years made significant contributions towards this end.

I congratulate Incoming Rtn. Roland Rama who will be installed as the 52nd President and I am sure you and your new Board of Directors will continue with the achievements and traditions of your club.

Thank you, Rotarian for this opportunity to work together for the benefit of the community of our beloved country.

Best wishes to all.

Sow the Seeds of Love

Message From Out-Going President

It has been my pleasure, privilege and honour to be elected and entrusted with the Presidency of the Rotary Club of Teluk Intan for the last one year. - RY 2002 / 2003.

As tradition calls, a successor had to be elected or chosen to lead the club for the ensuing 12 months. The members of the Rotary Club of Teluk Intan have elected Rtn. Roland Rama Rao PHF. Although young in Rotary, he has exhibited many exemplary qualities worthly of the high office. I wish him and his band of officers well.

During the year we had three major projects and many minor ones, although not as many we wish we could have carried out. But the projects we undertook have very far reaching impact and implication on our society. The major projects were:

* Vocational Awareness Education Scheme for School Leavers
* Anti Dengue Awareness Campaign for the Public
* Wheel Chairs for the Handicapped Citizens of our Community

In line with the current year's theme **"Sow the Seeds of Love"** we have sown the seeds and initiated these projects to be carried out annually. As with the new RY's theme we will "Lend a Hand" to make all the undertakings of the club a success.

My Ann joins me in thanking all the donors, benefactors, various organisations, Government Departments and members of the Public as well as the club who had assisted me throughout the year in one way or other.

I would like to take this opportunity once again to congratulate the incoming President Rtn Roland Rama Rao and his Board of Directors and wish them well and every success during this tenure in office.

Message From President 2003/2004

28th June 2003

Dear Fellow Rotarians,

Let us twinkle into the Stars and see the glow of the lights and reflect on ourself that what are we here for in Rotary.

To "LEND A HAND" to touch the lives of the underprivileged not so fortunate and even to our families, friends and enemies to make it a better place to live in.

Order of the day is to be a GREAT ROTARIAN. We have to accept the wheel of change according to time and time will not wait for you for we will get what we have always got.

I am indeep graced with a job to see that new Stars are born and will keep twinkling to reflect ourself and our deeds in Rotary.

Above all Enjoy Rotary and let's put our hands together to make it a good, great and rewarding year for all of us.

I would like to thank the donors, advertisers, well-wishers and our benefactors for their untiring support.

Last but not least "SYABAS" to my Organising Committee to make this occasion a great success.

Thank you.

CLUB SERVICE

Director Mohd Amin

Service Avenues

Club Service is Rotary first Avenue of Service. Without this service, the club cannot function smoothly nor can members feel satisfied about the meeting & fellowship. Talks & programs were organised for many of our meetings. Among the more interest talks organised were "*Life in an Offshore Rig*", "*Island Disputed Territories in the South China Seas*", "*AIDS Awarenss*" , "*Aedes Mosquitoes & Dengue*" & "*Vitamin E*". We also have a core group of in-house speakers like Rtn. Ng Wooi Ying who kept us up to date on news about the economy & Rtn Amin with his Health Tips & Rtn. Kulwant Singh with his "Chicken & Farm" stories.

The club celebrated its 50th anniversary on the 11th August 2002. A fellowship dinner was organised on the 14th August 2002 complete with cake, lucky draws, karaoke sessions & 50th anniversary pins.

During District Governor Dr N Lakhamanan Official visit to the Club on the 19th September 2002, two new members were inducted – Rtn. Mrs. Surendra Kaur & Rtn. Lee Yee Lam. However, we lost two members this year – PP Tan Cheng Chin PHF & PP Tan Swee Hoe RFSM. The members & President of the Rotary Club of Teluk Intan would like to record our thanks to their valuable contributions to the club over the years.

Attendance at club meetings were not very encouraging as we only manage to get about 75% attendance and ranked 28th in the District. However, we do have members who are have 100% attendance. The members are PP Goh Aik Guan , President Ir. Thorairaj, PP Dr. Rajindar Singh, Rtn. Surendra Kaur, Rtn. Steven Lee, PP Wong Lee Kong , Rtn. Ng Wooi Ying & PP Choy Peng Soon.

Lastly, a fellowship night was held on the 21st June 2003 at the President's residence overlooking the Bernam River. Rotarians & their families were invited and everyone had a good time.

COMMUNITY SERVICE

Director Roland Rama Rao

The Anti-Dengue campaign kicked off on the 1st March 2003 in Taman Ishaq , Hutan Melintang with the co-operation of the Health Ministry & the Local Town Council. The guest of honour was the Honorable Deputy Minister of Health, YB Dato' Seri Dr. Suleiman Mohamed.

A wide area in the Hilir Perak was targetted and fogging carried out. The areas includes Bagan Datoh, Rungkup, Simpang Ampat, Changkat Jong and resedential areas in Teluk Intan like Pekan Bharu & Taman Cecily.

In addition, educational & information material about Aedes & Dengue were distributed in areas where the foggings were carried out.

The Club collected RM8,000.00 for the "Sponsor-A-Wheelchair" project. With this money, we have secured 40 wheelchairs. 20 units of wheelchairs were handed over to Bethany Home on the 9th May 2003 in the presence of our Honorary member, Tan Sri Dato' Seri B. Bek Nielsen PHF who is also the patron of the Bethany Home.

During the year we also gave three students examination fee aids amounting to RM383.00. A pair of glass was donated to a young & bright child in SJK (T) Ladang Rubana. A young girl who was handicapped since birth was also the recipient of a wheelchair thus enhancing her mobility.

VOCATIONAL SERVICE

Director Steven Lee

Seminar Cum Exhibition On MLVK For The Public. The project was held at St Anthony School's hall on the 19th October 2002 (Sat) with the cooperation from the National Vocational Training Council.

Pride Of Workmanship. The theme for this year was to recognize the government nurses. Unfortunately, this project has been cancelled because of th recent outbreak of SARS.

Distribution Of 4 Way Test. 1,000 pieces of stick-on mouse pad were made for sale to members & through the Interact Clubs. Design of the mouse pad was opened to the 3 interact clubs and the chosen design was from Interact Club of St Anthony School.

Motivational Talk To Interactors

The topic on A.I.M. (Ambition / Acquire, Interest / Identify and Manage / Master) was held at Sek. Men. Convent at 1.00pm on 17th April, 2003, followed by St Anthony School on Interact Open Day @ 1.30pm on 09th May 2003.

The talk touches on nurturing the students to excel in their own talent rather than concentrating too much on their individual academic qualification. Schoolheads, parents and teachers nowadays are focusing on their students to score more As than identifying and building each student's talent.

The talk teaches students to identify their core strength and find ways to build their skills and talents in the area of interest. The students will have a general idea about their ambition and whether it is acquirable, look into their interest and identify the ones they do best and finally manage and master that interest.

INTERNATIONAL SERVICE

Director Shanmugavelu

The International calendar kicked off with the First RI Presidential Conference on the 9-11th Aug 2002 at the Renaissance Hotel, KL followed by the Intercity with International President Bhitchai Rattakul on the 12th Aug 2002 The Peace Conference was also held concurrently. Clubs members who attended were AG Dr. Rajindar Singh, Rtn. Surendra Kaur, Rtn. Kulwant Singh & Rtn. Roland Rama Rao.

Dr. Rajindar Singh & Rtn. Surendra Kaur then attended the Manila Institute on the 25th October 2002 and finally the RI Convention in Brisbane at the end of May 2003 with by Dr. Rajindar Singh, Rtn Surendra Kaur & Rtn. Jaya Letchumi Kuttan in attendance.

The Rotary Club of Teluk Intan is the only club in District 3300 that recorded 100% contribution towards Polioplus. 3 members made contribution towards the Paul Harris Fellow – PE Roland Rama Rao, Rtn. Surendra Kaur & Rtn. Kulwant Singh.

NEW GENERATIONS

Director Ng Wooi Ying

The club has 3 Interactors clubs under its wings – HMSS, St. Anthony & Convent. Rotarian advisers were represented at all Interactor Board meetings & Joint Council meetings.

The Interactors were send to the 34th Interact Conference from the 7-9 September 2002.

A participant was send to RYLA hosted by the RC of Bandar Sunway from the 19th – 22nd December 2002.

An AIDS Awareness program was also held for the Interactors on the 18th December 2002 at the Lower Perak Club.

Message from Rotary International President

To all Rotarians in District 3300

Dear Fellow Rotarians,

It is my great pleasure to offer a warm greeting, and my best wishes to all of you.

2004-05 is an unparalleled year for all of Rotary. There are few organizations that last one hundred years. The fact that Rotary has reached this important milestone is a sign that there is a tremendous need and support for Rotary service.

As you look forward, it is appropriate to reflect upon your district's achievements. However, do not simply congratulate yourselves for a job well done. Instead, a district must draw inspiration from past success to help face the challenges of a second century of service. And like all great challenges, it will be richly rewarding.

This second century of service will be a time when the wisdom, humanity, and the capabilities of all districts will be entirely devoted to advancing Rotary's mission throughout the world. Now, during this unique time in our history, I am asking all Rotarians to vigorously strive to **Celebrate Rotary**.

After one century, we come from more than 160 countries of the world. Together we share a common aim for strengthening our community, our international bends, and now, our goals for the Centennial. Together we will **Celebrate Rotary** by performing countless acts of service in our clubs, our vocations, our communities, and our world.

By sharing Rotary with others in fellowship and service, we will Celebrate a Century of Service. Celebrate a New Century of Success, and most of all, **Celebrate Rotary**!

All my best,

Glenn Estess

Centennial President V. Iruson David
Rotary Club of Teluk Intan

Dear President V. Iruson David,

It gives me great pleasure to congratulate you and your Board of Directors for being chosen to lead your Club in this Centennial Year.

Your appointment is unique as it is you and your Board who will lead by example and propel your club into the next Century of Service – A New Century of Success.

This is the only Centennial Year we have and we have to perform and give our very best in all our efforts to make a difference in peoples' lives. Remember our motto – Service Above Self and the Four Way Test – in the performance of your duties as Club President.

Find ways to involve your Family of Rotary in fellowship and service events in order to create and nurture an atmosphere of warmth, care and compassion. This will go a long way to strengthen our membership bond whilst attracting new members into the Rotary World

By achieving our centennial goals for Polio Plus, membership growth and Every Rotarian, Every Year we will Celebrate Rotary.

Most of all, together we will Celebrate Rotary by performing countless acts of service – in our clubs, our vocation, our communities and our world.

"Celebrate Rotary!"

Message from Guest of Honour

First and foremost, I would like to express my heartiest gratitude for inviting me to write a short message in conjunction with the Installation of your 53rd President.

The members of the Rotary Club of Teluk Intan had over the years adhered to their motto of "Service Above Self" and had carried our numerous activities for the benefit of the Hilir Perak community.

Please accept my congratulations for your fine work and contributions to society.

I strongly believe that under the leadership of your new 53rd. President, Rtn. V. Iruson David, your organisation will continue to rise and shine in all your endeavours.

I look forward to working together with your organisation for the benefit of community and country.

Best Wishes.

Lend a Hand

Message from Outgoing President 2003 / 2004

Time has come for me to bid farewell, just as I am beginning to enjoy my presidency. Change of guards is a yearly philosophy of Rotary. Presidents come and go but what is important is to be a great Rotarian, one must accept the Rotary Wheel of Change according to time to meet new challenges. Paul Harris started Rotary as a business fellowship which today has grown into a tremendous service organisation.

Tonite the glitter of the stars you are about to see are the images of a prohesy come true when I took office a year ago. My Board of Stars is reflected in the 16 projects achieved in my Rotary year 2003-2004. Their support enabled me to accomplish successfully my President's commitment to Rotary leading to the Presidential Citation Award from Rotary International. Thank you my stars.

In recognition of RC Teluk Intan's commitment to Lend a Hand to alleviate poverty and promote peace and its support of the Family of Rotary through Rotary services, the following projects were undertaken:-

1. Lending a Hand to RC Kuala Kangsar in their call for assistance of a wheel chair - a continuation of the wheelchair project from (2002-2003).
2. Utamakan Keluarga - a seminar enhancing the family values on marriages, responsibility, conflicts and solution.
3. Participation of the 3 interact school clubs in the conference at Taiping.
4. Formation of sister Club Yala, Thailand, after 50 years, we reached across to our neighbouring country in the Rotary spirit.
5. The Group Study Exchange Team from District 2360 India was hosted by RC Teluk Intan for 3 days 2 nights.
6. Distribution of Luminous Vests to rural school teachers in Cambodia doing a joint project with RC Kinta.
7. Education Fair for information on tertiary education for school leavers.
8. Participation in the Centennial Cyclathon with RC-Ampang - 30 mountain bikes were donated for the needy children of Teluk Intan.
9. Launching of Cyclathon in Teluk Intan where the bicycles were distributed.
10. The Luminous Vests for safety project undertaken by 5 clubs in the district which was launched by the Minister of Road & Transport at North Port, Klang.
11. Gotong Royong with City Council in conjunction with celebrating change to Municipality of Teluk Intan.
12. Bethany Home Food Fair for the mentally and physically handicapped.

Under The Tasks Force of avenue of services.

Family of Rotary

Fellowship with PP Ronald Cleland from RC of Port Elizabeth District 9320 South Africa. Intercity meet in Kota Bharu and visit to Golok. Fellowship with Japanese youth exchange student, Karen Kawaguchi. Joint meeting with RC Putrajaya, 30 Rotarians inclusive of spouses and children went on visit to Prime minister's Residence and Time Square. Members and families attended intercity meet in Hadyai, Thailand for the signing of the sister club of RC Yala. Fellowship night hosted by President for members of Group Exchange Team from District 3360 India. Fellowship by Rotarians, spouses and children at the 69th District conference at Shangrila Hotel, KL. Fellowship with Ms. Laddaporn Chaiyakul an Educationists from Yala, Thailand at Riverview Restaurant. Rotarians, spouses and children participated in District Assembly in Penang. Rotarians, spouses and children also participated in the fellowship of new year celebration of the Chinese, Malay and Indian culture with fellowship at members' houes.

Literacy & Education

Adoption of Sekolah Semangat Maju for the intellectually handicapped and disabled wherein food parcels and goodies were distributed to the children on their festives and birthdays. A colouring competition was organised with prizes. Audio-video, VCD and printer was donated. Sports equipment were also donated. Dental treatment with the aid of the Dental Clinic and staffs was given to the children. Gotong-royong and landscaping by the interactors of Convent Secondary School.

Alleviation of Poverty

Education Fund providing financial assistance to school children with good results.

Health Concerns

President project for the year 2003-2004 the HIV/AIDS Fund for the people infected and affected by the disease. Drug assistance programme became timely available for two mothers infected with the disease. The task of monitoring and sustaining programme for the two families becomes our responsibility to enable them to become self reliant with the financial support of the public.

As we proceed into the centennial year its appropriate to reflect upon our achievement not at its peak but as a foothill to draw inspiration to face a second century of service with renewed sense of urgency beset on today's challenges.

To celebrate Rotary will be to address the vast humanitarian needs using the full weight of our experience. Rotary International President Glenn E Estess Sr called on all Rotarians to focus their efforts in the four key areas of the Family of Rotary, health concerns, literacy and education, water management.

Every member of the Board had worked hard and contributed greatly towards the goals attained and I thank them for their support. I also thank all Rotarians and Anns who had volunteered their services in all projects. More so I wish to express my sincere gratitude to all Rotarians for their tolerance showed to me when I put the Rotary wheel in Motion during my term. It was worth while as it was service aboveself.

I leave behind a rich legacy to cherish and to be carried on by my successors. My advice to my successor is that a president walks on a tight rope with a balancing act, to keep the club in harmony-not forgetting achieving his goals without fear or favour for the sake of humanity. Service and camaraderie go hand in hand in Rotary. I wish Pres. V. Iruson David and First Lady Ann Pragasam together with his Board (2004-2005) well and to LEND a Hand to Celebrate Rotary into the centennial year to greater heights.

To my organising committee, donors, benefactors, government and non-government organisations, friends and guests I wish to express that without your support there is no Rotary.

Thank You

Roland Rama Rao

Message from Incoming President

It is indeed an honour and privilege to be elected as the 53rd President of the Rotary Club of Teluk Intan. This position comes with heavier responsibilities "Accept the Challenge". The source of the Rotary theme lies in the long standing belief that every undertaking must have a mission. One must have total faith in the cause, otherwise we will never be able to enjoy the true sense of satisfaction. One must also believe that it is nobler to serve others than to serve oneself.

After almost a century of dedicated humanitarian service to all mankind. Rotary has carved a niche in the world history by being an organization that is ever ready to provide "Service Above Self" in answering calls for assistance and especially in 'Lending a Hand'.

I and my Ann, P.Pragasam wish to convey our appreciation to the organizing committee, who have done well in putting together the installation comprising of a good number of Rotarians, Anns and family members as participants. Keep up the good team work and team spirit. May we always meet with success in each and every Rotary Mission Undertaken.

On the noble note of caring for those in need, to promote international understanding, goodwill and peace, please join us to invoke the blessings of Almighty God to bless this gathering and to keep up good work. Let us "Lend a Hand" to "Celebrate Rotary".

I look forward to working with each of you during our Centennial year.

With warmest regards,

Objective

We adopted Sekolah Semangat Maju - a school for the intellectually disabled children for this Rotary year.

There are 12 children and two trained teachers in this school. The school is run mainly on public donations and a small grant from the Welfare Department. However the school lacks in teaching aids. Our aim was to provide assistance to the school and to visit the children at least once a month.

Numerous activities as listed below were carried out throughout the Rotary year 2003-04. Rotarians, their spouses and children actively participated in all these activities.

Projects Completed

1. On 17th July 2003 members visited the school and celebrated the birthday of one of the students. Food parcels were distributed to all the children.
2. On 14th August 2003 a colouring competition was organized and prizes were given. An audio-video set along with a set of VCDs were donated to the school. The children were treated to KFC and ice cream.
3. On 18th September 2003 sports equipment viz. badminton racquets, shuttle cocks, net, football and softball were donated to the school. The children were treated to KFC and ice cream.
4. 8th October 2003 - In conjunction with the District Governor's visit, Educational Charts were donated to the school. A student's birthday was celebrated and the children were given food parcels.
5. 17th October 2003 - A dental check up was organized with the help of Dental Officer and Health Staff from the Dental Clinic. All the students were given the necessary dental treatment. All their parents were also present.
6. 11th March 2004 - A computer was donated to the school. The children were given drinking bottles and health drinks.
7. 27th March 2004 - Fifty Interactors from SMK Convent cleared and landscaped the school compound.
8. On 16th June 2004 a printer was presented to the school and the children were given food parcels.

I would like to thank all the Rotarians and friends of Rotary for all their contributions in cash and kind. Without their support we would not have achieved our objective of lending a hand to this school for this Rotary year.

Clubs to lend a hand in Cambodia

By MAZNI MUSTAFA

A JOINT team from the Rotary Club of Kinta and Rotary Club of Teluk Intan will be leaving for Cambodia to present basic teaching materials and refurbished dental equipment costing about RM30,000 to five primary schools and a university in Phnom Penh.

Rotary Club of Kinta president Dr R. Mahendran said he and community service director Dr S. Sivaneesan, Dhoni Singh and the Rotary Club of Teluk Intan president Rotarid Rama Rao would be leaving for Phnom Penh on March 13.

The teaching materials would be distributed to the primary schools identified by the Rotary Club of Cambodia on March 15.

The refurbished dental equipment would be presented to the Cambodian Dental University Dean Prof Sann Phiny in the afternoon on the same day, he told in an interview in Ipoh.

Also present were past presidents of Rotary Club of Kinta P. Subramaniam and Peter Poon, and secretary of Rotary Club of Teluk Intan P. Jaya.

Dr Mahendra said the aid to Cambodia was a project under its International Community Service Programme carried out in line with this year's Rotary's theme – 'Lend a Hand'.

"Basic facilities are so scarce and sometimes not available in Cambodia due to war and civil unrest.

"We hope our little contribution will help to alleviate the burden of some of the people there," he said.

Dr Mahendran thanked the state Dental Department director Dr M. Raghunandan for helping the club in acquiring the dental equipment.

"We have refurbished all the equipment to ensure they are in good working condition," he said.

He also thanked the owner of the RML Livestock company for offering a free service to transport the aid from Kelantan to Cambodia on March 8.

ROTARY INTERNATIONAL

June 2005

Incoming Club President Tong Seow Kai Chuan and Incoming Club Officers of The Rotary Club of Teluk Intan.

Dear Fellow Rotarians:

It is mya pleasure to congratulate you all on your installation as 2005-06 Club Officers.

As 2005-06 Club Officers, you have a very special responsibility. This is the beginning of our second century of leadership in service to others. It is also a time when I am asking Rotarians everywhere to recommit to the principle of ***Service Above Self***. Service organizations like Rotary International play a vital role in today's society and will play an even more important role in the future. There are two words that are key to our success-cooperation and continuity.

Rotary has set a standard on how cooperation and continuity can work among society, the private sector, other foundations and service organizations through its PolioPlus programme "to interrupt the transmission of the wild polio virus." For more than 20 years, Rotary International has cooperated with the United Nations, through WHO and UNICEF in this programme and we are now looking forward to a giant success story.

Cooperation, however, does not have to be on a global basis, it must also be on the local level. Districts, or clubs, are likely to reach further in cooperation than each party could possibly do working individually.

All the fields in which Rotary is working are huge-health, hunger, literacy and water, just to mention a few. None of these issues can be solved over a short period of time. If that had been possible, the problems would already have been solved. This is why continuity at all levels is so important.

To work for a better world for all people is like putting together a giant puzzle. Every participant will have to help in placing the pieces. Through ***Service Above Self***, Rotary International is working to make its pieces and its contribution as large as possible, and in doing so we continue to show the world the great leadership of our organization. As the leaders of Rotary at the club level, it is up to you to carry this vision into our next century of service.

Kind regards,

CARL-WILHELM STENHAMMAR
President RI, 2005-06

MESSAGE FROM

DISTRICT GOVERNOR

SERVICE Above Self

Dear Presidents-Elect,

pioneers for the 2nd Century of Rotary Service. Thank you for coming forward to serve Rotary as PE for RY 2005/2006. Even though you are officially taking up The office of Presidents of your Clubs on 1 July 2005, you have to start to labour from *right now* already if you want to be organized and prepared for a good, successful and enjoyable year in office. I am confident that you will achieve a memorable year by simply enjoying and having love for the job you are going to do. As the RI President of 2002/03, Bhichai Rattakul, so succinctly put it once, *"When love is infused into our actions, we do not stop to question the time or money we are sacrificing. We are inspired to do more, to give more. Love is the motivating force behind all of Rotary's best work."*

So, LOVE thy Work and thy path shall be smooth and happy.

Yours sincerely in Rotary Service

DG Dr Ken Khoo

MESSAGE FROM

OUTGOING PRESIDENT 2004/2005

Another Rotary year has just passed
100 years of services to humanity

It is my pleasure to say how happy we all are to be associated with Rotary International in celebrating the past decades of service to our fellowmen in need within our Rotary District.

I come to the fact that for the past one year, despite all our iniquities and challenge we faced, our club managed to carry out quite a number of projects that have benefitted the community.

My hopes and dreams for the club would have still remained as hopes and dreams, if not for some individuals. The most important people behind these successes were my wonderful team of Board of Directors whose cooperation, hard work and time sacrificed to serve the club is commendable. I must admit that organising a project is far more challenging, frustrating and difficult. The labour and effort the organising committees have put in has finally paid off and I am very happy to inform all of you that we have finally achieved our goals for this year.

For this

NANDRI, THANK YOU DAN TERIMA KASIH

Youths have always been in our minds and special attention has been accorded to the Interact Club. Interactors of HMSS, Convent and St. Anthony have done well and received recognition from our District Governor.

Our Rotary Anns - the Charming ladies behind the scenes were always dependable and there when needed, their presence and support in the implementation of our projects is worthy of praise. Their contributions have been invaluable.

All this would not have been possible if not for the inspiration that we derived from RI President Glenn E.Estess and District Governor Dato' IR.A.P.Perumal. My sincere gratitude also goes to our Assistant Governor PP. Abu Bakar for his advice and support.

I wish to put on record my sincere gratitude to all those personal friends and friends of Rotary who have supported Rotary through sponsorship and gifts and also to these who have generously answered to our appeal for support both in kind and contribution.

I would like to congratulate Rtn Fong Seow Kai Chuan who will take up the presidency and would like to wish the new board success.

MESSAGE FROM

INCOMING PRESIDENT 2005/2006

It is a great honour and priviledge to be elected as the first lady president in 53 years of history. I was the first lady rotarian & tonight I have been installed as as 54th President of the Rotary Club of Teluk Intan for the year 2005/06. Although I am young & relatively new to Rotary, the faith and confidence that members had placed in me gives me the courage to meet the challenges ahead.

On 11 August, our club will reach the ripeful age of 53. The club has the distinction of being the oldest post war club and the 7th oldest club in the District 3300. There were many outstanding & beneficial projects carried out by our club. In our endeavor to continue in our march to provide excellent service, it is time to review on our past achievements and to ask whether our objectives have truly met the needs of our community and nation. Hence, our first projects is go to the grass root by inviting representatives from various community service associations to come forward to enlighten us on how rotary can do to help in the service to mankind.

I am proud to be elected to lead the first chapter of second century of service. The theme of the Rotary International forth-coming Rotary year is "Service Above Self." During the course of my tenure, I shall use the concept of Service Above Self as a base, to conduct meaningful activities and service project. It has always been believed that it is more blessed to give than to receive and do for others what you want them to do for you.

I wish to express my sincere thank to the general public for their support in their generous donation towards our Rotary Charity and Scholarship Fund. I would also like to record my gratitude and appreciation to our donors, advertisers, members of the press, our guests and friends of Rotary for your continued support and presence this evening.

Thank you.

"Blood is a vital substance which sustains life for each and every one of us. Everyday there are patients in our community who require blood transfusions to recover from surgery, Serious accidents or illnesses. There is no substitute for this substance. Volunteer blood donors are its only source." With this in mind, the Rotary Club of Damansara-West organises this National Blood Donation Day across Rotary District 3300 involving a total of 16 clubs. It was simutaneously held at 11 towns throughout District 3300 on Saturday 25th September 2004. This event was jointly organised with the support from the National Blood Bank.

Service Avenues

It is in conjuction with Rotary International to celebrate 100 years of service to humanity. Our Rotary Club of Teluk Intan held it in Complex Menara Condong and response from the public was good. A total of 88 volunteer blood donors comprising 55 were males and 33 females. All the donors received a mystery gift each from our club and the event ended at 3.00pm. This event was publised in the Sin Chew Daily Press on 22nd and 29th September 2004, and Nanyang Press on 12th Oct 2004.

The Children's playground was the projection from the paediatric doctors from the Hospital of Teluk Intan's namely Dr Nizam Malik, Dr Khor Chee Tiong and Dr Fabian Mathews who brought it up to our club for assistance. With the advise from our PP Dr Rajindar Singh, we took up this project and nominated Rtn Surendra Kaur as OC. The board approved a budget of RM10,000 to provide selected playground items, laying of pearl grass and the repainting of the existing bus stand which was erected by our club during Rotary Year 1992-1993, was in shabby condition.

The project was completed and official launch on 11th December 2004 by our IPP Roland Rama Rao with the hospital director Dr S.Thevarani. It was publicised by the Sin Chew Daily Press on 16th December 2004 and appeared in the STAR on the 6th January 2005. Total cost of project was at RM 8,486.90 which was the contribution from our own rotarians.

Rotary at Work - 100 Service Hours Marathon 2005 with it's project titled "Caring for the Public was held on 21st April 2005 from 1900 hours till 2200 hours at Fajar Supermarket, Teluk Intan. This project was carried out by the members of Rotary Club of Teluk Intan assisted by their spouses and Interactors from the three schools. Members from the newly chartered Rotary Club of Batu Gajah also participated. Health screening was carried out by the staff from the District Health Office. Blood Cholesterol estimation was carried out by Pathlab, a private lab. Members of the legal profession provided the free advice. More than 150 members of the public participated in this project.
101 had their blood tested for Random Total Cholesterol.
10% had Blood Cholesterol levels above 7.1 mmo1/1,
63 % between 5.1 - 7.0 mmo1/1 and
27% were below 5.0 mmo1/1.
116 had a General Health Screen.
6% were found to be obese
24% were overweight
7% were underweight
63% were in the normal range.
10% were found to be Hypertensive.
93 participants had their vision tested by a Rotarian optician.

On the whole, this project saw Rotarians, their spouses and Interactors working hard in hand with friends of Rotary and staff of the Health Office. It was well patronized and it achieved it's aim of publicizing the 100 years of Rotary Service and creating Health Awareness. It was also published in our local Chinese newspaper, Nanyang Press - Perak Edition on 26th April 2005.

Playground set up for sick children

Star

THE Teluk Intan Hospital's paediatric ward is a much happier place now.

A playground has been set up for children recovering from their ailments.

Roland Kanu Kan, immediate past president of the Rotary Club of Teluk Intan, said the club spent over RM10,000 to set up the playground last month.

"The hospital wanted something to cheer up the children and as district Rotary have their projects.

"It's amazing to see the children's faces light up and watch them scrambling all over the slides, see-saws and bars," he said after the opening ceremony on Dec 11.

Roland said the pool project was held in conjunction with the annual World Children's Day.

He said in his speech that the club had "adopted" two HIV-positive children seeking treatment.

The club had also distributed 500 luminous vests to rural school children.

They had also refurbished the hospital's bus stop.

They will also be distributing 30 bicycles to children who live a distance away from their schools.

The club had received a RM400,000 grant to purchase a van for the special children at The Bethany Home in Ipoh in collaboration with Rotary International's Centennial celebrations, Roland said.

Also present at the ceremony was hospital director Dr S. Sivasanjo and other officials.

Luminous vests given out

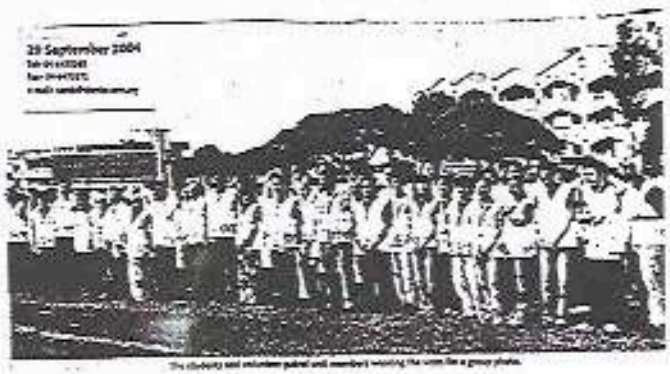
29 September 2004

THE Teluk Intan Rotary Club recently gave away 500 luminous safety vests under a road safety project.

The vests were given to students from 20 secondary schools and Tabuh Tabuh and included road safety awareness areas.

The recipients were selected with the co-operation of the District Education Department. Dr Jones and Rohan Tiruchelvam said this was the club's showcase of community service for Rotary Day.

He said the vests were part of the 4,000 given out by the eight Rotary Clubs under District 3300 which also included Kampar, Sungai Siput, Chemor, Gopeng, Batu Gajah, Tambun, Tapah and Bidor.



The students and volunteers gathered and members wearing the vests for a group photo.

RI President RY 2006-07

Dear Incoming Club Officers:

It is my pleasure to congratulate you on your installation as a club officer in 2006-07.

As you look forward to your year as a club officer, I ask you to focus on three things to strengthen your club. I ask you to make sure there is strong and effective club administration, the cost of membership gives good value, and that your club runs a variety of productive local and international service projects. Building strong clubs will allow Rotary to continue to **Lead the Way** in showing the world how challenges, needs and intolerance can be overcome through good sense and goodwill.

When nobody remembers anymore who the club officers were in 2006, the impact of the work you do will still be felt – if you do it well. If your club is stronger and more active, and if your community is a better place, that is what will be remembered.

I ask you to lead your club in the Rotary way, by living as a role model of tolerance, unselfishness, and integrity. Please join me this year and Lead the Way to a better future through Rotary. Kind regards, W.B. (Bill) Boyd President RI, 2006-07

Kind Regards,

W. B. (Bill) Boyd

MESSAGE

Dato' Jimmy T.C. Lim

District Governor, RY 2006-07

Incoming Club President Surendra Kaur
And Incoming Club Officers of
The Rotary Club of Teluk Intan

Dear Rotarians,

CONGRATULATIONS ON YOUR INSTALLATION

Brenda and I are pleased to be given the honour of writing this message for your installation dinner.

WELCOME to the new Rotary year 2006/07. This year promises to be even happier and busier under your new Board and President.

In his recent message to all Rotarians at Malmo, RI President Bill Boyd called for Rotarians to LEAD the Way with bold and confident steps. Rotarians, he emphasised should not be content just to stay where they are now. Status quo is not enough.

They should find new and bold ways to create service for humanity. At the same time there is no harm to repeat or give the proven successful strategies a chance to thrive or improve on.

The Presidential emphasis for the incoming year have remained for health and hunger, literacy, water management and concern for the family of Rotary.

In the District, we have added our emphasis on development of our New Generation sections for Interactors, Rotaractors and youth. We also urge you to carry out public image exercises.

As you develop your great activities for the cause of humanity don't forget to give consideration to activities for the family of Rotary.

Don't forget also the Presidential Citation.

Brenda and I send our best wishes to the new Board: Love Rotary, Love humanity and LEAD THE WAY to another NEW YEAR of great service.

Yours in Rotary Service,

Dato' Jimmy T.C. Lim
District Governor 2006/07, District 3300

MESSAGE

Dato' Haji Mohd Amin Shukeri

Orang Besar Jajahan, Hilir Perak

It gives me great pleasure to congratulate President Surendra Kaur on being installed as the 55th President of the Rotary Club of Teluk Intan.

I understand that the Rotary International's service to humanity is now into its 102nd year. I have read and heard a great deal about Rotary International's humanitarian efforts for the less fortunate all over the world. Your efforts to eradicate poliomyelitis from the face of this earth is commendable and this is one program that all Rotarians can be proud of.

The services rendered by the members of the Rotary Club of Teluk Intan throughout your 54 years of existence transcend race, colour or creed as Rotary is a non-political, non-religious and non-racial organization. You all have touched the lives of many in this part of the world.

"Lead the Way" the Rotary Theme for this year is timely. I believe through strong commitment, good teamwork and strong leadership you will lead the club to greater heights.

To all the members of the Rotary Club of Teluk Intan I wish you all a successful 2006-07 Rotary Year.

Dato' Mah Siew Keong

Ahli Parlimen, Kawasan Teluk Intan

First and foremost, I would like to express my heartiest gratitude for inviting me to write a message in conjunction with the Installation of your 55th President.

The members of the Rotary Club of Teluk Intan have over the years adhered to their motto of 'Service Above Self' and carried out numerous activities for the benefit of the Hilir Perak community.

I would like to congratulate the outgoing President, Fong Seow Kai Chuan and her Board of Directors for your fine work and contributions to society.

I strongly believe that under the leadership of your new 55th President, Rtn. Surendra Kaur your organization will continue to rise and shine in all your endeavors.

I look forward to working together with your organization for the benefit of community and country;

Thank you.

YB. Dato' Mah Siew Keong DPMP. AMP.

MESSAGE

Fong Seow Kai Chuan PHF

President, RY 2005-06

In line with tradition, it is time for the changing of the guards. The old gives way to the new and the commitment towards SERVICE ABOVE SELF continues.

My year as President of Rotary Club of Teluk Intan has been gratifying and one of great satisfaction. I was the first lady President and I have led the way in the beginning of the second century of service to humanity. This is the first time in the history of our Club that three ladies will hold the helm as Presidents consecutively.

I am proud to announce that District Governor Nominee Dr. Rajindar Singh was elected in 2005/2006.

Moreover thirty two percent of our members served in the District during my year and there were three Past Presidents holding major posts as Chairmen.

Rotary year 2005/2006 has ended and I vividly remember how all the community projects were carried out smoothly and successfully as planned. It has been a rewarding year. I would like to take this opportunity to thank all my fellow Rotarians for their support and assistance that they have rendered to me. My gratitude goes out to the Past Presidents who were ever willing to share their Rotary experience and knowledge and the Board of Directors who served with diligence.

Lastly, I would like to extend my congratulation and best wishes to Incoming President Surendra Kaur and her Board of Directors for a very fruitful and successful Rotary year. I trust that she will LEAD THE WAY with the spirit of SERVICE ABOVE SELF and bring our club to greater heights.

Fong Seow Kai Chuan PHF
President, RY 2005-06

MESSAGE

Surendra Kaur PHF

President, RY 2006-07

It is indeed an honour and a privilege to have been elected as the 55th President of the Rotary Club of Teluk Intan for the Rotary Year 2006-07. I wish to express my deepest gratitude to all the members of my club for giving me this singular honour of leading the club to greater heights.

I would like to congratulate IPP Fong Seow Kai Chuan and her Board of Directors for the wonderful work that they have done during their tenure.

As we embark on our 55th year of service to humanity our mission is to Lead the Way. We would like to increase our membership so that we have more hands to serve the community. Our emphasis this year will be on promoting literacy and carrying out projects that specifically address the youth. Youth have always been close to my heart and we will carry out projects which will help to make them better citizens. We will also address the problem of safe drinking water in schools. In addition we will carry out balanced programs in all the four avenues of service.

I am confident that with the support of the Board of Directors and the members of the club we will achieve our goals.

I would like to thank all the advertisers and donors who have generously donated to our charity fund. I am deeply touched to see so many of you who have traveled from far and near to be here tonight.

In this Rotary Year, I ask all of you to join me as we Lead the Way to a better world.

PROJECTS

1. Evening with Rotary

This project saw the integration of the different communities in Teluk Intan. We had the Indian Bell Club representing the Indians and the Penghulus representing the Malay community. The purpose was to instill the values of Rotary and to enhance their perception of what Rotary does to make society a better place. It was also to identify the areas in which the local community needed our services.

2. Anti Dengue Campaign

The Rotary Club of Teluk Intan and the Interactors of SM Convent, SM St. Anthony and SM Horley Methodist launched an anti dengue campaign in Teluk Intan. Their partners in service included the Education Department, Health Department and the Municipal Council. A massive awareness and cleaning up of the schools and its surrounding to free their compound of the aedes larvae and mosquito breeding ground was carried out. 'Ceramah' and quiz programmes were held in the schools to educate the teachers and pupils as to the dangers and fatality rate. Abate and pamphlets were distributed to the school children so that they can then become a source to educate their parents and friends to the need for cleaniness. 20 schools around Teluk Intan participated in this launch.

ROTARY SHARES

30 June 2007
Jaya Letchumi Kuttan, President
The Rotary Club of Teluk Intan
D3300, Malaysia.

Dear Jaya,

It is my pleasure to congratulate you on your installation to the office of 2007-08 president.

You have chosen to serve your club in this capacity because, like me, you love Rotary and want to see Rotary grow and thrive. We love Rotary because it is an amazing organization full of people who want to reduce suffering in this world through fellowship and service. ***Rotary Shares*** the things that should be shared with humanity: kindness, time, and resources.

We must share Rotary if we want it to survive. Without new members, Rotary will disappear in only a few decades; and without Rotary, so many needs in our communities will go unmet. This is why I am asking everyone who loves Rotary to share that love and commitment by inviting other qualified women and men to join a Rotary club. This is the single most important thing you can do to ensure Rotary's second century of service.

As you perform your duties throughout the year, remember that service is at the heart of Rotary. It is through service that ***Rotary Shares*** its tools and resources with those who need help in communities all over the world. Service is the true magic of Rotary.

Please join me this year and share Rotary by bringing new members into the fellowship of Rotary and putting Service Above Self in everything you do.

Sincerely,

Wilfrid J. Wilkinson
President, 2007-08

ROTARY SHARES

My Dear President,

Greetings! It is a delight to pen a few lines in your souvenir magazine, on the occasion of your '2007-08 Rotary Club Installation'. I would like to congratulate you on assuming the important role as President of your club and to also extend this congratulation to the rest of your Board of Directors.

President Wilfrid J. (Wilf) Wilkinson has challenged us to say
* 'Yes' to Growth,
* 'Yes' to Leading projects in the club, and
* 'Yes' to making our clubs more effective.

Having been in Rotary as long as he has, he realises that these are the fundamental needs to make Rotary more vibrant and effective in the future.

The clubs are indeed the 'Core of Rotary' and it is in strengthening them that Rotary itself will achieve the full potential of what it is capable. The opportunities for service are endless and every Rotarian, every Club can achieve unimaginable good in this world of ours. Our Programmes are as relevant today as it was when we first began more than a 100 years ago. When we hear of the good it has done all these years, we are all indeed proud to be known as Rotarians. Indeed, 'the magic of Rotary is that Rotary allows ordinary people to do extraordinary things'!

Every Rotary Club is different and there is tremendous 'Unity in our Diversity'. This is not found even in organisations such as the United Nations. The ties that bind us are a common desire to do good. President Wilf has asked everyone to 'Lead by Example' and he himself has sponsored a new member after many years. Growth is the responsibility of all of us and it will constantly be in focus throughout the Rotary Year 2007-08 as our theme is "*Rotary Shares*"
* *Rotary Shares* because Rotarians care.
* *Rotary Shares* because Rotarians know the needs.
* *Rotary Shares* because Rotarians provide Service Above Self.

There is much to do and I am confident that you and your members will leave the club better than when you assumed office.

With Best Wishes for a great Rotary Year ahead.

Dr Joe Rajendran
District Governor
2007-2008

Dato Hj. Md Amin Shukeri
b. Dato Ali Akbar

Rotary is one of the few organizations with a smooth transition of leadership every year. Congratulations to President Jaya Letchumi Kuttan on your installation as the 56th President of the Rotary Club of Teluk Intan.

As an honorary member of the Rotary Club of Teluk Intan, it gives me pride to see the efforts made by the Rotary Club of Teluk Intan to improve the welfare of the local community. In the last 55 years, the numerous community service projects that you have done greatly benefited the people in this district.

The Rotary theme for this Rotary year "ROTARY SHARES" is very apt. As Rotarians share your message of goodwill and peace, both locally and internationally, you will help to make this world a better place to live in.

I extend my best wishes to the Board of Directors and all my fellow Rotarians from the Rotary Club of Teluk Intan in this Rotary year.

Thank you.

PEGAWAI DAERAH DAN TANAH HILIR PERAK

Azimuddin Bin Mohd Rafei

I would like to convey my appreciation to the Rotary Club of Teluk Intan for giving me the opportunity to pen a few words in your Souvenir magazine.

Congratulations to President Jaya Letchumi Kuttan for taking up the mantle of leading this august club. With your able Board of Directors to assist you, I know that, once again in this Rotary year, your club will make a difference in this locality.

In your selfless way, placing "SERVICE ABOVE SELF", the members of the Rotary Club of Teluk Intan have done numerous community service projects in this district for the last 55 years.

With your new theme for this Rotary year "ROTARY SHARES", I am confident that you will continue to identify the needs of the local populace and find ways to help them improve their quality of life.

I take this opportunity to assure the members of the Rotary Club of Teluk Intan that you will continue to have my full support in all your humanitarian endeavors.

Thank you.

MESSAGE

It was indeed a great honor and privilege for me to lead this esteemed club for the Rotary Year 2006-07 as the 55th President.

This year we created many milestones in the history of our club. We sponsored a Rotary Club, an Interact Club; increased our membership and carried out numerous projects in all the avenues of service. It was a busy year full of challenges and I am proud that we emerged even better than before. I have learnt a lot and all the experiences have enriched my life.

I deeply appreciate and acknowledge the concerted efforts of all the members and in particular the Board of Directors for all the meaningful projects that we carried out in our community, country and the world. I would also like to thank the Family and Friends of Rotary for all their participation and contributions. For our efforts we received the Presidential Citation from Rotary International President Bill Boyd and numerous District Awards and recognitions.

My sincere gratitude goes to our District Governor Dato' Jimmy Lim for his support and guidance. My appreciation also goes to our Assistant Governor Frankie Yap for all his assistance.

Finally, Dr Rajindar and I would like to congratulate and wish our Incoming President Jaya Letchumi Kuttan and her Board of Directors a very rewarding and a successful year in serving humanity by sharing Rotary. I have full confidence that she will lead the club to greater heights.

ROTARY SHARES

MESSAGE

Thank you for having entrusted your confidence, faith and good judgment in my Leadership ability to be the President for the year 2007-2008.
As Bhichai Rattakul said" I would find myself in a position of being a leader amongst leaders'.
With a District Governor Elect and 12 past presidents in our club, I have to balance my duty of a president on a tight rope. I have not only the opportunity and the responsibility to be a wise and effective leader but also to assume authority with humility.

I would like to congratulate outgoing President Surendra Kaur and her Board for their magnificent projects which earned the club 15 prestigious district awards and her R.I presidential citation.

I promise to go the extra mile to activate our membership and to seek your support and involvement in my projects. It matters not the size of our club, it's the quality members and friends like you, your encouragement, participation and inspiration that would make every project a success for without you there is no Rotary.
Some exemplary projects of the year would be:

-Upgrading of the living standard of an Orang Asli settlement with water and sanitation facilities.
-Improving English language in rural schools by applying the Concentrated Language Encounter (CLE) Programe, with participation from our sister club, RC Yala.
-Setting up a dialysis Center.
-Creating easy accessibility and awareness for the public with free medical, legal and other vocational consultations at 'The Store Supermarket'.

My dear Rotarians and friends, the end result of our projects and its accomplishments will demonstrate how much Rotary shares.

Our Theme this year is **"Rotary Shares"**
Just as the essence of Rotary is love, the essence of expressing love is kindness in dealings with each other, our community and to those we help.

I wish to thank all the advertisers and donors to our charity fund. The magic of Rotary allows ordinary people like you and me do extraordinary things with your generous donations.
Let Rotary magic shine.. "Let us now go forth to serve and serve until it hurts." Bhichai Rattakul.

CARDIO PULMONARY RESUSCITATION (CPR) TRAINING

- OC Rtn. Nagalingam

A CPR Training session for the public was held on **11 November 2006** at the Town Hall. The objective was to create an awareness among the public of emergencies that they may be faced with and some ways in which they can be of help in these situations. Apart from teaching them the art of CPR, participants were also taught what to do in the event of someone choking.

The partners in service were Majlis Perbandaran, Teluk Intan and Hospital Teluk Intan. Officiating the event was the District Officer of Hilir Perak Tuan Azimuddin Bin Mohd Rafei.

A total of 171 participants attended this course. They were all given certificates of attendance and the trainers were also recognized for their efforts.

13-9-2006 Hosted the Blind Tandem Cyclist

The riding team and their entourage of the Kuala Lumpur-Langkawi Tandem Expedition made an overnight stop at Teluk Intan enroute to Langkawi on 13 September. The riding party included 15 blind riders, 15 sighted pilots and 23 helpers such as police outriders, the ambulance team and marshals from the National Cycling Federation.

The Rotary Club of Teluk Intan played host to the team members numbering 53 in all. During their stop over, they were provided with refreshments, dinner, accommodation and breakfast the following morning before being flagged off from the infamous Leaning Tower of Teluk Intan.

Tandem Cyclists in Teluk Intan

Yang Di Pertua(YDP) of Teluk Intan, Tuan Hj Ibrahim Bin Hj Ahmad, joined in the fellowship with our guests. Rotarian participation was 100% and the Interactors of Teluk Intan from SM Convent, SM St. Anthony and SM Horley Methodist played an important role in welcoming and assisting the team upon arrival.

A report on the event appeared in the Sin Chew Daily and the Tamil Daily, Nanban.

16-9-2006 Donated spectacles to a poor student

The Headmistress of SJK (T) Ladang Rubana, Teluk Intan, approached the Rotary Club of Teluk Intan for assistance to secure a pair of spectacles of a pupil, Hemalatha a/p Bathumalai. The pupil, a hard working student with good academic performance, had difficulty in reading.

Rtn. Lim Seng Sen, the proprietor of M/S Pusat Cermin Mata Intan, provided this deserving candidate with a pair of spectacles. Furthermore, this benevolent Rotarian is willing to help any needy student who may require his expertise. The Club applauds his generosity and kind service.

8-10-2006 Health Forum on Common Cancers in Women

The objective of this project, was to create an awareness among Women, in particular, of the common diseases such as Breast Cancer, Lung Cancer and Cervical & Ovarian Cancers. The forum was held at the Daly Hall at Lower Perak Club, Teluk Intan on **Sunday 8 October 2006.**
A total of 110 participants attended this informative session. About 30 % of the attendees were teachers from schools in Hilir Perak and the rest were made up of Rotarians (9), and members from various circles and organizations in the vicinity.
The speakers at this Forum were:

1. **Dr. S. Sumithra**, Consultant General Surgeon, Hospital Pantai Putri, Ipoh.
   Topic : Breast Cancer
2. **Dr. Tharmaraj**, General Surgeon, Hospital Teluk Intan.,
   Topic : Lung Cancer.
3. **DGN Dr. Rajindar Singh**, Consultant Obstetrician & Gynaecologist, Pusat Pakar Rajindar Singh, Teluk Intan
   Topic : Cervical & Ovarian Cancers

A very interactive session followed each speaker's presentation and participants left armed with a lot of information and advise from the speakers. At the tea that followed, the participants indicated that they greatly appreciated this effort by the Rotary Club of Teluk Intan.

18-10-2006 Donation of Calipers to Ms Beh Mei Yean

1985, at an early age of 4 years, Ms Beh Mei Yean was admitted to the local hospital with high fever running for a few days. Following this episode, she was unable to walk and was diagnosed with 'Cerebral Palsy' Her brain function, however was sound and corrective surgery was carried out to treat her walking problem. The surgery enabled her to walk again but her gait was uncontrollable.
Mei Yean went on to complete her Sijil Pelajaran Malaysia at SM Convent, Teluk Intan. She is now 25 years of age and works as a clerk in a legal firm. She walks with bent knees that tend to knock. Her instability when walking caused several falls and she frequently injured herself.
The local Orthopaedic Surgeon examined Ms Beh and recommended that she wear calipers (Knee Cage) to align her legs and referred her to the Occupational Therapist.

PROJECT REPORTS
COMMUNITY SERVICE

The calipers were purchased with financing from the Clubs Project fund and from good Samaritans from the same Club.
Ms. Beh Mei Yean goes for regular therapy at the hospital to loosed her muscles, and is very motivated and determined. She plans to take her special driving license as soon as she is able. We wish her well and hope that, by Gods grace, her future will be brighter.
The formal presentation was witnessed by District Governor Dato' Jimmy Lim during his official visit on 18 October 2007. .

27-12-2006 The members donated RM 1350.00 to the District for the victims of the floods in Johor.

24-1-2007 13-2-2007 & 16-2-2007 Distribution of school bags from RC KL Di-Raja and educational materials was carried out at 5 schools in Teluk Intan namely:
SRJK (T) Tiruvalluvar
SRJK (T) Bharati
SRJK (C) Phooi Yong
SRJK (C) Yeong Seng &
SRJK (T) Ladang Batak Rabit

14-2-2007 Sponsored Old Folks and Orphans to the Chinese New Year Party hosted by DYTM Raja Muda Perak
69 selected people from Teluk Intan were taken to Ipoh for Chinese New Year celebration with Raja Nazrin.
Participants each received an 'Ang Pow' worth RM50/- and a hamper. Raja Nazrin was dressed in Cultural Chinese attire. Speeches by MB Tajol Rosli and Raja Nazrin were geared toward unity and harmony. Music came from the St. Michaels Band and there were several dance and song performances. Food was also very good. It was indeed a well organized event.

23-5-2007 Presented Ms Sarala Mahadevan a special cushion for her wheel chair
Ms. Sarala Mahadevan has been paralyzed from waist down since a road accident in 1991. She is now solely dependant on a wheelchair to move around and to carry out her daily activities independently.
She spends all her time on the wheelchair and experiences discomfort and pain in pressure areas of her body.

Some of the Schools who received the School Bags & Educational Materials

Ms. Sarala with members of RC Teluk Intan

She appealed to the Rotary Club of Teluk Intan for assistance in purchasing a special cushion which accommodates optimal pelvic positioning. The fluid in the cushion, conforms to bony prominences thus providing maximum pressure distribution which, in turn, provides comfort and reduces pain.

On 23 May 2007, President Surendra presented Ms. Sarala with the cushion with words of encouragement and praises for her positive attitude which motivates us all to do better in our lives.

She is now a volunteer in Bethany Home. Thanks to Mr. Jayasingh who supported her through difficult moments, she is now able to help other special people. She stayed at Bethany Independent Home for a time which taught her to manage independently and is now able to do almost everything on her own and on occasion when she needs help, she calls on neighbours and staff of Bethany Home for help. She presently lives at a rented house close to Bethany Home thus making traveling to work easy.

30-5-2007 Distributed 10 Wheel Chairs

Wheelchairs obtained by the Club from the District Wheelchair Project, were distributed to 10 members of the public in need. Six of them went to individuals with medical problems and the other 4 were donated to a school, Police Dept., mosque and St. Johns Ambulance for use in their premises in emergencies.

Message

Dear President-elect:

It is my pleasure to congratulate you on your installation to the office of 2008-09 President.

You are here because, like me, you believe in Rotary and the positive changes it creates in our world. We know that by working together, we can achieve greater good than by working alone. We know that united in Rotary, we can ***Make Dreams Real*** for all of the world's children by reducing the rate of child mortality.

We must provide hope and a chance at a future for all children, both in our local communities and in communities far away, because without Rotary, every day children's needs are going unmet. This is why I am asking you to use the knowledge you have acquired in recent years working with water, health and hunger, and literacy to do the most good we can to improve the lives of children around the globe, and inspire other Rotarians to do the same.

As you perform your duties throughout the year, remember that it is our job to open all eyes to these needs. We must develop projects that make sure children have clean water, improved overall health, and the opportunity to go to school. We must work together, one club with another, to do what is needed.

Please join me this year in ***Making Dreams Real*** by beginning to turn safe and happy childhoods into long and healthy lives.

Sincerely,

D. K. Lee

Dear Incoming President

Surendra and I have great pleasure in congratulating you on your installation as the President of your Rotary Club for 2008-09.

We would like to take this opportunity to congratulate the outgoing president and his board of directors for a job well done.

We are proud that you have accepted the honor and challenge of serving as the leader of your club. You stand at the threshold of one of the most fulfilling experience of your life, a year that promises to be filled with many rich rewards, as well as many challenges.

Today you face a vast ocean of possibilities and opportunities. At the end of your year as President, you will have transformed those possibilities and opportunities, your dreams, into stories of success and triumph.

Happy are those who dream dreams and are ready to pay the price to make the dreams real. In 2008-09 our dreams are to make the world polio free, reduce child mortality, increase our membership, promote high ethical standards, enhance the image of Rotary and advance world understanding goodwill and peace.

I am confident that with your proactive leadership you and your Board of Directors will take your club to greater heights and will Make Dreams Real.

Sincerely,

Message

I experience great pride as I reflect on my year as the 56th President of the Rotary Club of Teluk Intan. The fact, that I did much to make a difference in others lives despite challenges gives me great happiness.

I thank all my Board members, members and spouse, Interactors, principals of schools and teacher advisers and most of all you the friends of Rotary who had stood beside me in support and encouragement to make my term successful and meaningful.

Our club was recognized for the District Outstanding Community Project Award in the Water and Sanitation project for the Orang Asli Settlement. Our four Interact clubs were the only school based clubs in the District to be awarded the Rotary International Presidential Award for their projects. These successful projects and many more undertaken by our club attributed to the Rotary International Presidential Citation Award being awarded to me.. This my friends is the most gratifying award for Service Above Self made possible by a concerted effort of all club members.

We thank our Sister clubs, Yala Thailand District 3330 for their participation in our club literacy projects and Family of Rotary expeditions, Bangalore South Parade District 3190 for their assessment of our Vocational project schools essay competition and Strathcona Sunrise, Canada District 5020 for their fellowship and contributions.

I believe I have shared my time in the true Rotary Spirit of our Theme Rotary Shares, for this my appreciation goes to my District Governor Dr Joe and all my District officers. It is with sad nostalgic feelings I relinquish my presidency.. ONE YEAR seems so short for all you want to do in Service to Mankind

I wish Incoming President Pushpalatha and her Board a very fruitful and eventful year to Make their Dreams Real. To our very own District Governor Dr Rajindar Singh and First Lady Surendra the members of Rotary Club Teluk Intan today stand proud to have a District Governor from our club. We wish you both all the best in your commitment to Rotary in the District.

May God's blessings always be with you and our Club.

Message

It is with great pride and pleasure that I assume the position of President of the Rotary Club of Teluk Intan. This honour bestowed on me comes with responsibilities, expectations and challenges which I gladly take on and am confident that I will be able to lead the Club for another year of great achievements.

My predecessor, IPP Jaya Letchumi, has done the Club proud as have Past Presidents before her. We do not plan to out shine one another but to compliment each others accomplishments.

Armed with lessons learned at my training sessions, I am sure that there is no hurdle too high to overcome or bridge too difficult to cross AS LONG AS we do it in unity and with a passion to serve, which we Rotarians are renowned for.

We are the home Club of District Governor, Dr. Rajindar Singh and District First Lady, PP Surendra Kaur and with it comes a degree of pride. There is no doubt, in my mind, that we will fulfill all criteria set by Rotary International, District 3300 and also by the Club which will uphold our stature as a healthy Club.

As a Rotarian, when we give, donate or sponsor, toward the less fortunate, we do it with a good heart and with no reservations whatsoever. We give the best we can and in doing so, we are not just contributing toward improving their living conditions but, in reality, we are bestowing upon them a sense of worth which will make their hardship easier to bear and as time goes by, they soon realize that their life in this world has meaning too.

Let us set forth not just to **Make Dreams Real** but to plant a ray of hope into the minds of our fellowmen, to let them know that however hopeless their situation may seem, they too have the **Right to Dream.**

Thank You.

R. I. PRESIDENT RY 2009-2010

John Kenny

Dear Kok Wah and Board of Directors:

It is my pleasure to congratulate each of you on the occasion of your installation.

You are here because, like me, you believe in the future of Rotary. You realize that it is essential for each of us as Rotarians, to do what is necessary to keep Rotary thriving. You recognize that the future of your club is vital to the future of Rotary continuing to operate in thirty-three thousand communities in nearly every corner of the globe. You understand that ***The Future of Rotary is in Your Hands***.

We are all part of an organization with the capacity to do great deeds, the sense to do them wisely, and the strength of character to do them well. Building on these high standards, I encourage you to continue focusing on water, health and hunger, and literacy as the key areas of emphasis this year. That is why I am asking you to call on your core values of leadership service as you work within your own club and district, in cooperation with other clubs and districts, and with the support of the Foundation to build a stronger future for Rotary.

As you perform your duties throughout the year, remember the responsibility for Rotary is yours. Take pride each day in the decisions you make and the actions you take, because these choices are determining the course of Rotary for us all. I can think of no place better to entrust the strength of this organization than to the members who have built it. Truly, ***The Future of Rotary is in Your Hands***.

Sincerely,

John Kenny

MESSAGE

THE FUTURE OF ROTARY IS IN YOUR HANDS

GOVERNOR DISTRICT 3300 RY 2009-2010

Leslie Salehuddin

Dear President Kok Wah and Rotary friends,

I am pleased and honoured to write a message on the happy occasion of the installation of President Kok Wah and his Board of Directors, making him the fifty-eighth President of a long line of illustrious past presidents of the Rotary Club of Teluk Intan. At this evening's installation banquet, we shall be joining some thirty-three thousand Rotary clubs the world over having smoothly transitioned its leadership. Notably, RC Teluk Intan is one of the more established clubs and seventh oldest in our District and the home club of Immediate Past Governor Dr Rajindar.

R I President John Kenny has asked Rotarians to be links between the past and the future and that the destiny of our great movement depends on everything that we do. He has urged us to continue in our commitment to serve and support Rotary through its many structured programmes and our Foundation. We have to play our part to ensure that we continue to grow in our membership, ensure our clubs are functioning well and relentlessly pursue our mission and our continued global quest to end Polio.

Incoming President Kok Wah was a past president of this club having served in RY 1991/92. Being a past president , I am truly delighted that Kok Wah has agreed to helm this club after a lapse of two decades. A quiet but effective Rotary leader, I understand that he has he has always never hesitated when approached to help out in a club project or fundraiser. His pleasant disposition and his organized manner in getting things done as well as his corporate contacts will stand him in good stead as he assumes office as President second-time round. I am confident, Kok Wah will be able to count on the wholehearted support of his Ann Guat Eng, past presidents (and Past governor), board of directors, members, the partners in service and the families. I congratulate him and his board for taking up the challenge in continuing the good work by previous boards in delivering much needed care and relief for the community of Teluk Intan and beyond since the early fifties.

I must acknowledge here, the able stewardship of outgoing President Pushpa and her diligent board of directors who have ***Made Dreams Real*** in accomplishing their goals set out for the year. Whilst deserving a well-earned rest, I am certain Pushpa as the IPP, will provide her continuing support and counsel to Kok Wah and his Board. In closing let me urge my Rotary friends, to do your level best at all times, as whatever you do, as committed Rotarians, ***the Future of Rotary is in Your Hands.***

Warmest regards

MESSAGE

THE FUTURE OF ROTARY IS IN YOUR HANDS

IMMEDIATE PAST DISTRICT GOVERNOR

Dr. Rajindar Singh

My dear Rotary friends

Rotary Year 2008-09 will be etched in our memories forever. We will always cherish those moments that we spent with Rotarians and their families in various clubs in our District and in other Districts. It was like being on a rollercoaster and before we realized the year is over. It has changed our lives and in some way we too would have affected the lives of some. Rotary is indeed a fantastic organization and it allows ordinary people like you and me to do extraordinary things. Working together we are able to bring about changes that will improve this world or at least lives of some. In the process we too undergo change. We learn to tolerate others and respect their views, customs and traditions. We learn that one size does not fit all.

We have now completed an important part of our journey through Rotary and we now look forward to the next journey. What are the challenges that our organization faces? Our biggest challenge is to bring in new blood and to retain each and every member. We also need to address bigger issues in our community and in communities around the world. We have the golden opportunity to train our future leaders by placing more emphasis on Interact and Rotaract. If we succeed in instilling high ethical values in the new generations than the future will indeed be bright. We have the power to make dreams real by leading the way and acting with integrity and consistency.

Surendra and I wish to thank all the members of the Rotary Club of Teluk Intan for all the support that you have given us.

Congratulations to Outgoing President Pushpa and her Board of Directors for the great work that you have done. The numerous projects that you have carried out are indeed commendable. You all indeed deserve the awards that the club has won.

We wish Incoming President Phuan Kok Wah a memorable Rotary Year. With the vast experience that he has we are confident that he and his board will take the club to even greater heights.

The future of Rotary is in your hands.

With best regards

Rajinder Singh

PDG Dr Rajindar Singh

THE FUTURE OF ROTARY IS IN YOUR HANDS

IMMEDIATE PAST PRESIDENT RY 2009-2010

Pushpa Krishna

A year of many challenges and fulfilling rewards has come and gone in the wink of an eye. Achievements have been aplenty as you will see in the inner pages of this magazine but apart from awards in the form of trophies and certificates, the greatest of all achievements is that the Rotary Club of Teluk Intan still stands tall and strong, ready and rearing to go for yet another year.

I cannot, for a single moment, take sole credit for this successful year. The unwavering support from members, came in many forms: physical, monetary, advisory, positive reinforcement & moral support. Some have stopped to say 'Thank you' and many have silently and relentlessly contributed to the smooth running of the Club which assured a year with as little turbulence as possible. For this I thank, in general, all members of RC Teluk Intan and ,in particular, the dedicated Board of Directors of RY 2008-09.

I now relinquish the position of President and take on the permanent title of Past President which, in my humble opinion, carries a heavier responsibility that of being a supportive pillar to all incoming Presidents. My new found respect and admiration for the members of the club, together with my experiences, will, undoubtedly, be my guiding tools .

To President Phuan Kok Wah and his Board of Directors, I wish you all the very best. I know that it is going to be another fruitful year as **'The Future of Rotary is in Your Hands'**. I am sure I echo the sentiments of all members in saying 'We will stand by you'

"If there is any one secret of success, it lies in the ability to get the other person's point of view and see things from that person's angle as well as from your own."

INSTALLATION DINNER
26 July 2008
Sechuan Seafood Restaurant

The Installation of President Pushpa Krishna as the 57th President of the Rotary Club of Teluk Intan was held on 26 July 2008 at the Sechuan Seafood Restaurant in Teluk Intan. The Guest of Honour for the occasion was the District Governor, Dr. Rajindar Singh, who is also a member of this club. There were more than 300 guests in attendance, including Rotarians from all the clubs in Perak and from as far away as Kuala Lumpur. A delegation from our sister club, the Rotary Club of Yala, Thailand, District 3330, also traveled down to attend the Installation.

Recognitions presented on that day included, 3 PHFs, 4 Avenues of Service Citation, Best Interact Club and Best Interactor, 100 percenters for attendance and investiture of Honorary Member, Dato Carl-Bek Nielsen.

CAMERON HIGHLANDS VISIT WITH RC YALA
27th July 2008

The day after our club Installation on 26 July 2008, Rotarians and family members from Rotary Club of Teluk Intan accompanied visiting Rotarians from our sister club, Rotary Club of Yala, Thailand, District 3330, for an overnight trip to Cameron Highlands.

We visited the Boh Tea Plantation, a Rose Garden, a Strawberry farm, a bee farm and enjoyed the local steamboat dinner. There was good fellowship and we all had a good time bonding among ourselves and also with the visiting Rotarians.

VISIT TO HATYAI & YALA, THAILAND
18-20 July 2008

Nine (9) Rotarians form the Rotary Club of Teluk Intan, together with family members and friends of Rotary, made a 2-day trip to Hatyai and Yala from 18th to 20th July 2008, to attend the Installation of the President and Board of Directors of our sister club, the Rotary Club of Yala, District 3330.

Traveling by chartered bus, we arrived in Hatyai early on the morning of Saturday, 19 July and were warmly greeted by our sister club Rotarians. After checking into the hotel in Hatyai, we proceeded to Yala for the Installation. Then it was back to Hatyai, accompanied by Rotarians from Yala and Hatyai, for shopping and sightseeing for the rest of Saturday and Sunday. On Sunday evening, we also attended the Installation of the Rotary Club of Khok Samedchun in Hatyai, and then left for home.

It was a wonderful trip with a lot of warm fellowship and camaraderie with the Rotarians from the Rotary Club of Yala and the Rotary Club of Khok Samedchun. We also took the opportunity to carry out joint projects by presenting 35 Malay-English and 35 Chinese-English Dictionaries to the Eric Centre in Yala and to the Rotary Club of Khok Samedchun.

56th CLUB ANNIVERSARY CELEBRATION
13 August 2008

With a unanimous feeling of belonging, togetherness, unity and friendship, members of the Rotary Club of Teluk Intan, celebrated their 56th Club Anniversary on 13 August 2008 at the venue of their regular meeting.

Despite his heavy schedule, DG Dr. Rajindar Singh made it a point to be at this function to celebrate **his** Club's Anniversary together with the members.

Guests present included Friends of Rotary, Family of Rotary, Interact School Headmasters and Teacher Advisors, potential members , our Corporate sponsors and supporters of Rotary.

Leaflets about Rotary were made available on each table and even the games carried simple questions on Rotary for the benefit of non-Rotarians.

All members present participated in the cake cutting ceremony, endorsing the fact that **all** members are responsible for a club's success, not only Past Presidents.

DEEPA / RAYA CELEBRATION

In conjunction with the festivals of Deepavali and Hari Raya Aidil Fitri, a joint celebration was held at Lower Perak Club on 22 October.
The invited guests included spouses, family of Rotary, friends of Rotary past members, other NGOs and partners in service. The cuisine was specially selected to include dishes from both cultures.

In an attempt to promote Rotary, flyers and Rotary information was placed at all the tables and a video about the Rotary Club of Teluk Intan was screened.

In keeping with this years theme of 'Make Dreams Real' for the Children of the world, a promotional video by 'World Vision' was also screened. Forms for child adoption in 3rd world countries were also made available for anyone who was interested.

Speeches were minimal and food and fellowship was aplenty. The fun day brought closer unity of club members and spread the word of Rotary to non-Rotarians.

INTERACT LEADERSHIP TRAINING SEMINAR - ILTS

The Rotary Club of Teluk Intan held its Interact Leadership Training Seminar on **Sunday 13 July 2008 at the School Hall, SMK Convent, Teluk Intan**. This annual event was attended by 80 Interactors from the 4 Interact Clubs sponsored by the Rotary Club of Teluk Intan viz.

Interact Club of SMK Horley Methodist	: 20 Interactors.
Interact Club of SMK Convent	: 19 Interactors.
Interact Club of SMK St. Anthony	: 19 Interactors.
Interact Club of SMJK San Min	: 22 Interactors.

The session started at 8am with the registration of the participants, followed by the National Anthem and the Interact Song.
After the welcome addresses by the New Generation Director, IPP Jaya Letchumi Kuttan and President Pushpa Krishna of RC Teluk Intan, there was a talk on the Guidelines for Club Installations and International Understanding Night by AG Wong.
The Interactors were then divided according to their portfolios in the Board and interactive training sessions were conducted by the 7 Rotarians in attendance.

DISTRIBUTION OF DICTIONARIES

In our first phase of the presentation of Dictionaries, the Rotary Club of Teluk Intan distributed Malay - English and Chinese - English dictionaries to 2 Rotary Clubs in Thailand namely, RC Kok Samedchun and RC Yala. This was carried out on 19 and 20 July 2008, when we attended their Installations. Through the Clubs, the Dictionaries were presented to Eric Center, an English Language Training Centre.

In our 2nd phase, on 4 September 2008, we presented 60 Dictionaries (30 Tamil - English and 30 Malay-English) to 2 small rural Tamil schools in Bagan Datoh.

SJK(T) Ladang Strathmashie has only 30 students and conditions in the classroom are poor. The school is situated about 6 km inside Bagan Datoh Estate.

SJK(T) Bagan Datoh, which accommodates 60 students, is situated along the main road and each classroom is very well equipped with LCD players and computers. The Library has a good selection of English books and the school authorities greatly appreciated the donation of the Dictionaries to add to their collection.

On 9 January, 2009,(Friday), the Rotary Club of Teluk Intan presented Chinese/English dictionaries to 4 Chinese schools in Kampar. This was the 3rd phase of the project.

Seeing a need to promote the use of the English Language, the club saw it fit to distribute these dictionaries not only in Teluk Intan but also in surrounding areas.

A total of 70 dictionaries were presented to each school. Some teachers and the heads were present at a small handing over ceremony held at a local restaurant there.

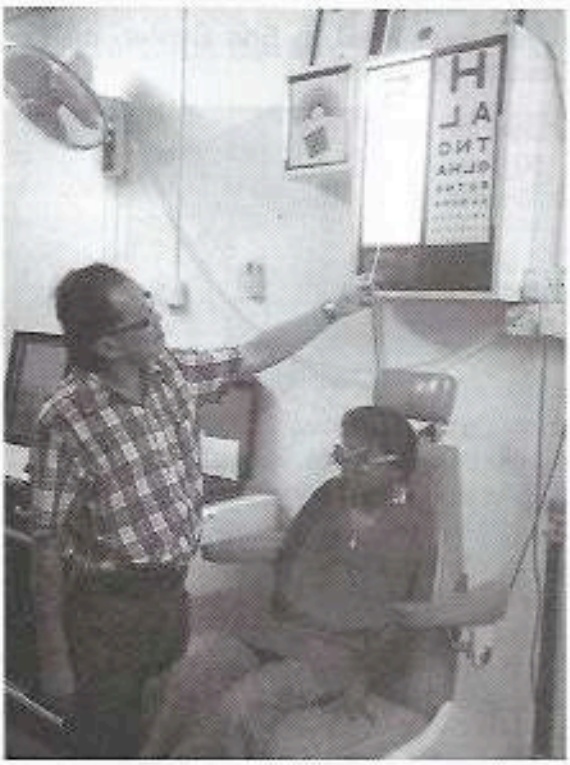
Rotary Information was passed on in conversations before the event and at the lunch that followed and Rotary leaflets and Club magazines were circulated for their perusal.

The event was reported on in the Chinese daily the next day.

Remaining dictionaries were presented to RC Seri Changkat Jong for distribution

DONATION OF SPECTACLES TO THANESWARY FROM BAGAN DATOH BY RTN. LIM SENG SEN

During our visit to SRJK Bagan Datoh to distribute dictionaries, Rotarians were told about the vision problems of Thaneswary by the teachers. We acted promptly and that weekend Rtn. Jayaganesh took the child to Rtn. Lim for testing. Within a week, she was tested and given a new pair of spectacles, with compliments from Rtn. Lim Seng Sen.



The Four-Way Test

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

MATCHING GRANT PROJECT

A new library was opened at the Tapah Prison on Wednesday, 1 April 2009, by the Deputy Director of Rehabilitation and Special Treatment, Prison Headquarters, Kajang and the District Governor of Rotary International District 3300 Dr Rajindar Singh.

In keeping with the government's vision of rehabilitating prisoners and providing them with resources to gain knowledge, more than 1500 books were donated to the library by the Rotary Club of Teluk Intan. The Matching Grant project was carried our jointly by the Rotary Club of Teluk Intan and the Rotary Club of Ansung East, Korea, the funds being matched by The Rotary Foundation.

The books, in Bahasa Malaysia, English, Chinese and Tamil encompassed various subjects. There are books on Religion, Self Improvement, Novels, Skills Training, Humour, Leisure and other topics of interest. Saying that Rotary places a high priority on literacy, President Pushpa Krishna of the Rotary Club of Teluk Intan hoped that these books will inculcate the reading culture among the inmates and motivate them to better themselves. In line with this, the Rotary club also donated 3 computers and a printer for use by the inmates at the library. The Deputy Director of Rehabilitation said that the prison authorities encourage the inmates to obtain a tertiary education by distant learning.

The prison also has a well-equipped skills training centre. The Rotary club also donated a special sewing machine to this centre and a Children's Play area in the Visitors' Lounge of the prison.

CHILD SEXUAL ABUSE (CSA) AWARENESS & TRAINING WORKSHOPS

Level One: Awareness Workshop

On 1-2 November 2008, twenty-three (23) care givers from primary, secondary and pre-schools, and some Rotarians, gathered at Lower Perak Club to participate in a fully sponsored, CSA awareness workshop.

Three (3) trainers, namely, Noreen Preusser, Ms Lai Cheng and Mr. Effendi from PS the Children covered various aspects of Child Sexual Abuse (CSA).

The areas they covered included the following:

- Convention on the Rights of the Child
- Definition of Child Sexual Abuse (CSA)
- Characteristics of CSA
- Preconditions of CSA
- Handling disclosure &
- Prevention components

The participants valued the opportunity given to them and interacted very well in the workshop sessions and were motivated to be advocates for children's rights. The majority of them grasped the concepts of Child protection and understood the impact it has on these uninformed and naïve children.

Level 2: Training of Trainers (ToT).

The overwhelming response prompted us to organize a Level 2 workshop to train participants from the first workshop in the Training of Trainers (ToT) program on 9-10 December 2008. This was to increase the pool of people who can in turn carry out awareness workshops in the area.

We decided to include some of our Interactors as observers, our intention being, to get some input from a teenagers point of view.

We were all given a training manual and in the workshop sessions we were guided on the planning of awareness talks and all relevant topics for presentation. Special emphasis was made on Fears of disclosure, handling of disclosure and the reporting process (specific to Teluk Intan).

Yet again, we saw an intense interaction and participation from all those who were trained and what surprised us most was the rather candid opinion of the young Interactors. We learned that they were more willing to broach the subject of sexuality and sexual abuse as compared to most adults.

Keep Me Safe Program for teenagers

Pursuant to the above 2 workshops, it only seemed appropriate to get participation from our teenagers. The above program was carried out as our final project of the year. 22 Interactors took part in this very interactive program and the response from the teenagers was indeed encouraging. The overall review was overwhelming. Topics covered were as follows:

About my Body
Touching Rule
Safe and Unsafe situations
Getting help
Sexuality
Boundaries
Decision making
Healthy relationships

PUBLICITY CAMPAIGN

In an attempt to promote Rotary in the Teluk Intan, the Club decided on a 'triple approach' publicity campaign, keeping in mind our priority which has always been Children.

1. Billboard

2 years ago, the Rotary Club of Teluk Intan erected a billboard at a very strategic location in Teluk Intan. Over the years, the image was fading and it was unanimously decided that it should be replaced. This was done, adhering to specifications from the council.

2. Advertisement on Buses

Two bus companies namely Hup Soon Bus Company and Lower Perak Motor Services were approached to carry our community service message on their buses. They agreed to do this on 2 buses each at a reduced rental for a period of 1 year. Hup Soon buses take the route to Kampar and Bidor whereas LPMS travels to Bagan Datoh, Hutan Melintang and Jalan Feri. This spreads the work of our club not only in Teluk Intan but also in surrounding areas.

The unveiling of the advertisement was carried out on 23 February 2009 to mark Rotary's 104th Anniversary. Present at the event were representatives from both the bus companies.
The co-sponsors were 3 prominent businesses in Teluk Intan namely:
Sirdi-333 Otomobil Sdn. Bhd., EV Care Pharmacy & Ivy Image Creative

& Lower Perak Motor Services

3. Mini Calendars

In a third initiative, we decided to produce mini calendars for circulation among our Interactors, members and the public to have an added positive impact. The calendar carried the same message of Rotary cares for our children .....our Future, but this time we incorporated the 4-Way Test.

Mode of distribution was through the Interactors, newspaper vendors and members of RC Teluk Intan (at their place of work)

Ray Klinginsmith
Rotary International President RY 2010-2011

Dear Incoming Club Officers :

It is my pleasure to congratulate you on your installation as a club officer in 2010-2011.

"In my search for the right words, I reviewed the four Avenues of Service and noted that Club Service and Vocational Service both help us to enjoy life and to be good citizens. Community Service and Vocational Service combine to make our local communities better places for us to live and work. International Service permits us to partner with clubs in other countries and on different continents to make the world a better place to live, with an improved opportunity for world understanding, goodwill, and peace. So I wrestled with the question of how to best express the unique contribution of Rotarians, both locally and globally.

I next reviewed the advice of Jim Collins in his bestselling book Good to Great for nonprofit organizations. His advice is to review the following three questions to determine the right direction for the future: 1) What are your members passionate about ? 2) What is your organization the best in the world at doing ? 3) What drives your resources?

We were guided by all three of those questions in designing the Future Vision Plan for The Rotary Foundation, and I used them again to shape my thinking about the right words to describe the passion, creativity and generosity of Rotarians. So let's pause for a moment. Now think to yourself about the best three or four words to describe Rotary. Words that will both give outsiders a glimpse of our purpose and make our Rotarians proud of their membership!

As we seek the right words, it is important to remember that Rotary is a "spirit of service" as well as an organization of Rotary clubs, and that we need to share our core values of service, fellowship, diversity, integrity, and leadership with other people and organizations. So what are the magical words that can capture the essence of Rotary? I considered many words and phrases after President John Kenny announced his thoughtful theme in this very room last year, and the words I have selected to describe Rotary's current mission and to highlight our achievements are what we do best : Building Communities – Bridging Continents.

I hope you agree that these four words aptly reflect who we are and what we do as Rotarians. We are a unique and a premier organization, certainly one of the best in the world. We build the spirit and resources of our local communities in an important way, which was beautifully summarized by the governor of my district last year, Elizabeth Usovicz:" When a positive spirit comes alive in our clubs, we inspire our communities. And when our communities are inspired by our service and presence, we inspire new members. It's a powerful cycle.

Kind Regards,

Ray Klinginsmith

Incoming Club President Nagalingam Munisamy PJK
And Incoming Club Officers of The Rotary Club of Teluk Intan

Dear Friends,

Thank you for allowing me to say a few words on the occasion of the installation of the President and Board of Rotary Club of Teluk Intan for RY 2010-2011.

Installations mark the end as well as the start of a new year in Rotary. Like the month of January which starts our calendar year and name after the Roman god with two faces looking both forward and back, we should look back as well as forward at installations.

We celebrate a year of productive and successful Rotary service and we look forward to what we could do in the next year with a new Rotary team helming our club. It is also a good time to reflect on what our Rotary obligations are.

RI President (RY2009-2010) John Kenny put it well when he said this:

"The Socttish-born writer Robert William Service once said, "A promise made is a debt unpaid." All of us here in this room have made a promise. We made it the day we became Rotarians, and the day we first put on a Rotary pin : We promised to be honest and ethical. We promised to help others, where and how we were able. And we promised to do what we could to help make the world better place. We promised, in short, to put Service Above self. That is the promise that we made as Rotarians - a promise that is ours to keep, every day of our lives, in our clubs, our vocations, and our communities – for each of us, in our every interaction, is the public face of Rotary. Where we are, whatever we do, whenever we wear a Rotary pin, we are Rotary for all those who see us. As others see and judge us, so will all of Rotary be seen and judged. And that is not a responsibility to be taken lightly, for it is true as they say that a reputation takes a lifetime to build but a moment to destroy."

I ask you to reflect well on the nature of the promise made when you became Rotarians and to build on the reputation built over many years past.

I wish you, your officers and your club a successful and productive 2010-2011.

Let us make Rotary stronger and 'bigger, better and bolder' whilst "Building Communities, Bridging Continets."

With all best wishes,

Lim Kok Beng

PDG Dr. Rajindar Singh AMP, PHF
Advisor of Rotary Club Teluk Intan

Dear Rotarians, Friends and Family of Rotary

For the past 58 years the members of the Rotary Club of Teluk Intan have served the communities in the District of Hilir Perak and communities around the world. Although none of the members who chartered the club are with us today, nevertheless never members have in their own special way kept that torch alight. This is the most amazing character of Rotary - a commitment of continuity. This is indeed the drawing point for new membership. New members must feel inspired by the club's standing and its involvement. They must desire to be part of this family. We must invite new members from the very onset of their membership to be involved in Rotary's noble commitment to the service of humanity.

Rotary, since its founding in 1905, has made tremendous inroads throughout the world in the sphere of humanitarian service complementing government efforts in its stride. The worldwide commitment towards the elimination of polio, for example is acknowledge as Rotary's greatest gift to the world.

Tonight we see another changing of guards. This is one of the unique features of our organization. Every year on the first of July the leadership in Rotary, right from the Rotary International President down to the club president, changes. These new leaders bring with them new ideas and this continuously infuses the organization with new zest.

Outgoing President Phuan Kok Wah and his Board of Directors have kept the flame brightly lit and have carried out numerous meaningful activities touching the lives of many. Congratulations!

President Nagalingam Munisamy PJK and his Board of Directors now take on the reins. The future of Rotary Club of Teluk Intan is now in their hands. Working together, I am confident that they will take the club to greater heights. They will lead the way and make dreams real building communities and bridging continents.

With best wishes

Executive Director Corporate Affairs

Dear President and Fellow Rotarians,

It is indeed my pleasure to not only acknowledge but also congratulate all Rotarians of Teluk Intan for the noble work done towards assisting the less privileged members of our society during the last 58 years.

I understand that the Rotary Club of Teluk Intan is probably one of the most active Rotary Clubs in Malaysia holding regular meetings. gatherings, functions and last but not least making decisions thus turning dreams into reality.

It is such virtues which not only commands the respect of the respect of the fraternity of Lower Perak but more so encourages donors to continue supporting the Rotarian movement where the common objective of improving the humanitarian needs of the many who have so little are supported in full.

I wish you and all Rotarians a year in which you may fulfill your goals.

With kind regards,

Your sincerely

Outgoing President

On behalf of the Rotary Club of Teluk Intan I bid a very warm welcome to all of you to our 59th President's Installation Banquet.

Time has come to pass the baton to our incoming President Rtn. M. Nagalingam PJK and his Board of Directors. The future of our club is now in their hands. I am confident that they will continue the great work that their predecessors have been doing for the past 58 years.

My year as the 58th president has been very gratifying and one of great satisfaction. This was my second term as a president after a lapse of 18 years. Let me tell you all honestly, I have enjoyed my term thoroughly, in fact better than the first time in 1991-92.

The whole credit goes to my dedicated and sincere Board of Directors who carried out numerous meaningful projects and helped me lead the club to greater heights. Your hard work, commitment and dedication has earned our club the Rotary International Presidential Citation Award for Rotary Year 2009-10. You can read in detail the report of activities in the souvenir program magazine.

I sincerely appreciate and value the contribution and participation of each and every member of our club, their spouses and family and friends of Rotary. I cannot forget the undivided support and generous contribution given by our corporate sponsors. I would also like to thank Past District Governor Dr Rajindar Singh AMP for his guidance and support.

Finally I would like to congratulate our Incoming President Rtn Nagalingam PJK and his Board of Directors. I wish them a very rewarding and successful year.

Nagalingam Munisamy PJK
Incoming President

Mine is a pleasure indeed to be elected as the 59th President of the Rotary Club of Teluk Intan for the Rotary Year 2010-2011. For bestowing this distinct honour in me, I wish to place on record my sincere thanks to all the members of my Club, with a special mention of gratitude to the Past District Governor, Dr. Rajindar Singh, AMP and committee for a job well done in making this event memorable.

This year's theme is BUILDING COMMUNITIES, BRIDGING CONTINENTS whose main thrust lies in confidence building activities in the communities we serve by embarking on projects in the realm of education, health and utilities. Basic utilities and healthcare had always been close to my heart and towards this end we will remain more focused on water management projects. In our quest for altruism however we will carry out balanced programmes in avenues like education and healthcare.

On hindsight, the Rotary Club of Teluk Intan was chartered in August 1952 and the Club will attain 60 years of age next year 2011. Hereunder, I take this opportunity to commend and compliment all past Presidents for the sterling contributions they had made in bringing the Club to its present iconic stature. No doubt this will serve as a beacon for me and my Board of Directors to strive yet further afield in accomplishing all our programmes and projects envisaged for the Rotary Year 2010-2011.

I would like to thank all the advertisers and donors for their generous contributions to our charity fund. Also I am overjoyed to see so many of you who have come from far and near to be here tonight.

In this Rotary Year, I seek the support of one and all of you in joining me and my Board in building literate and forward-looking communities whose outlook will be secular and not sectarian.

Nagalingam Munisamy PJK, PHF

Warm Greetings to everyone!

It has been a real privilege for me to hold the post of President, Rotary Club of Teluk Intan in Rotary Year 2010/11.

When I look back on the past Rotary Year, there have been some real highlights and some disappointments. But the true essence of our Club is not so much about what has been successful and what has not. It is what we are as members of a family. We share our successes and our failures. We may not always agree with one another. There are times when we wish we were somewhere else instead of attending a Rotary Club meeting. It is the glue that bonds us together to serve others and to make a contribution to the world so that it can be a better place for the human spirit to shine.

As members of Rotary we have enormous experiences and opportunities to learn. I have organised many projects for the Club and have gone through difficulties but in the end, we achieved what we planned to do.

I wonder what makes people highly respect Past President of Rotary International RY 2002-2003, Bhichai Ratakul. Such a simple and wonderful person as a great leader and human being. It is not that he is born with anything more than each of us. He incorporated his belief into action and inspire others to do the same. I believe it is having passion so great that it becomes SERVICE ABOVE SELF. Is it not what Rotary is all about?

I strongly believe that we have the power to set an example to others, and to inspire them to share our passion for the betterment of the world. To me it is what our club is endeavouring – having a common belief and spirit to rise above our personal needs to achieve greater things together.

The vision of our Club is to become an enterprising, caring and productive organisation. We must implement activities rich in choice for the benefit of the community. Our vision and culture is something we must live and breathe every day, taking pride in our role as Rotarians and members of Rotary Club of Teluk Intan.

If we look at our community there are many issues such as ageing population, troubled youth, education, environment, dysfunctional families etc. For Rotary, the challenge is to enhance our image and build on our relevance to the community.

We, as Rotarians, are trying our very best to serve the community. I can honestly say that I am proud to be a part of this club and family of Rotary. I would like to extend my thanks to you all for giving me a great team, for uniting and creating a culture of leadership through humility, compassion, action and fun.

I would like to place in record my sincere appreciation and gratitude to the District Governor Lim Kok Beng, Past District Governor Dr Rajindar Singh, Assistant Governors Frankie Yap, Roland Yeoh, Ling Peng Tong, District Officers and Members of Rotary Club of Teluk Intan for their guidance and assistance during my term as President.

I wish our incoming President Ng Wooi Ying and his Board of Directors a very rewarding and a successful year in serving community in the new Rotary Year 2011-2012.

Warm regards

NAGALINGAM MUNISAMY PJK, PHF
President, RY 2010-2011

Incoming President

Ng Wooi Ying PHF

When I joined the Rotary Club of Teluk Intan in 1995, it did not occur to me that one day I will be given the opportunity to lead the Club. This year, I have been given the honour and I accept the responsibilities, expectations and challenges of the Presidency.

In Rotary, one does not become a President overnight. He has to undergo mandatory training sessions to prepare him to be a President. I have learnt, and benefitted from the President Elect Training Seminars and am now prepared for the year ahead.

Kalyan Banerjee (President of Rotary International RY2011-2012) presented his theme for the year as "Reach Within to Embrace Humanity". He requests Rotarians to:

> **"Look within yourselves, to understand that all of humanity has the same dreams, similar hopes, the same aspirations and similar problems."**

Our Rotary service never ends. In the year ahead, I hope to get the full support of my fellow Rotarians, supporters and friends of Rotary to continue with "SERVICE ABOVE SELF".

Yours in Rotary,

NG WOOI YING PHF

Motivational Talks
"From Ordinary To Extraordinary' And "The Power Of Persuasion"
Conducted By Datin Nor Hafizah Ismail at Angsoka Hotel on18th April 2011

"From Ordinary To Extraordinary"

The Rotary club of Teluk Intan to organised a motivational talk for the interactors in Hilir Perak. The topic was **"FROM ORDINARY TO EXTRAORDINARY'**. The aim was to improve performances of students and encourage them to accomplish their goals by getting excellent examination results. In addition, through the hands on information of a cohesive learning technique, students acquire knowledge of inter dependent work for successful academic achievement. A total of 90 students attended this talk. The teachers and students were impressed by motivator Datin Nor Hafizah Ismail's excellent presentation

"The Power Of Persuasion"

The second motivational talk was conducted for a working class audience starting immediately after the first session. The topic was **"THE POWER OF PERSUASION"**. The motivator highlighted that persuasion is one of the most effective strategy a person can apply in all occasions. The key factor of this form of social influence is that you rely on appeal rather than force. People decide for themselves rather than you change their views and actions. People like to make decisions independently and for their own good. She further added that understanding all individuals is an intelligent and rationale factor. Everyone has the ability to learn and construct thoughts, based on how they view and understand their surroundings. The main goal of persuasion is to let people rationalise and construct thoughts according to your suggestion. Communication is a vital factor in the power of persuasion, since one of our objectives is to find out what the other person is trying to achieve.

The session went on very well and the subject was well covered by a PowerPoint presentation. A total of 80 participants, Rotarians, doctors, hospital matrons, staff, administration executives, government officers, teachers and guests attended this talk. She reminded the participants that **"The Power of Persuasion is within Your Reach"** Finally the participants applauded the Motivator, Datin Nor Hafizah Ismail, for her excellent presentation throughout the session.

Membership And Retention

The Rotary Year 2010/11 was very challenging in recruiting new members to the club. We started with 24 members and aimed to increase our membership by 20% by the end of this Rotary Year 2010/11. We managed to recruit only two (2) members and they were inducted during the District Governor's visit on 13th October 2010.

1. Dr Premadeva C Satkurumatha – an Ophthalmologist working in Hospital Teluk Intan.
2. Mr Muniandy a Senior Insurance Agent of Hutan Melintang.

Two (2) of our club members joined another Rotary Club because they have moved off to their home town after retirement.

International Service Project – Literacy

The Rotary Club of Teluk Intan, RI District 3300 Malaysia and sister club Rotary Club of Western Pampanga, RI District 3790 Philippines, come to an understanding to carry out a literacy project in Rotary Year 2010/11.

Members of the Rotary Club Teluk Intan made a trip to Arayat, Pampanga, Philippines on 28th November 2008 to carry out a joint medical and dental camp to assist the victims of a massive landslide at the foot of Mt Arayat. The members spent a week in erecting tents (shelter boxes received from UK) for the victims and visited the villages around the landslide area.

It has been decided during the sister club agreement on 28th November 2008, mutually agreed to adopt a total of ten (10) students who were victims of the landslide. The Rotary Club of Western Pampanga submitted names, schools and family background of deserving students for financial aid.

The Rotary Club of Teluk Intan and Rotary Club of Western Pampanga agreed to work together to undertake the following:

1. Jointly adopt ten (10) Filipino high school students, each club choosing 5 scholars from a list submitted by the Rotary Club of Western Pampanga. A minimum of 2 years Public High School Scholarship will be awarded – Grant starting Rotary year 2010/11
2. The Joint Scholarship Grants is subject to extension for another two years upon recommendation of the committee and mutual agreement of both Rotary Clubs – signed during the District Governor's visit to Rotary Club of Teluk Intan on 13th October 2010
3. Both Rotary Clubs shall each undertake to contribute P100,000.00 (USD2,170) in two instalments of USD1,085 to be deposited to a Bank Account yearly and exclusively used for official disbursements relative to the school tuition fees, school supplies and other school fees for a period of two years, upon signing this Memorandum of Agreement.
4. Rotary Club of Western Pampanga shall form a Project Committee to oversee the programme, submit financial and students' school performance reports to Rotary Club of Teluk Intan at the end of every semester.

The photos will highlight more.

Sewing Centre For Single Mothers

The Rotary Club of Teluk Intan decided to set up a Sewing Centre for Single Mothers at 1st Floor, No. 116-1, Jalan Intan 5, Bandar Baru Teluk Intan, to generate income and alleviate hardship for struggling single mothers with families in the vicinity of Hilir Perak.

Project Aim:
- Educate
- Employment
- Self Independent

Project Mission:
The project creates an opportunity for single mothers to achieve educational enrichment. This project is one of the most effective paths out of poverty.

Goals:
The Rotary Club of Teluk Intan hopes that this programme will serve as a guide for single mothers and will boost determination among them towards the elimination of poverty. Above all, it will take a commitment, a determination to end the poverty so that many single mothers and their children will lead a comfortable life.

Main Principles of Single Mother Project:
- Self-sufficiency for single mothers
- Focus on positive incentives, rather than punitive measures
- Utilise available resources to meet our goal
- Ensure that all eligible mothers receive benefits
- Promote collaboration among service partners

There are 700 single mothers registered for financial assistance with the Welfare Department at the moment. The number is increasing daily. They are categorised as follows:
- Not legally married
- Divorcees
- Widows
- Deserted by husband

Single mothers issue has become a social problem to the society. Besides being mothers they must carry out duties of the father as well. They face extreme challenges in their daily routine to take charge of the school going children and household chores. Single mothers with little qualification and training, and without permanent work will add social problems to the environment and economy. Some single mothers with no help, are forced into immoral activities.

The Rotary Club of Teluk Intan initiated this programme with the help of CIMB Foundation and Welfare Department of Teluk Intan to provide assistance to the single mothers to overcome their financial burden and enlighten their future with a decent income to self-sustain and have a better family life.

Single mothers face special challenges in managing a family of their own. However, for mothers of low income, the challenges may be overwhelming and they find themselves and their children struggling against formidable obstacles.

Many factors contribute to the high rate of poverty among women, including unequal opportunities in education and employment and jobs that do not provide adequate wages and benefits. Many women devote their time to unpaid family care. They face domestic violence, lack of access to affordable child care, insufficient child support and an inadequate network of public benefits.

Single mothers with low income can face a series of crises, juggling between untenable alternatives. They look forward for safe, decent and affordable shelter without spending too much of the family income and have enough left for food.

How to get a job that offers benefits? How to locate high quality, affordable child care? How to navigate the bureaucracy for public benefits?

In addition, we decided to shine a torch on single mothers in poverty, to draw attention to their plight and work towards policy changes that would benefit them and their children. The picture is not relentlessly bleak. However, we have found programmes that will successfully launch single mothers into economic self-sufficiency. They share the same characteristics, the most prominent of which is that they take a comprehensive approach to addressing the needs of the poor. Programmes like a sewing centre provide intensive, respectful guidance, support for education, and attainable shelter.

When a single mother leaves poverty, she will take her children with her to lead a comfortable life. Is that not what we all aspire for?

Sewing Centre For Single Mothers

Computer Centre At The Public Library

We have decided to set up a computer centre at the Public Library because of its location and facilities including excellent management staff at all times. Parents and students get maximum benefits through these well equipped facilities. We have opened the door to the world through internet facilities and now it is the responsibility of parents, teachers and students to make full use of them. They should use them constructively to further explore world knowledge and expose themselves globally.

Computer education over the years has become a vastly popular household necessity. The practice of emailing messages as compared to charging up the phone bill is becoming more and more popular. Checking news, weather and sports via the internet is a convenience that many are taking advantage of. Our children's lives are already being influenced by the technology and software titles targeting young children continue to increase. Computer Science has become a compulsory subject in modern schools. Today, we find usage of computers everywhere, whether to reserve a train/ air ticket or in banking. This is because it is faster and it helps us to complete our wok without mistakes. So parents too have realised the need to help children develop strong computer skills.

The computer centre at the Public Library was declared open on 30th January 2011 by Yang Berbahagia Dato' Mah Siew Keong DPMP, AMP.

The Collar Pin of Rotary Club of Teluk Intan

THE OBJECTIVE of this collar pin is to give an identity to the Rotary Club of Teluk Intan. It was designed by **Sumetha Nagalingam** (M.A. Design for Interactive Media, London) on 1st July 2010. She is working as a Senior Lecturer and Chairperson for Faculty of Arts in University Sains Malaysia, Penang. Its significant features are:

Round Shape

It is an identity of the Globe

Size:
2½ x 2½ cm

Weight:
4.36 grammes

Colour – Blue and Gold

Blue Color Symbolises:
Youth, Spirituality, Truth, Peace and love

Gold Color Symbolises:
Justice, Power, Strength and Perfection

Rotary International Logo

In the collar pin, the Rotary International logo is included to signify that the Club is part of Rotary International.

Leaning Clock Tower

One of the town attractions is the Leaning Tower erected in 1885 by a Chinese builder, Mr Leong Choon Cheong. It started to tilt four years after its completion due to underground stream. The tower was originally used as water storage for the town. It has a clock at the top, which still rings every 15 minutes. The tower also serves as a beacon to guide ships into Teluk Intan Port. Currently it is a local tourist attraction, and no longer stores. The area around the tower was paved with bricks and became a plaza.

The main street at the centre of Teluk Intan, Jalan Ah Cheong, is named after Leong Choon Cheong to commemorate his contribution.

Hibiscus Flower (*Rosa sinensis*) With Five (5) Petals

The Malaysian National Flower is the hibiscus *Rosa sinensis*. It is locally known as Bunga Raya. The origin of its existence in this country is unknown. It is believed to have been brought to Malaysia through early trade from its original home in China around the 12th century. Hence, its scientific name is sinensis meaning Chinese.

The flower is found in abundance throughout the country. For this very reason, it was chosen as the national flower in 1960 by Malaysia's first Prime Minister, Tunku Abdul Rahman Putra Al-Haj.

The hibiscus *Rosa sinensis* was chosen as it symbolises the Rukun Negara (Principles of the Nation) with its 5 petals, and the red symbolises courage and unity of its people.

Dear Club Presidents and Club Secretaries of Rotary Club in District 3300:

It is my pleasure to congratulate you on your installation as club officers of 2012–13.

In Rotary, enthusiasm is contagious. When the club officers are enthusiastic, the members feel it. Their ambition and their motivation grow. They accomplish more, and they set their goals higher. A good club officer challenges the club's members, setting expectations that are both ambitious and realistic. When members see this, they rise to these challenges—and choose to challenge themselves.

I love the word "challenge." I always say, you won't know until you try. This is true in business, and it is also true in Rotary service. Instead of looking for a reason why you can not do something, look for a way that you can. Don't worry about failure. Focus on success.

Every Rotary office is a challenge. It is a chance to find out what we can do. I hope that in this Rotary year, you will achieve more than you ever imagined and find *Peace through Service*.

Yours in Rotary,

S. Tanaka

MESSAGE FROM DISTRICT GOVERNOR
RI DISTRICT 3300

Dear Incoming President Dr. Chanderpal Kaur

Congratulations to you and your Board of Directors for coming forward to be leaders of your club to continue the tradition of serving humanity in the Rotary spirit of Service Above Self. I wish you a good year of service.

Next year's theme is Peace Through Service.

Peace can mean many things to many people; not just a state of no war or no conflict. A child who is not hungry, will have a peace of mind, and can thus focus his energy on what he potentially can do and grow up to become a good citizen of the world.

A child who has the opportunity to read, to learn, will have peace in his soul to become a person he wants to be for the good of mankind. Similarly, a healthy community, due to clean drinking water, availability of basic sanitation and adequate health facilities, has more good things to offer to its neighbours and to the world at large.

And we, Rotarians, must continue to cultivate the seeds of understanding between us; between diverse racial, religious and national groups, through service, to promote and preserve peace.

Now at the watershed of the new century of service, Rotary International is embarking on the Rotary Strategy Plan and Future Vision Plan as key tools to ensure that we stay relevant as Rotary Clubs and as Rotarians for the next 100 years. It is incumbent upon us Rotary leaders to understand the essence of, and the deliverables under, these tools.

I hope you will enjoy the incoming Rotary year, and I wish you success in your service activities.

Peace Through Service

MESSAGE FROM INCOMING PRESIDENT
Dr. Chanderpal Kaur

My fellow Rotarians

I extend my warm Greetings to all of you.

I would like to take this opportunity to thank all the members of the Rotary Club of Teluk Intan for electing me as their leader for Rotary Year 2012-13. I am humbled by the faith that all of you have placed in me. My special thanks go to my mentor PDG Dr. Rajindar Singh.

This year we will be celebrating the 60th anniversary of our club. In the last 60 years our club has done a lot of good benefitting all. In the coming year we will continue to carry on with doing good in our community and in communities around the world. I am confident that with the support of all the members we will be able to reach greater heights.

The theme for this Rotary Year is "Peace through Service", so let us join hands to bring peace to as many as possible.

I would like to thank all the donors for their generous contributions to our Charity Fund, thereby helping us to help others.

With kind regards.

RON D BURTON

Rotary International President
Rotary Year 2013/14

Dear Club President and Club Secretaries of Rotary Clubs in District 3300

Congratulations you on your installation as club-officers of 2013-14. I am confident you will have a busy and rewarding year.

At every stage in our lives, Rotary has something for each of us. From the moment we became Rotarians, the world of Rotary service was open to us – and it became our obligation to choose how best to serve.

In this Rotary year, you have taken on the commitment of holding a Rotary office. You have decided to take the next step in your Rotary service and accepted the privilege and the responsibility that come with that decision. How successful your year in office will be, will depend on you; on your planning, your enthusiasm, your dedication and your hard work. In Rotary, as in so much else in life, the more you invest, the better your return.

It is an incredibly exciting year to be Rotarian and to be a Rotary officer. The challenge in Rotary leaders, at every level, is to help, is to help every Rotarian realize the potential that lies before us, as we finish the job of polio eradication and more forward in a new era for our Rotary Foundation.

The more Rotarians are engaged in Rotary service, the more we all realize what we can achieve through Rotary – and our potential knows no limits. I wish you a wonderful year of successful service as we work together to "ENGAGE ROTARY, CHANGE LIVES"

Sincerely

Ron D Burton

MESSAGE FROM

DATUK DR MOHINDER SINGH MALHOTRA JP

District Governor Rotary Year 2013/14
Rotary International – District 3300

Dear Incoming President and Office Bearers,

My heartiest congratulations to you and your incoming officers. The Year 2013/2014 is a special year in our Rotary history as it marks the launching of the Future Vision Plan by Rotary International. You and your officers are specially privileged to be the first to participate in the implementation of the Plan.

The Theme for this year is "Engage Rotary, Change Lives". In keeping with this theme, I support your club focus on some of the following challenges/ priorities:-

- Increase your membership
- Engage all members in active humanitarian service
- Support The Rotary Foundation
- Support Yayasan Kelab-Kelab Rotary Malaysia
- Make every Rotarians register for the district Conference 2013 and the District Assembly 2014
- Participate/Support our Signature Projects
- Apply for RI Global grants and our District Grants (before 15 August 2013) to enhance your humanitarian service efforts
- Strengthen the resources of your club
- Support Interact/Rotaract – if your club has none, establish one now
- Leave a long term impact of your year – create at least one sustainable project
- Make Rotary affordable to your members
- Engage your whole family in Rotary
- Go for Excellence in Your Rotary projects/endeavours

Above all, cherish Rotary and make this a better world for all.

I wish you, your incoming officers and your members a fruitful and enjoyable year. Make it a landmark year for you and your club.

Yours in Rotary Service

Datuk Dr Mohinder Singh Malhotra JP

MESSAGE FROM

DR RAJINDAR SINGH

Past District Governor
Club Advisor
District Rotary Foundation Chair
Rotary Public Image Coordinator Zone 6B

My fellow Rotarians, Family and Friends of Rotary

Rotary is known for its change of leadership every first of July. The old order changes, giving place to the new. It is this regular changing of guards that continuously brings new ideas, new vigor and new life to Rotary and make for much strength and dynamism in our serving others. Leaders in Rotary change but leadership does not and in this process we find our greatest strength. Continuity flows through the club presidents like the water of a river. From the strength of the current year we draw momentum for the years yet to be.

I would like to congratulate the outgoing President Dr Chanderpal Kaur and her Board of Directors for the various activities that they carried out throughout the year. These acts improved the lives of many in our community and in communities around the world. As a result she received the Presidential Citation from Rotary International President Sakuji Tanaka. In addition the club was recognized by the Rotary Foundation of Rotary International as a 100% EREY Club. The final test of a leader is that he/she leaves behind him/her in other men/women the conviction and will to carry on. She has succeeded in that.

I wish incoming President Steven Lee the very best. He has finally taken the bold step to lead the club. This year the new grants will come into force, there will be a new Rotary International website and the changes made by the Council on Legislation will come into force. This indeed is a historic year. I am confident that President Steven Lee and his Board of directors working together will take the club to greater heights.

"Engage Rotary and Change Lives"

Sincerely,

PDG Dr Rajindar Singh AMP, PHF, JRF

Outgoing President
Rotary Year 2012/13

The one year of office as President of Rotary Club Teluk Intan has so quickly come to an end and it has been a very fruitful year for me on the whole.

I have learned many wonderful things during my tenure as a President by involving myself in various events at the club and district level. I have earned fraternity and friendship of marvelous people in Rotary circle during the year 2012/13

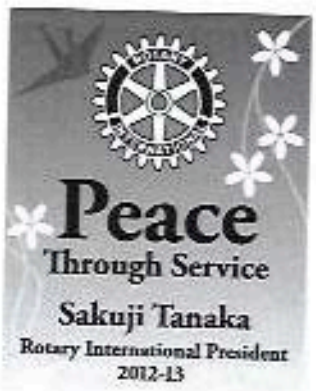
I would like to thank the Board of Directors and family members for being very supportive in completing numerous projects, especially setting up an 'OUTDOOR GYMNASIUM' at the Speedy Padang, Teluk Intan. This project is an eye opener to the public that Rotary Club Teluk Intan is a caring organisation and providing services to the needy for the past 61 years in town.

I take this opportunity to thank our District Governor Mansoor Saat and First Lady Emzita, Past District Governor Dr Rajindar Singh and Assistant Governor Surendra Kaur and fellow Rotarians for the support and encouragement given to me during the Rotary Year 2012/13. I also thank all advertisers, donors, the press and well-wishers for their support.

I wish to congratulate incoming President Rotarian Steven Lee and his Board of Directors a very successful, rewarding and joyful year in office.

Thank you and God bless

Dr Chanderpal Kaur PHF



MESSAGE FROM

STEVEN LEE NYIT FONG

Incoming President
Rotary Year 2013/14

Warmest greetings.

It is indeed an honour and privilege to be elected as the 62nd President Rotary Club of Teluk Intan for the Rotary 2013/14. The Rotary Club of Teluk Intan is a premier club with the outstanding track records for its contributions at club, district and international level for the past 60 years.

The theme for the Rotary Year 2013/14 is "Engage Rotary, Change Lives". It is to focus on humanitarian, education, vocational and community projects to eliminate the suffering and provide service to the needy. I am confident that with the good support and guidance of the Board of Directors and members this could be achieved.

All Rotarians have one ambition in common – to serve, as envisioned in the Rotary International motto "SERVICE ABOVE SELF".

I take this opportunity to thank and congratulate the outgoing Board for the work well done and the Organising Committee for their effort in organising this simple Installation. I also thank Past District Governor Dr Rajindar Singh for gracing this occasion and encouraging us all the time to be vibrant and focus on remarkable projects.

Finally to all present, thank you very much for sparing the time and joining us on this joyous occasion.

Thank you

Rtn Steven Lee Nyit Fong

PERFORMING ARTS CHARITY SHOW – "THE DREAM PROJECT"

Bethany Home is a Training Centre for people with learning disabilities. It assists children with epilepsy, autism, intellectually challenged, Down's Syndrome and cerebral palsy. It serves a group of children and adults who are learning to be independent at home and in the community. There are 155 of them, aged 1 year to 63 years old. A lot of outdoor activities are carried out that give these people an opportunity to SEE, LEARN and PRACTISE good social behaviours that are acceptable in the community.

Since 2010, to develop New Land has been one of the priorities of Bethany Home. The land has been raised with sand and is now ready for the work in implementing the three-fold Dream of Bethany Home:

a) Playing field and futsal court

b) Work Skill Block and Retirement Village

c) Farm and nursery

RM150,000 was needed to materialise the first phase of the Dream Project on the New Land, that is to construct a futsal court and a playing field. To raise this amount, the Rotary Club of Teluk Intan joined hands with Bethany Home to organise a Charity Ballet Concert on 28th July 2012, 8:00-10:30 p.m. at Dewan Perbandaran Teluk Intan, Perak.

PDG Dr Rajindar Singh was the Chairman of the organising committee and members of the club assisted in raising funds for the charity show. In addition, the Interactors assisted during the show.

A sum of RM144,474.00 was raised.

RCTI serah 10 peralatan senaman

TELUK INTAN - Komited me wujudkan budaya hidup sihat, Rotary Club Teluk Intan (RCTI) menyerahkan 10 peralatan senaman kepada Majlis Perbandaran Teluk Intan (MPTI) untuk kegunaan awam.

Presiden RCTI, Dr Rajendran Singh berkata, kelab itu sudah aktif menjalankan program kemasyarakat annya dengan terus menyumbang khidmat kepada masyarakat.

Menurutnya, pada kali ini, pihaknya menyumbangkan 10 peralatan sukan yang berupaya kesebelasan gelanggang bola keranjang di Padang Jalan Speedy di sini.

"Penyerahan peralatan sukan ini sebagai usaha kami menggalakkan penduduk meningkatkan tahap kesihatan melalui senaman.

"Ia merupakan tanggungjawab sosial RCTI dalam usaha memberi kesedaran tinggi kepada masyarakat pentingnya riadah sebagai amalan harian seterusnya melahirkan rakyat yang sihat," katanya.

Majlis telah dirasmikan Exco Belia Sukan Komunikasi dan Multimedia, Datuk Shahrul Zaman Yahya, melalui wakilnya, pegawai khas, Ahmad Mat Attar.

Hadir sama, Pegawai Daerah Hilir Perak, Shahril Ismail dan Setiausaha MPTI, Ayub Shahadan.

Sementara itu, Shahrul Zaman dalam teks ucapannya berkata, kerajaan negeri sentiasa menggalakkan beberapa kemudahan memainkan peranan memberi kesedaran kepada masyarakat mengenai pentingnya kesihatan sebagai aset berharga ke arah pembangunan negara.

Katanya, rakyat yang mengamalkan riadah sebagai amalan harian dapat melahirkan perasaan yang cergas dan cerdas selain dapat mencegah dari pada daripada penyakit.

Beliau berkata aktiviti sukan sekarang tidak lagi berkisar kepada pencapaian kesihatan malahan telah diadili kan komersial.

"Mereka yang aktif dalam sukan bukan sahaja memperoleh pendapatan lumayan.

"Ini dibuktikan oleh atlet kita yang mampu menjana keluarga melalui sukan dan olahraga," katanya.

MESSAGE FROM DISTRICT GOVERNOR
RI DISTRICT 3300

Dear Incoming President Dr. Chanderpal Kaur

Congratulations to you and your Board of Directors for coming forward to be leaders of your club to continue the tradition of serving humanity in the Rotary spirit of Service Above Self. I wish you a good year of service.

Next year's theme is Peace Through Service.

Peace can mean many things to many people; not just a state of no war or no conflict. A child who is not hungry, will have a peace of mind, and can thus focus his energy on what he potentially can do and grow up to become a good citizen of the world.

A child who has the opportunity to read, to learn, will have peace in his soul to become a person he wants to be for the good of mankind. Similarly, a healthy community, due to clean drinking water, availability of basic sanitation and adequate health facilities, has more good things to offer to its neighbours and to the world at large.

And we, Rotarians, must continue to cultivate the seeds of understanding between us; between diverse racial, religious and national groups, through service, to promote and preserve peace.

Now at the watershed of the new century of service, Rotary International is embarking on the Rotary Strategy Plan and Future Vision Plan as key tools to ensure that we stay relevant as Rotary Clubs and as Rotarians for the next 100 years. It is incumbent upon us Rotary leaders to understand the essence of, and the deliverables under, these tools.

I hope you will enjoy the incoming Rotary year, and I wish you success in your service activities.

Peace Through Service

MESSAGE FROM INCOMING PRESIDENT
Dr. Chanderpal Kaur

My fellow Rotarians

I extend my warm Greetings to all of you.

I would like to take this opportunity to thank all the members of the Rotary Club of Teluk Intan for electing me as their leader for Rotary Year 2012-13. I am humbled by the faith that all of you have placed in me. My special thanks go to my mentor PDG Dr. Rajindar Singh.

This year we will be celebrating the 60th anniversary of our club. In the last 60 years our club has done a lot of good benefitting all. In the coming year we will continue to carry on with doing good in our community and in communities around the world. I am confident that with the support of all the members we will be able to reach greater heights.

The theme for this Rotary Year is "Peace through Service", so let us join hands to bring peace to as many as possible.

I would like to thank all the donors for their generous contributions to our Charity Fund, thereby helping us to help others.

With kind regards.

RI President

Dear President Dr Chanderpal Kaur

I am happy to congratulate you on your installation to the office of 2014-15 club officers.

Your office is important not just for the tasks you perform, but for the leadership you provide. As an officer in your club, you serve as an example - of motivation, engagement, and service.

Rotary's global leadership may help set priorities and chart a course, but it is you, at the club level, who hold Rotary's future in your hands. It is at the club level that we succeed or fail, because it is at the club level that members become excited about service, and pull together to make change.

No one knows your members, or your community, better than you do yourself, and you have the opportunity to harness that knowledge and your leadership role to generate enthusiasm for Rotary's mission. In Rotary we find solutions, not excuses. Committed members make a strong club, and strong clubs make Rotary shine.

Each Rotary year is a new beginning, a new chance to strive for greatness. I wish you every success in your new role, as we work together to Light Up Rotary.

Sincerely,

Gary C.K. Huang

Dear President Dr. Chanderpal Kaur

I am delighted to send my greetings and best wishes to you as well as the Members of your Board of Directors on the occasion of your Installation.

Congratulations! To outgoing President Steven Lee and the outgoing Board for successfully carrying out some worthwhile and significant projects during the last Rotary Year.

I have no doubt that you as the new President and your new team would, in line with the traditions of the Club, be able to continue to take the Club to much greater heights. I also wish that the New Rotary Year will witness a growth in your Membership.

For the benefit of all Members, I have outlined my Goals for the new Rotary Year. If I may single out some of them, which include:

- Be Rotary Proud
- Increase Women Membership
- To produce the "Rotary Coffee Table Book - Our Rotary Story"
- Support the "Rotary Kasih Project"
- Organize the "National Essay Writing Competition" for Interactors and Rotaractors
- Encourage and support the National Interact Quiz organised by RC Bandar Sunway on behalf of the District
- Achieve the RY 2014-2015 Presidential Citation.

RI President Gary Huang chose "Light Up Rotary" as his Theme for RY 2014-2015.Gary was inspired by the teachings of Chinese philosopher Confucius who said "It is better to Light a single candle, than to sit and curse the darkness."

I invite you all to join me collectively to "Light Up Rotary" in our journey to serve humanity and helping them bring sunshine in their Lives.
Have an enjoyable evening.

Message From

Outgoing President

Now, after a year of presidency term for Rotary Year 2013-14, it is time for me to pass my lighter or matchstick to our incoming President PP Dr Chanderpal Kaur to:
"LIGHT UP ROTARY"

During my term of office, my heartfelt thank goes to my Board of Directors, members and families members of Rotary, who had one or another contributed their support in kind and service to have our planned projects carried out with them involve "Engage Rotary, Change Lives".

It had been acknowledged by the public and the media on the community service provided :

1. Distribution of refreshment and snacks on every 2nd Saturday of the month to the public encouraging them to exercise for a healthy living. Flyers on "10,000 steps Daily To A Healthy Living" were distributed.
2. World Interact Week on 9th November 2013 with our Interactors.
3. Recognizing women on International Women's Day on 8th March 2014.
4. Gathering the public on 12th March 2014 to Pray for MH 370.
5. Participated the "Largest Simultaneous Skipping Event" to enter the Malaysia Book of records with 576 registered participants supported by Interact Clubs of SMK Convent, SMK St Anthony, SMK Horley Methodist & SMJK San Min.
6. Recorded 100+ people to have their blood tested at a negotiated reduced rate between April to May 2014.

Besides running community projects, we have club speakers on topic of interest, fellowships, monthly birthday's celebration during club meetings and outings too.

In District 3300 events, I need to thank our PDG Dr Rajindar Singh and PP Surenda Kaur who both took up their role for our club to achieve the objectives.

My wife and me wish to thank all the members of the Rotary Club of Teluk Intan, school principals, teachers advisors and friends for all the support that you have given and not forgetting my AG PP Jaya Letchumi Kuttan as well.

Before bidding farewell, my well wishes to President PP Dr Chanderpal Kaur and her Board of Directors all the best to "Light Up Rotary".

Yours in Rotary Service,

In Coming President

Dear Friends,

Greetings.

I would like to thank my fellow Rotarians for showing their confidence in me by selecting me as their leader for the second term. It is indeed a great honour for me. Hope to do better in my second innings with your cooperation, help and encouragement.

I would like to congratulate out going President Steven Lee and his Board Of Directors for a very fruitful year benefiting Community and Youth. Job well done.

This year's theme for Rotary is "Light up Rotary". Lets join hands to strenghten Rotary Club of Teluk Intan. This year our aim is to increase the Membership. All of us have to work hard on it. We Plan to do other Projects to benefit local community.

I would like to thank Organising committees for working hard to organise this Installation night.

Must thank all Donars and friends of Rotary for their help and continuous support.

With kind regards.

Dear District 3300 Club Officers

My warmest congratulations on your installation as 2015-16 Club Officers. Just as Rotary brings out the best in each of us, so too you, as an officer, will bring out the best in your club. Your passions and strengths will energize your fellow members, which will only increase your club's effectiveness. As a leader, you have a rare opportunity to motivate others in your club to greater integrity, compassion, and Service Above Self. It is not just a responsibility, but a gift to be able to have such an impact. Each club officer has a vital role to play in the continued success of Rotary.

Dedicated members are the bedrock of our service. During your term, your innovative and committed leadership will be the fuel that powers the Rotarians in your club and the good work they do. Rotary is only as strong and vibrant as its clubs, and local officers are the heart and soul of Rotary.

The work you do this coming year will not only improve Rotary, it will improve you and the world around you. I look forward to the unique ways that you will encourage your fellow members to Be a Gift to the World.

Sincerely

Dear President Gopalkrishnan

On behalf of District 3300, I extent my heartiest congratulations to you and your Board of Directors as you take office in the coming Rotary year.

Your members have entrusted you with the leadership to strengthen the club and to further enhance Rotary's service to the community. As a steward of the wellbeing of your club, your leadership is sought, to guide and drive the core values of Rotary.

As you celebrate your 64th President of the Rotary Club of Teluk Intan, it is only appropriate to reflect on your past, the good work you have done and use them as a guide to continuing the good work of Rotary. Some of your past projects are really the hallmark of Teluk Intan. It is heart warming to know that the 1st ever traffic light in your community was built by the Rotary Club of Teluk Intan. The skating rink for the community of Teluk Intan built in 1978 is still very popular . Your club's involvement in youth development is very commendable and this is notable in your involvement in the Interact Clubs under your wing. The District recognizes the strength of the Rotary Club of Teluk Intan. This is further emphasized in the appointment of PP Surendra Kaur as your Group's Assistant Governor.

Rotary through the exchange of ideas and the proactive action of Rotarians extend beyond boundaries to serve communities worldwide.

Rotarians are an inspiration to others. You have been given a gift of humanity; a gift of being a Rotarian. A gift to be proud of, a gift you want to share with others who may not be as gifted as you.

I wish you every success in turning your goals to reality and fulfilling your aspirations for your club to ***Be a Gift to the World***.

Be Rotary Proud!

Dear Fellow Rotarians, Family and Friends of Rotary

Rotary is known for its change of leadership every first of July. The old order changes, giving place to the new. It is this regular changing of guards that continuously brings new ideas, new vigor and new life to Rotary and make for much strength and dynamism in our serving others. Leaders in Rotary change but leadership does not and in this process we find our greatest strength. Continuity flows through the club presidents like the water of a river. From the strength of the current year we draw momentum for the years yet to be.

It was in 1952, that the Rotary Club of Ipoh chartered the Rotary Club of Teluk Anson. This was the first club to be chartered after the Second World War and the sixth in the then Federation of Malaya; the others being Rotary Clubs of Seremban, Kuala Lumpur, Ipoh, Penang and Taiping.

Since then year after year the Presidents and the members have kept the torch alight providing services to the needy, complementing the work of various government agencies. We have acted as catalysts in bringing about a positive change in the communities. We have assisted individuals, families and communities to have facilities that all of us take for granted Health, Education and Literacy, Sanitation and Water.

I would like to congratulate the outgoing President Dr Chanderpal Kaur and her Board of Directors for the various activities that they carried out throughout the year. These acts improved the lives of many in our community and in communities around the world. As a result she received the Presidential Citation from Rotary International President Gary C. K. Huang. In addition the club was recognized by the Rotary Foundation of Rotary International as a 100% EREY Club.

I wish incoming President Gopalkrishnan the very best. He is enthusiastic and has great leadership qualities. I understand that his top priority is to strengthen the club by attracting men and women committed to improving communities worldwide through volunteer service. I am confident that President Gopal Krishnan and his board of directors working together will achieve their goals and take the club to greater heights.

Light up Rotary and be a gift to the world.

MESSAGE FROM YANG DIPERTUA MAJLIS PERBANDARAN TELUK INTAN

Dear Rotarians

I am delighted to get the opportunity to write a message in your souvenir magazine in conjunction with the 64th President M. Gopalkrishnan's Installation for the year 2015-2016.

I am very impressed with the humanitarian projects you all have carried out tirelessly for the last 63 years in Hilir Perak. The community of this area has greatly benefitted through your many health, humanity and literacy projects.

I wish President M. Gopalkrishnan and his board of directors all the best and thank the outgoing President Dr. Chanderpal Kaur and her board members for the job well done.

I will be very glad to work with you all as partner in service, serving our community.

Continue serving and be a gift to the world

Sincerely

Dr Chanderpal Kaur, PHF

Immediate Past President

Warm Greetings to everyone!

It is indeed a great honor and privilege to be elected as the 63rd President of this esteemed club for the Rotary Year 2014-2015.

Rotary gave me the opportunity to extend love and goodwill to others. It taught me to look beyond national patriotism and share the responsibility for advancing the cause of understanding goodwill and peace. It also taught me to develop tolerance and a compassion for others. It taught me to look towards to the improvement of standards of people. Poverty is not a healthy item in terms of generating peace.

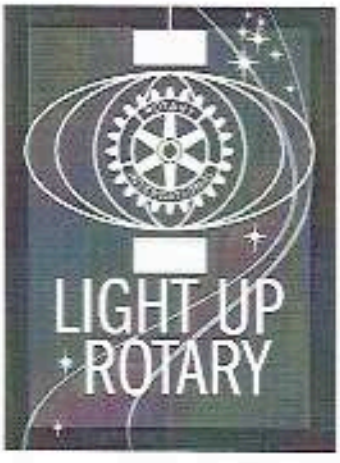
We have increased our membership and carried out numerous projects in all the avenues of service. I sincerely appreciate and acknowledge the efforts of all the members and in particular the Board of Directors for all the meaningful projects carried out during the year. I would like to thank the Family and Friends of Rotary for the excellent support, participation and contributions.

I would like to congratulate and wish our Incoming President Gopalakrishnan and his Board of Directors a very rewarding and a successful year in serving humanity by sharing Rotary.

Come together! The primary goals of the Rotarian are to provide ***"Service above Self"*** through their commitments to improve the quality of life in their communities. Let us build a healthy society and see the happiness among the people.

"LIGHT UP ROTARY"

Thank You.



Dr Chandrapal Kaur, PHF
President 2014-2015

M. Gopalkrishnan

Incoming President

Good Evening Everybody

I am truly honored on being elected as the President of the Rotary Club of Teluk Intan for RY 2015-2016. I would like to thank the members of Rotary Teluk Intan, my mentors PDG Dr Rajindar & AG Surendra for having the confidence in me.

I take this opportunity to congratulate the out going president Dr Chandra for an excellent year in 2014-2015.

The Rotary Club of Teluk Intan has a glorious past. It was chartered in 1952, 63 years ago and I am proud to say that I am its 64th President. Over the past 63 years, it has so many achievements to its credit. I would like to compliment the past presidents of the club who have contributed so much to the club and community in Teluk Intan. When I look at the huge footprints left by these Giants, my only hope is to emulate their achievements / feats.

My dear Rotarians members will be wondering what to expect from this new guy. Firstly, I am lucky to have many able and passionate Rotarians in my committee, who give me the confidence to carry out projects for the club 2015-2016. My plan for the club this year will be in line with the District Strategic Plan, which is to focus on STRENGTHENING MEMBERSHIP, COMMUNITY SERVICE, and achieving our The Rotary Foundation (TRF) goals.

The rotary theme this year is "Be a Gift to the World". RI President KR Ravindran in announcing the presidential theme for 2015-2016 said, "I will ask you to give your faith, I will ask you to give your dedication, commitment and compassion. I will ask you for all these gifts and even more than that... to be a gift yourself, a gift to the world".

To the esteemed members of the Rotary Club of Teluk Intan, I ask you for your support, commitment and compassion.. be a Gift to the Club and the Community of Teluk Intan.

Finally, I would like to thank my family, my beautiful wife and daughters for their unfailing support and understanding.

With Warm Regards

Secretary's Report

The club weekly meetings were held every Wednesday at 8.00 at the Lower Perak Club Teluk Intan. The club was active throughout the year with many activities at the club, district and international levels. There was good participation by members in all activities of the club.

The clubs Assemblies were held quarterly for members to highlight their suggestions and keep the club active at all times.

The service directors played vital role throughout the year by introducing successful projects for the community, vocational and International Service. The new Generation Director rendered excellent service to keep all the four (4) interact clubs active.

Attendance

The attendance averaged 80.00% this Rotary Year 2014/15. President Elect Gopalkrishnan brought in 4 new members and another member by IPP Steven Lee during the year. The new members contributed their part well by attending the club meetings, and took part in all our community projects. They also took part in our district functions and attended International District Conference in Philippines recently.

Past President Rick Gibson from our sister club
(Rotary Club of Strathcona Sunrise - Canada) paid a visit on 7th January 2015

PP Rick Gibson's father Dr. G.A.F.R.Gibson served as a Director of Hospital Teluk Intan from 1946 to 1947. He has contributed a lot for the needy. His father's ashes were brought in by his son and wife and were immersed in Perak River 1999 with help of Rotarians in Teluk Intan. Now, Rick Gibson brought his mother's ashes to do similar rites. This was carried out on 8th January 2015. He paid a visit to the Hospital Teluk Intan to see the father's contribution towards the "Kiddies Corner" and to recall fond memories of his childhood. The Hospital Director Dr.Megat hosted him and briefed him on the current situation of Teluk Intan Hospital. He also shared with him old activities carried out by his father.

Awareness talks on Parkinson's disease

The club had conducted a health talk on Parkinson's disease to promote awareness among the general public at Lower Perak Club on Sunday 12th October 2014.

The talk was organized with the help of Perak Parkinson's Association, Ipoh. The President, Mr. Samuel Ng, developed symptoms of the degenerative disorder in 2007, when he was 42 years old. There are 1000 Parkinson's patients in Perak according to him. Many of them are not aware of the symptoms of the degenerative disorders of the disease at early stage. He has shared his personal experiences related to the sickness and treatments available with the participants.

Dr.Swa Beng Wei, Consultant Neurologist and Physician of Fatimah Hospital, Ipoh, talked about the sickness briefly and suggested treatment available at the moment. The participants had an opportunity to clear their doubts with the doctor during question time.

Alarming rise in "Dengue" cases in Hilir Perak

Mr.Syafiq bin Shafiei from Unit Pendidikan Kesihatan, Pejabat Keshihatan Hilir Perak attended our club meeting at Lower Perak Club on 12th November 2014. He has shared with our members the current situation of dengue fever in Hilir Perak. His topic was "Dengue Disease and Prevention".

According to him, dengue cases in Hilir Perak have increased and the public are advised to take necessary measures to eliminate the "aedes mosquito's breeding ground". A total of 934 cases were reported between January/June 2014. There is a 16% increase in the number of cases in 7 districts namely Kampar, Hilir Perak, Kinta, Hulu Perak, Kuàla Kangsar, Larut Matang and Selama.

The best prevention measures are to avoid being bitten by mosquito. Destroy the mosquito breeding ground. Focus on maintaining the cleanliness of residential areas and workplaces. This includes clearing stagnant water indoor and outdoor, such as old containers, leaves or even the aquarium's overhead filters. He has presented very useful information and his personal experiences in this field.

At the end of the session, the club has decided to conduct "Dengue Awareness Campaign" as joint project with health department shortly.

Skating Rink at Speedy Padang, Teluk Intan

President Woo Yew Choe initiated the skating rink project in 1977 at Speedy Padang, Teluk Intan. Its motto - IT'S FUN YOU CAN FEEL AND GOOD FOR EVERYONE TO HAVE HEALTHY LIFE?

It is almost half a century now and the site is becoming more popular among the children at the moment. The children learn early the benefits of staying healthy and in good physical condition. Enjoyment is the key ingredient in exercise, especially among children.

The club is closely observing the current activities and hopes to rehabilitate the damaged portion in the circuit areas to provide better safety while skating. The club decided to provide cement benches for the parents and visitors to witness the activities of the children. The Majlis Perbandaran Teluk Intan lately installed spot lights and cleared the surroundings areas to maintain a healthy environment.

Outdoor GYM at Speedy Padang, Teluk Intan

The objectives of the club to maintain the outdoor gym at all times are to provide better facilities for locals to have healthy life style. The benefits for using the gym - "Fresh Air Fitness" is listed below:-

1. Blast more calories
2. Save money
3. Be happier
4. Prevent infection of diseases.
5. Think more clearly
6. Work out whenever you are free.

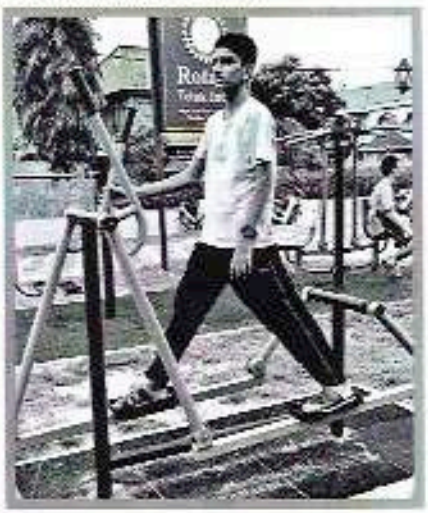
Outdoor exercises can be more fun and an appeal to people of all ages. According to the fitness instructor, when you exercise outdoor your mind become aware of the changing terrains.

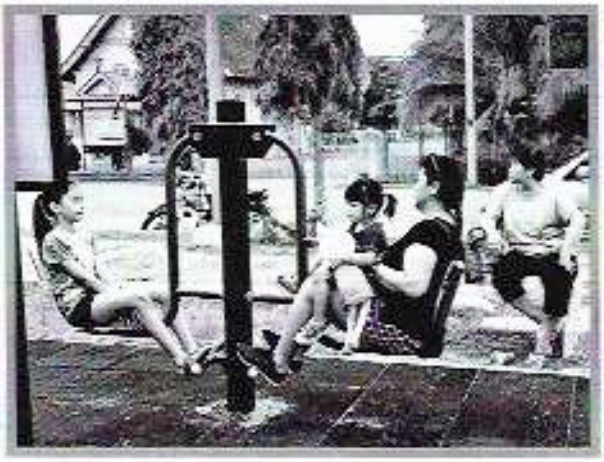
The club recently upgraded the outdoor gym by repairing the defected units and adding (3) additional units to keep the gym as a true entertaining venue for the public to have a healthy life style.

The following units were added in the gym on 27th January 2015

1. Bs Double Pendulum Play station
2. Bs Chest Pump Up
3. Sky Walker c/with 2m Rubber Mat

The club is liaising with the Majlis Perbandaran and police authorities to curb vandalism at the site.





Sewing Center for Single Mothers

The Rotary Club of Teluk Intan initiated this program with the help of CIMB Foundation and Welfare Department of Teluk Intan at 1st Floor, No.116-1, Jalan Intan 5, Bandar Baru, Teluk Intan., to provide assistance to the single mothers to overcome their financial burden and enlighten their future with a decent income to self-sustain and have a better family life.

PROJECT AIM:-

1. EDUCATE **2. EMPLOYMENT** **3. SELF-INDEPENDENT**

The project is going very successfully for the last 5 years. The club has employed a teacher to educate the mothers with tailoring skills and providing materials for them to do their daily routine.

More than 120 single mothers benefited from this project. The response from the public is good. The club has decided to promote this project via media and flyers to inform the single mothers to participate in this project.

The CIMB Foundation contributed another RM 38,000/- towards this project in 2014. President Elect Rotarian Gopalakrishnan is in the process of launching this project in April 2015

The highlights of the Single Mothers activities are shown below:-

Rotary Day Celebration

The club celebrated "Rotary Day" in conjunction with "Valentine Day" at Speedy Padang on Saturday 14th February 2015. The following activities were carried out:

Dear Club Officers of District 3300:

I want to congratulate each of you on your installation as one of the 2016-17 Rotary club officers of District 3300.

As a club officer, you can help strengthen your club — raising awareness of its work, gaining new members, and helping to carry out projects that have a lasting impact. Your guidance and example are essential to keeping your fellow Rotarians enthusiastic and engaged. Our success as a service organization begins at the club level — Rotarians are the foundation of everything that Rotary stands for. Without active members like you, we would not be the organization we are today.

Congratulations again on your new position. I look forward to a year of great accomplishments with your help, and of Rotary Serving Humanity .

Sincerely,

John F. Germ

Message From PDG Dr.Rajindar Singh

Rotary

Dear Fellow Rotarians, Family and Friends of Rotary

One of the characteristics of Rotary is the change of leadership at International, District and Club levels every first of July. The old order changes, giving place to the new. It is this regular changing of guards that continuously brings new ideas, new vigor and new life to Rotary and make for much strength and dynamism in our serving others. Leaders in Rotary change but leadership does not and in this process we find our greatest strength. Continuity flows through the club presidents like the water of a river. From the strength of the current year we draw momentum for the years yet to be.

I would like to congratulate the outgoing President Gopalakrishnan Manickam and his Board of Directors for all the work that they did last year. As a result the club received the Gold Presidential Citation from Rotary International President K. R. Ravindran for helping Rotary make a difference in the lives of people all over the world. In addition the club was recognized by the Rotary Foundation of Rotary International as a Every Rotarian Every Year Club for the US$100 per capita contribution and 100% member participation.

I wish incoming President Paramanathan Karuppanan and his Board of Directors the very best. I am confidant that working together they will achieve their goals and take the club to greater heights.

In 1916 Paul Harris said: "Rotary will continue to be charitable, but let us exterminate the root cause which makes charity necessary."
We know that Rotary does not have the power of governments; the strength of armies; the money of large multinationals; or the mystique of religions that promise eternal life. But it has the faith and enthusiasm of men and women, leaders and volunteers, 1.2 million strong spread in more than 200 countries around the world who are willing to serve selflessly. This is our strength and we can find and address the root causes that make charity necessary.

Serve humanity and be a gift to the world.

Sincerely

PDG Dr. Rajindar Singh

Message From Immediate Past President - Gopalkrishnan Manickam

Rotary

When I wrote this, I had a strange feeling. It was only 12 mths ago that I delivered my acceptance speech, with mixed feelings on whether I can handle the President's post. However, as the year progressed I became comfortable with the great support and encouragement that I received from my members, especially my Board of Directors, my Assistant Governor Surendra and guidance from our Past District Governor Dr Rajinder. My fellow Rotarians, together we have made the 64th year of the Rotary Club of Teluk Intan a great year. We have not only increased in strength but at the same time achieved our goals set.

During the year we carried out many meaningful projects that have benefited the community, in all the avenues of service. We had many fellowship gatherings, participated in District events, visited other clubs both locally and overseas which boosted the morale of the members. In membership, we did very well with a net growth of 11 members. In fact I am proud to say that for 2015/16 Rotary Club of Teluk Intan became the champion in membership in District 3300 and won the Award for the best club in highest growth in the number of new members.

I am even more proud to announce that for 2015/16 our club has earned the Gold Presidential Citation from the President of Rotary International. This is a great recognition of our achievements during the year. In fact we were the 1st club to qualify for the Presidential Citation in District 3300. Credit goes to all our members, especially our Board of Directors, our Assistant Governor & Past District Governor Dr Rajinder. . I salute everyone again for a great year.

To our Incoming President Param and his Board of Directors, my congratulations and wish you well in the year ahead. My congratulations also to our new Assistant Governor Jaya and District Governor Darul Abdullah and his team.

I take this opportunity to thank my District Governor for 2015/16 Siti Subaidah and her team, my Assistant Governor, and Past District Governor Dr Rajinder, my esteemed Board of Directors, all my fellow Rotarians and their family members, all our benefactors, for their support, and commitment in 2015/16.

Finally my special thanks to my beautiful wife and daughters for their encouragement and sacrifice in my Rotary work.

Thank You.

IPP M. Gopalkrishnan

Message from Incoming President K. Paramanathan

Rotary

Dear fellow Rotarians and distinguished guests

On behalf of the Rotary Club of Teluk Intan I bid a very warm welcome to all of you for gracing this auspicious occasion. I feel honoured and privileged to be entrusted to lead this esteemed club as the 65th President. I stand on the shoulders of doyens who have served our community and communities around the world over the past 64 years.

I wish to congratulate outgoing President Gopalkrishnan and his board of directors for an eventful and rewarding year. I am confident that this year, working together as a team, we can take the club to even greater heights.

I would like to thank the President and members of the Rotary Club of Yala for being here. For the past thirteen years they have always been here during the installations. I sincerely appreciate your effort.

I am very grateful to all the donors, advertisers and sponsors for their generosity. Without your support we will not be able to carry out our work.

Let us join hands and serve humanity.

Regards

Rtn. Paramanathan Karuppanan

Dear fellow Rotarian,

Congratulations on your installation to the office of 2017-18 club president.

There can be no Rotary without the more than 35,000 clubs that are dedicated to enhancing communities and improving lives right around the globe. What makes each club successful is the strong and inspiring team that leads it. You are now a part of that team, which will help strengthen your club by welcoming new and engaged members, and planning service projects that will have the most impact. Your club has already done so much for so many; as a club officer, you can help your club do even more.

There's a lot to look forward to during this coming year and I know that by working together, we will achieve great things as we continue to serve local and global communities though *Rotary: Making A Difference.* Congratulations again on your new position.

Sincerely,

Ian H.S. Riseley
President, Rotary International 2017-18

Message by Dr Manohur Kurup
District Governor

My heartiest congratulations on your club's 66th Installation of President Kajentheran and his board of directors. I am delighted to be given the opportunity to pen a few words.

This leadership role that you are taking on will give you the fantastic opportunity to not only motivate your club members, but to also ignite a sense of dynamism, compassion and the "Service Above Self" outlook in them.

As we begin this Rotary Year, we will undoubtedly be welcoming many new leaders, fresh ideas and new goals. As Rotarians, we will continue to change lives and make a positive difference through our service locally and globally which is the theme for the coming year **"Rotary: Making A Difference**".

Every member has a vital role to play in realising the strategic plan set by the Rotary International Board's 3 areas of focus for the Rotary Year 2017-18, which are:

1. **To support and strengthen clubs** - Increase club memberships, diversity and engagement.
2. **Focus and increase humanitarian service** - Engage Rotarians, youths, Rotary alumni and the public in Rotary programs.
3. **Enhance Rotary's public image and awareness** - A positive public image improves your club's relationship with your community and attracts prospective members.

I take this opportunity to say kudos to the President and his committee for organising this Installation dinner. I also say thank you to the Outgoing President Paramanathan and his board members for their past services to the community, less fortunate and for their continued support to the Incoming President and board.

ROTARY: MAKING A DIFFERENCE

Message by PDG Dr Rajindar Singh
District Membership Chair

Dear Distinguished Guests, Fellow Rotarians, Family and Friends of Rotary,

Welcome to the Installation Banquet of our 66th President and the Board of Directors.

It was in 1952, that the Rotary Club of Ipoh chartered the Rotary Club of Teluk Anson. This was the first club to be chartered after the Second World War and the sixth in the then Federation of Malaya; the others being Rotary Clubs of Seremban, Kuala Lumpur, Ipoh, Penang and Taiping.

Since then year after year the Presidents and the members have kept the torch alight providing services to the needy, complementing the work of various government agencies. We have acted as catalysts in bringing about a positive change in the communities. We have assisted individuals, families and communities to have facilities that all of us take for granted – Health, Education and Literacy, Sanitation and Water.

I would like to congratulate the outgoing President Paramanathan Karuppanan and his Board of Directors for all the work that they did last year to make a difference in the lives of people in our community and in communities all over the world.

I wish Incoming President Kajentheran Virdhasalam and his Board of Directors the very best. I am confident that working together they will achieve their goals and take the club to greater heights.

Make a difference by serving humanity.

Sincerely,

PDG Dr. Rajindar Singh

Dear Rotarians,

CONGRATULATORY MESSAGE

It is my pleasure to commemorate Mr Kajentheran Virdhasalam's installation as the 66th President of the Rotary Club of Teluk Intan for the year 2017-2018, with this short contribution to your magazine.

I wish him heartiest congratulations and trust that he will carry out his role with finesse.

The Rotary Club of Teluk Intan has carried out impressive and notable works over the years. Your goodwill and tireless efforts are greatly appreciated by the community of Teluk Intan. I hope that you all will strive to maintain this level of excellence in the future and continue to make progress on the humanitarian front.

I would also like to take this opportunity to commend the exiting President Paramanathan Karuppanan on a job well done, and send my best wishes to the new board of directors. May the club flourish in the years to come.

Thank you.

Sincerely,

Tan Sri Dato' Sri Mah King Thian

I am privileged and honoured to write a message in your souvenir magazine in conjunction with the installation of the 66th President Rtn. Kajentheran Virdhasalam and his Board of Directors for the Rotary year 2017-2018.

I am very impressed with the numerous health humanity, literacy and youth projects which you all have carried out during the last 65 years for our local community. These projects have made a great impact in their lives.

I would like to congratulate the Immediate Past President Rtn. Paramanathan Karuppanan and his Board of Directors for a job well done and wish Incoming President Rtn. Kajentheran Virdhasalam and his board of directors a very successful year in serving humanity.

Outgoing President

Distinguished guests and my fellow Rotarians,

The time has come for me to pass the baton to our Incoming President Rtn Kajentheran Virdhasalam and his Board of Directors to lead the club.

I cannot but fondly remember the year passing by with great pride and satisfaction. Although my year has been challenging but with the guidance and support of our senior Rotarians especially our Club Advisor PDG Dr Rajindar Singh, we emerged even better in serving our community which has earned our Club the Rotary International Presidential Citation Award for Rotary year 2016-2017. The whole credit goes to my very committed, dedicated and hard working Board of Directors for their untiring work.

My sincere appreciation and thanks to each and every member of the club, their spouses, family and friends of Rotary for their undivided support and participation.

Finally, I would like to congratulate Rtn. Kajentheran Virdhasalam, our Incoming 66th President, and his Board of Directors. I wish them a very rewarding and successful year in "Making a Difference" through various Rotary service projects planned for the Rotary year 2017- 2018.

With best regards,

ROTARY: MAKING A DIFFERENCE

Message by Kajentheran Virdhasalam
Incoming President

Dear Distinguished Guests and Fellow Rotarians,

On behalf of the Rotary Club of Teluk Intan, I bid a very warm welcome to all of you who have travelled from far and near to grace this occasion. In particular I wish to thank the President and members of our Sister Club the Rotary Club of Yala, Thailand, who have been coming here for the last 14 years during our club Installations.

We are deeply honoured by the presence of our Guest of Honour Tan Sri Dato' Sri Mah King Thian to be here with us tonight to grace this occasion in spite of his busy schedule. We thank you sincerely, Tan Sri, and we look forward to your continuous support in the coming years too.

I would like to congratulate Outgoing President Paramanathan Karuppanan and his diligent Board of Directors for a job well done, which has earned our club the Rotary International Presidential Citation.

I look forward to the continuous support and participation of every member to lead our Club to even greater heights in this Rotary Year 2017-2018.

Finally, I would like to thank all the donors, advertisers and sponsors for their generous contributions towards our Charity Fund to carry out meaningful service projects.

Let us work together as a team to serve better with impactful projects and "Make a Difference " in the lives of our community and communities around the world.

安順扶輪社成立中心 傳授單親媽媽裁縫技巧

（安顺18日讯）安顺扶轮社日前通过联昌银行（CIMB）基金，购买20台缝纫机，为单亲妈妈提供免费裁缝课程，学会一技之长来帮补家用。

安顺扶轮社早年获联昌银行基金提供6万令吉，成立裁缝中心让单亲妈妈免费学习裁缝技巧。

裁缝中心是在新市镇，经于2010年10月开始启用，目前共有15位单亲母亲参加课程。

当时，由玉兰制衣厂提供为期6个月免费训练给第一批学生。完成第一期课程的学生，其中有4位得到玉兰制衣厂的就职机会。

2012年11月，安顺扶轮社得到霹雳州政府1万4550令吉的资助，补贴裁缝中心的运作。

2014年4月，联昌银行基金批准了3万8000令吉的资金给安顺扶轮社裁缝中心。

至2015年，共有20位学生完成课程，每位学生有能力每个月增加大约800令吉的收入。

日前，安顺扶轮社型得到联昌银行基金批准2万3400令吉的资助。

300 take part in walk for peace in Teluk Intan

SOME 300 people came together to celebrate Rotary Day 2017 during the Walk For Peace event in Teluk Intan recently.

The walk saw participants walking from the Leaning Tower of Teluk Intan to Arena Square starting 8am.

During the walk, judges selected 10 of the best-dressed participants from three categories – men, women and girls aged below 18.

The 30 participants each received a hamper, while the first, second and third place winners won hampers and cash prizes.

Other activities were also held at Arena Square, such as health screening, lucky draw, eye test booth, dental care booth, cancer awareness booth, blood donation, organ donation, and colouring contest.

Some 250 students, aged below 18 years, participated in the colouring contest, themed "World Peace."

While the contest was going on, members of Interact Clubs from three schools – SMK Convent, SMK St Anthony and SMK San Min – performed cultural songs and dances.

Teluk Intan MP Datuk Seri Mah Siew Keong launched the event. The event ended at 1pm after prizes were given out to the winner of the colouring competition.

安順扶輪社裁縫中心 獲聯昌集團助2.3萬

（安顺13日讯）以免费训练单亲妈妈掌握一技之长—裁缝技术获取收入的安顺扶轮社裁缝中心，近日再获得联昌集团基金（CIMA）捐助2万3400令吉。

这裁缝中心是于2010年10月获得联昌集团基金资助6万300令吉后，安顺扶轮社就用这笔捐款买了20架裁缝机，并把它安置在安顺新市镇一店铺楼上，由安顺玉兰制衣厂为15名单亲妈妈提供为期6个月的免费裁缝技术训练而成立。完成第一期训练的单亲妈妈，其中4名获玉兰制衣厂聘请为职工。

在2014年4月，联昌集团基金再捐助裁缝中心3万8000令吉。

至今大约有100名单亲妈妈通过这裁缝中心的免费职业训练后，每月她们增加了500至1000令吉的收入。

联昌集团基金对安顺扶轮裁缝中心的表现和扶贫功能颇感满意，故于近日再捐助该中心2万3400令吉。

Dear fellow Rotarian,

I want to congratulate you on your installation to the office of 2018-19 club president.

Although the details of each position differ from year to year and place to place, your ultimate responsibility is the same as mine. We work to move Rotary forward, doing whatever we can do to make the part of Rotary that we're responsible for as effective and efficient as it can be. We make sure that we are transparent and accountable while changing the lives of as many people as possible. And we ensure that Rotary provides the best possible experience to its members and continues to grow, all while remaining useful to the world.

It's only by coming together that we're able to accomplish so much. Without active members like you, Rotary wouldn't be the organization it is today. As our new vision statement says: Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

Congratulations again on your appointment as club president. I look forward to having you join me to ***Be the Inspiration***.

Sincerely,

Barry Rassin

Message by Dr Baskaran Gobala Krishnan
District Governor RY 2018-19

Rotary
District 3300, Malaysia

Dear President Chandrasegaran Ramasamy,

It gives me great pleasure to congratulate you and your Board of Directors on becoming the incoming officers of RC Teluk Intan for RY 2018/19. Leadership is one of the core values of Rotary and may your year in office strengthen your leadership qualities as well as your club.

RC Teluk Intan is the 6th oldest club in our District and in your 66 years of existence, your club would have done a great deal for the community in and around Teluk Intan and beyond. Your club has been involved in your local community right from the beginning with the first traffic light in Teluk Intan, Skating rink, Outdoor gymnasium, Sewing Skill Centre, Library for Orang Asli children and observance of Rotary Day with the general public. There must be many more projects that has been carried out that has benefitted the many needy and underprivileged amongst us. Your club has done very well and keep up the great work!!

RC Teluk Intan's involvement with Youth Service is also very commendable and it is not an easy feat to mentor and motivate 6 Interact clubs. Your club is also active in the avenue of International Service with 6 sister clubs from around the world with projects being carried out beyond our shores.

Your club has produced a Past District Governor in PDG Dr Rajindar Singh who happened to be my Governor when I was the president of RC Butterworth in the RY 2008/09. You are fortunate that you have someone like Dr Rajindar and his spouse, PAG Surendra Kaur to guide your club. Your Assistant Governor for the year is AG Fong Seow Kai Chuan who also hails from your club. Please contact her should you need any assistance.

President Chandrasegaran, Be The Inspiration to your club and the communities that your club serves. Through your inspiration, take your club to greater heights. All the best.

Regards,

Dr Baskaran
District Governor 2018-19

Dear Distinguished Guests, Fellow Rotarians, Family and Friends of Rotary

Welcome to the Installation Banquet of our 67th President and the Board of Directors.

It was in 1952, that the Rotary Club of Ipoh chartered the Rotary Club of Teluk Anson. This was the first club to be chartered after the Second World War and the sixth in the then Federation of Malaya; the others being Rotary Clubs of Seremban, Kuala Lumpur, Ipoh, Penang and Taiping.

Since then year after year the Presidents and the members have kept the torch alight providing services to the needy, complementing the work of various government agencies. We have acted as catalysts in bringing about a positive change in the communities. We have assisted individuals, families and communities to have facilities that all of us take for granted – Health, Education and Literacy, Sanitation and Water.

I would like to congratulate the outgoing President Kajentheran Virdhasalam and his Board of Directors for all the work that they did last year to make a difference in the lives of people in our community and in communities all over the world.

I wish to thank all our donors for their continuous support. In particular I wish to thank Tan Sri Dato' Sri Mah King Thian for his generous contributions that enabled us to make a difference in our community.

I wish incoming President Chandrasegaran Ramasamy and his Board of Directors the very best. I am confidant that working together they will achieve their goals and take the club to greater heights.

Rotary's new vision is "Together we see a world where people unite and take action to create lasting change across the globe, in our communities and in ourselves."

Let us "Be The Inspiration"

Sincerely,

PDG Dr. Rajindar Singh
District Membership Chair

Message by YB Terence Naidu

It gives me great pleasure to congratulate President Chandrasegaran Ramasamy on being installed as the sixty seventh President of the Rotary Club of Teluk Intan.

Having been a member of the club in the past, I proscribe to the vision and ideals of Rotary.

On behalf of the new state government, I welcome the efforts of non-governmental organisations like Rotary in serving the community with their many service projects. The wellbeing of the community is not the sole responsibility of the state but should be the joint effort of all parties. I have witnessed this first hand during my time with Rotary. Hence, I believe NGOs such as Rotary can provide a bridge between the state and the community as a whole. I wish you all the best in this current year and years to come.

Message by Kajentheran Virdhasalam
Outgoing President

Greetings fellow Rotarians.

For the past twelve months, it has been a privilege and honour to serve as President. I would like to thank the Rotary Club of Teluk Intan for trusting me and giving me the opportunity to lead the Club.

Within a year, I've learned to be open-minded, to value other people's opinions and to consider other ideas along with mine, to end up with a great final result. Being a part of the Club has taught me skills that I can use in more than just the professional area of my life. It has been an honour, joy and an experience that I will always cherish. I have met many people, made many new friends, and enjoyed it to the fullest.

I would like to thank every Rotarian, their spouses, family and friends of Rotary for their participation and never -ending support.

Last but not least, welcome and congratulations, Rtn. Chandrasegaran Ramasamy and Board of Directors for a very rewarding and successful year in serving humanity. Hoping for the best in the coming years!

"MAKING A DIFFERENCE"

Thank you.

Rtn. Kajentheran Virdhasalam, PHF
Immediate Past President

ROTARY: MAKING A DIFFERENCE

Rotary Club of Teluk Intan

Message by Chandrasegaran Ramasamy
Incoming President

It is indeed a great pleasure and privilege to be given the opportunity to serve as the President of Rotary Club of Teluk Intan for year 2018/19. Even though it's just three years since I joined the club, I really appreciate the confidence and encouragement given by all the members of the club.

Rotary Club of Teluk Intan (RCTI) is an amazing club that does amazing things for the past 66 years and I promise that I will do my best to represent it well. The last Rotary year, with the leadership of our outgoing President Kajentheren Virdhasalam has ended successfully with excellent projects that benefit our community not only in Teluk Intan but spread to Bagan Datuk, Tapah and other places around Teluk Intan. I would say that he made the difference on how we do things. I am very confident that he will be our inspiration to continue with his effort.

On behalf of RCTI I would like to thank Tan Sri Dato Sri Mah King Thian for his generous contribution, which enables us to carry out some of our major projects in year 2017/18. I hope we will get his continuous support towards our goal to serve our community well.

Being president of RCTI, I will adapt out RI vision "Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves". In order to support our vision, we as a TEAM will drive small and sustainable changes to promote better teamwork, not only among members but with our communities as a whole. Change is required to bring more fun in our every activity. So, "Let's be the change" for the better world. We will also focus our efforts in our strategic planning and long term sustainable projects that will benefit our community now and in future.

As I always believe in Team Work, the support, commitment and passion from every member of RCTI will ensure the success of the year. The experience and guidance from our senior members will be our inspiration. The love from my family and friends will motivate me to go beyond.

Thank you

Chandrasegaran Ramasamy

67th Installation Banquet

Message by President Anurak Teerachote
Rotary Club of Yala, Thailand

On behalf of Rotary Club of Yala District3330, Thailand, I would like to congratulate President Chandrasegaran Ramasamy and the board of directors on the 67th special occasion. This occasion is also witnessing our two clubs strong sisterhood relationship for the past 15 years with pride.

Over the years, Rotary Club of Yala and Rotary Club of Teluk Intan have been visiting each other, exchanging ideas on service projects and most importantly foster our friendship and solidarity. We strongly believe that with the current bonding, we learn from each other, encourage each other with the theme of Rotary "Be the Inspiration"

Finally, we wish President Chandrasegaran Ramasamy and Immediate Past President Kajentheran Virdhasalam and his board of directors all the best in the coming term and look forward to have more Rotary collaboration between our two clubs.

Yours in Rotary,

President Anurak Teerachote

Rotary Club of Southbank, Melbourne, Australia

Rotary Club of Teluk Intan, Malaysia, District 3300

My heartiest congratulations on your Club's installation of President Chandrasegaran Ramasamy and his board of directors. I am delighted to be given the opportunity to pen a few words.

Many of your club members and even Rotarians throughout District 3300 in Malaysia know that I'm a second (2nd) generation Rotarian and my parents are Past District Governor (2008-09) Dr. Rajindar Singh and Past Assistant Governor Surendra Kaur from your club, surprise!!!

I was an Interactor in St. Anthony's Secondary School (sponsored by your club) from Form 1 to Form 5 and from memory, I was the Fundraising Director in 2001-2002 and Past Assistant Governor Wong Lee Kong from your club was Rotarian Advisor during that time. Truly enjoyed my Interact days by helping my schoolmates and school in various activities which got involvement from students, parents teachers, even other schools including Rotarians as well. Have to say that Mr. Balasingham who was the Teacher Advisor for my Interact Club and my English teacher who supported my growth, consistently encouraging me to push the boundaries to do better in studies, helping communities, crafting my future and being a good noble/humble person overall – thank you so much Cikgu!

At my club's changeover/installation on 7th July 2018 this year, we formed a sister club agreement with your club and it's an honour & blessing to have two (2) clubs from District 3300, Malaysia to have formed sister club relationship with our club – the other club is Rotary Club of Bangsar.

Rotary Club of Southbank will be celebrating its 20th Anniversary next year on 26th May 2019 and we invite all of you with open arms to come over to the land Down Under, Australia to celebrate with us. Congratulations for your club's 66th Anniversary which was on 11th August 2018. Though we are separated by four (4) decades & being in a different continent/region; both clubs have rich history and takes pride for its undertakings and achievements since founding years till today.

Though the case, we should/must consider change to how we portray ourselves as Rotarians and how we represent Rotary as in our communities. In the past few months at Rotary Club of Southbank, we have made necessary changes and we can see results, it's proven. Like any other corporations, industries and others, Rotary clubs needs to reinvent itself to be purposeful, meaningful, and beneficial so we have engaged members, interested people to be subscribed members and to have people volunteer with Rotary whenever possible.

On behalf of the members from Rotary Club of Southbank, I take this opportunity to congratulate Incoming President Chandrasegaran Ramasamy and his board for the 2018-19 term and to Outgoing President Kajentheran Virdhasalam and his board for their services during the 2017-18 term. And many thanks for having us as your sister club – all the way from Down Under, AUSTRALIA!!!

Yours in Service,

Rotary Southbank Melbourne, Australia

Vocational Trip RY17/18.

A memorable vocational trip to Kampar & Gopeng on 5 November 2017.

The day started with dim sum for breakfast and the group then proceeded to a newly set up seafood restaurant at Tanjung Tualang. The proprietor, Mr. Alex Wong (Charter President of Lions Club of Tanjung Tualang), showed the team around his restaurant.

The next stopover visit was the Kinta Tin Mining Museum before going to the Gaharu Tea Valley in Gopeng.

The day ended with drinks at YOLO in Kampar.

   Chartered on: 4 August 2017
   President Teoh Jian Ying

6. Interact Club of SRK Convent
   Chartered on: 13 April 2018
   President Vaithesvary a/p Chandran

Interact clubs are sponsored by Rotary Clubs whose members provide support and guidance. They bring together people between the ages of 12 to 18 years to develop leadership skills, build international understanding and make new friends around the world. Through Interact the members develop leadership skills while they discover the power of Service Above Self, and find out how serious leadership can be seriously fun!

Mah (in white) checked on the young participants of the colouring contest held in conjunction the Rotary Day event at SJK (C)San Min, Teluk Intan.

ALL Malaysians must play their part in maintaining harmony.

Teluk Intan MP Datuk Seri Mah Siew Keong said people need to uphold good values, promot moderation and reject all forms of extremism.

"To preserve a harmonious society, Malaysians should not harp on racial and religious issues," he said during the Rotary Day 2018 event organised by the Teluk Intan Rotary Club at SJKC San Min in Teluk Intan, last week.

"This is the only way for Malaysia as a multi-racial and multi-religious country to march ahead", he said.

"Our diversity is definitely not a weakness but our strength," he added.

On the general election, Mah said he hopes it will be take place peacefully and smoothly.

He also reminded all Teluk Intan folk to assess their candidates based on their approach

About 400 participants took part in the "Walk For Peace" event during the 2018 Rotary Day, organised by the Teluk Intan Rotary Club.

Commending the Rotary Club for holding the event, Mah also urged other groups to organise similar events to promoting peace and unity.

The event also saw a "Walk For Peace" parade that started from the Leaning Tower at 8am and finished at the school.

About 400 participants took part in the walk. Judges also selected 10 best-dressed participants from four categories to model.

The top three winners from each category were rewarded with a hamper and cash prizes. Other activities held with conjucntion with the event included health screenings, blood and organ donation drives, colouring contest, lucky draw and the best-dressed competition for the walk participants.

Interact Club members from several schools, including SMK Convent, SMK St Antony and SMK San Min also performed dances and songs for the event.

Rotary Club Publicity Director Kee Wei Min said peace and conflict prevention/resolution are among six areas the club focuses on.

He said the aim of the event was to promote the peace among youngsters.

Schoolchildren with the laptops donated by Mah during a ceremony organised by the Rotary Club of Teluk Intan and Ahmad Zahid's service centre.

FIFTY schoolchildren have each received laptops and English books in Bagan Datuk.

Organised by the Rotary Club of Teluk Intan and Bagan Datuk MP Datuk Seri Dr Ahmad Zahid Hamidi's service centre last month, the items are meant to help the secondary, primary and kindergarten students in their studies.

The laptops were donated by MHC Plantation Bhd executive director Tan Sri Mah Kng Thian while 50 sets of English books were donated by the Rotary Club.

"The books are meant to encourage the schoolchildren to read and improve their English skills," said the club's president V. Kajentheran.

"We hope the laptops will help the children complete their schoolwork more efficiently," he said.

Kajentheran said the club cares about the education of schoolchildren and has organised various initiatives to help them with their studies.

"We have been providing free English tuition to primary school pupils this year and the year before.

"We are also going to launch a library project in orang asli settlements soon," he said.

Kee Wei Min
Rotary Club of Teluk Intan, Perak, Malaysia

Dear fellow Rotarian Wei Min,

I want to congratulate you on your installation to the office of 2019-2020 Club President.

Club officers all have their own roles to play in ensuring their club's success, both this year and in the years to come. You have the opportunity to grow Rotary — to grow our service, to grow the impact of our projects, and, most importantly, to grow our membership so that we can achieve more. The example you set is essential in motivating your fellow Rotarians. Rotarians like you are the foundation of everything that Rotary seeks to achieve.

Congratulations again on your appointment as 2019-2020 Club President. I look forward to a year of great accomplishments with your help, as Rotary Connects the World.

Kindest regards,

Mark Daniel Maloney

Dear President Kee Wei Min and Rotarians of RC Teluk Intan,

My heartiest congratulations to President Choo and your Board of Directors on this auspicious occasion of your installation that will herald the start of a new Rotary Year under the Rotary International Theme of **"ROTARY CONNECTS THE WORLD"**. I am confident that under your able and dynamic leadership, you will all lead your club to greater heights.

As you take on your roles be mindful of Rotary's Core Values – **Fellowship, Integrity, Diversity, Service and Leadership**. These values define Rotary and have created new opportunities for connection and service.

The connections and teamwork will last into our year together and far beyond. The aspirations you have set for the year ahead will ensure that Rotary provides a way to connect to our communities, to network professionally and to build strong and lasting relationships

We are joined together in Rotary and **Lets Connect to Serve**;

- Connect to Grow Rotary,
- Connect to Involve Our Families in Rotary,
- Connect to Build a New Generations of Rotary Leaders,
- Connect Rotary to the World With the United Nations.

I wish your club another year of great success as you continue to serve the community both locally and internationally. It is through our friendships and dedication to Service that **ROTARY CONNECTS THE WORLD!**

Message by PDG Dr Rajindar Singh
District Membership Chair

Dear Distinguished Guests, Fellow Rotarians, Family and Friends of Rotary,

Welcome to the Installation Banquet of our 68th President and the Board of Directors.

It was in 1952, that the Rotary Club of Ipoh chartered the Rotary Club of Teluk Anson. This was the first club to be chartered after the Second World War and the sixth in the then Federation of Malaya; the others being Rotary Clubs of Seremban, Kuala Lumpur, Ipoh, Penang and Taiping.

Since then year after year the Presidents and the members have kept the torch alight providing services to the needy, complementing the work of various government agencies. We have acted as catalysts in bringing about a positive change in the communities. We have assisted individuals, families and communities to have facilities that all of us take for granted – Health, Education and Literacy, Sanitation and Water.

I would like to congratulate the outgoing President Chandrasegaran Ramasamy and his Board of Directors for all the work that they have done to make a difference in the lives of people in our community and in communities all over the world.

I wish Incoming President Kee Wei Min and his Board of Directors the very best. I am confident that working together they will achieve their goals and take the club to greater heights.

RI President Elect Mark Maloney said: “Through Rotary, we connect to the incredible diversity of humanity on a truly unique footing, forging deep and lasting ties in pursuit of a common goal. In this ever more divided world, Rotary connects us all.”

Sincerely,

PDG Dr. Rajindar Singh

Message by YB Terence Naidu
Elected Representative to the Perak Legislative Assembly

My heartiest congratulations to President Kee Wei Min on his appointment as the 68th President of the Rotary Club of Teluk intan.

Rotary has always been close to my heart as I was a Rotarian for good 14 years and was President of your prestigious club in 2001-2002 - back then “Mankind was our business” being the theme for that year and we did all that we could in the club to keep up with the spirit of the theme.

In your coming year your theme is “Rotary Connects the World” which asks Rotarians to strengthen the many ways that Rotary Connects the World, building the connections that allow talented, thoughtful, and generous people to unite and take meaningful action through Rotary service. I am confident in my previous interactions with you that you will indeed live up to the high Rotary standards called of a President and commit the club to achieve this theme in this small part of the world and together with all other clubs make this theme a global success.

On another note, It was a pleasure to recently officiate the launching of the second phase of of your new outdoor gym with the collaboration of OCBC Bank Berhad. I have full trust that the club will continue its good work to bring service projects to Teluk Intan and you have my full support in achieving your goals.

Outgoing President

Dear Rotarians and Friends,

I am delighted to be given the opportunity to serve as the President of Rotary Club of Teluk Intan for year 2018/19. Thank you, all the members to have the trust and confidence in me to take up the important role.

Since I joined the club in 2015, Rotary has given me the opportunity to contribute for the local community and meeting great leaders not only within the club, in District and Internationally. As a President, the role has enhance my leadership skills and thought me, managing the time between family, business and social responsibilities.

With the great support, commitment and dedication from every member including the Board of Directors and Interactors, the club has achieved awards namely, “Every Rotarian Every Year (EREY) Club”, “USD 1,000 PolioPlus Giving Club”, “Outstanding President for RY2018-2019 Award” and “Rotary International Presidential Citation Award”.

On behalf of RCTI I would like to thank all our sponsors for their generous contribution, which enables us to carry out some of our major projects in year 2018/19. I hope we will have their continuous support towards our goal to serve our community well.

I would like to take this opportunity to congratulate and wish our Incoming President Kee Wei Min and his Board of Directors a very successful year in serving our community.

Thank you

Message by Kee Wei Min
Incoming President

It is an honour and a pleasure to serve as the Rotary Year 2019 - 2020 President of the Rotary Club of Teluk Intan. I will strive to improve attendance, involve all members to enjoy Rotary activities, increase membership, strengthen our Rotary image and create a positive change in communities.

To be able to serve is a gift and blessing that not all are privileged enough to do and Rotary is the platform to share this gift. Let us use this opportunity as Rotarians to elevate ourselves and continue to help those in need.

I am fortunate to have experienced Past Presidents and passionate Rotarians who are enthusiastic to serve. I look forward to working with my board, committees and all our members to continue the great work and projects of this club.

I would also like to thank the members of the Rotary Club of Teluk Intan for having the faith and trust in me to lead the charge this year and remind us all that that together we can achieve so much more than if we were on our own.

Yours in Rotary,

KEE

Dear President Kee Wei Min,

This new Rotary year's theme is "Rotary connects the world".

I think by working together, we can really make things happen. I hope we can stay connected and see if there are opportunities for our clubs to work together.

If I get the opportunity to visit Malaysia this year, I will definitely come to one of your meetings and hope that if anyone from your club is visiting Melbourne that you come and visit us.

Have a great Installation night and a fantastic year to come.

World Polio Day

We celebrated World Polio Day with 65 Interactors from four Interact Clubs on 21 November 2018. A video presentation on World Polio Day was played followed by a lively discussion. All the four Interact Clubs donated USD$ 25.00 each towards the PolioPlus (USD$ 25.00 x 4 = USD$ 100.00). We collected a sum of USD$ 700.00 from Rotarians thus making a total of USD$ 800.00 for World Polio Day from Rotarians and Interactors.

This event was also celebrated as a World's Greatest Meal, and was reported on the WGM Website and our number is WGM 4894. It was a great event with superb fellowship.

Sewing Skills Centre

Twenty four participants from Rotary Club of Teluk Intan Sewing Skills Center received Certificate of competence on 13 October 2018. CIMB Regional Director, Mr. Lee Eng Khen, CIMB Project Manager, Eugene Cheang and CIMB Teluk Intan Branch Manager Miss Hooi visited the center and participated in the graduation ceremony.

Blood Donation Drive (Save A Life Program)

We organised a blood and organ donation activity on 29 December 2018 at TF Value Mart, Taman Melor, Teluk Intan. These activities were carried out with the support from Hospital Besar, Teluk Intan and OCBC Bank Staffs from Teluk Intan Branch. During the event, the OCBC Bank Manager handed over a cheque for RM 17,727.00 to support a RCTI project to upgrade outdoor gym equipment.

Rotary Day Celebration

Members from the Rotary Club of Teluk Intan participated in the District Rotary Day celebration held in Ipoh on 24 February 2019.

English Tuition Class 2019

The main aim of the class is to improve the proficiency of students in schools. This project gives opportunity to students from poor economic background to continue to excel in the language. The program also helps to groom students so that they will progress intellectually, mentally and spiritually.

The tuition started with the recruiting of students in February 2018. A total of 23 students were selected based on their achievement in their UPSR English. Rotarian Umah volunteered to conduct the class on weekly basis.

Gym Equipment Upgrading (District Grant Project)

Considering the utilization of existing gym equipment, Rotary Club of Teluk Intan together with OCBC Bank has installed additional six more outdoor equipment at Padang Speedy to provide additional facility for the public to promote healthy life style. The equipment were installed on 24th April 2019 and official opening was done on 13 July 2019.

Providing Tables and Chairs to a Primary School

On 4 June 2019, Rotary Club of Teluk Intan provided 60 sets of tables and chairs to Convent Primary School to replace the badly damaged tables and chairs. Now the students have better facilities to support them in their studies.

Walk for Peace

Rotary club of Teluk Intan organized a one kilometre Walk for Peace with the participation of the public at Menara Condong on 1 May 2019. About 500 people participated in the event including Interactors, club members and members from other clubs. All participants were required to wear traditional dresses during the event. Orang Besar Jajahan Hilir Perak (OBJ) Dato' Haji Meor Redwan Bin Mahayudin and YB Terence (ADUN Pasir Bedamar) participated and officiated the event. Besides the walk, a colouring contest was held for children. There were lucky draws and the best dressed participants received awards.

Amputee Football Tournament

Rotary Club of Teluk Intan together with Pan-Disability Football Club organised the Amputee Football Tournament on 29 June 2019. Five clubs from all over Malaysia participated in the event. This was the first ever time such an event had been organised in Perak State.

手杜枴杖踢足球

你們太棒了！

（安順1日訊）身殘志不殘。一批殘障人士日前進行一場別開生面的殘障人士足球，証明他们也可以积极参与运动。

国际扶轮社3300区助理总监方源帆昨日前向记者说，赛事由安顺扶轮社举办，特别为截肢残障人士设计，目的是教育社区关心特殊残障群体。

他说，来自全国数地的5支残障足球队，共45名球员参与赛事。

"参赛者手柱拐杖踢足球，他们的毅力精神令人佩服，也吸引许多市民到来观看球赛，把让热闹拿掌。"

这场比赛日前在安顺士比律举行，5支足球队分别来自柔佛、登嘉楼、霹雳、柔佛及吉隆坡的残障人士，球队共有9名球员，包括数位来马沙巴、砂拉越的球员。

方源帆表示，比赛经费高达1万4000令吉，大会感谢国会下议院副议长拿督安顺区国会议员倪可敏，拨款4000令吉，以予支持社会弱势群体，鼓励更多特定病患走向社会。

敦倪由倪可敏的高级机要秘书郑仲毅移交给大会。

郑仲毅说，比赛让残障人士展现自己，也让他们在运动之余，拥有更精彩的人生。

行动党巴耶马打马区州议员邵仁平都说，虽然球员们是残障人士，但他们有强韧精神及行动依然自如，令人敬佩。

免費輪椅供申請

（安順25日訊）来自贫穷家庭的人士、不论是大人或小孩，如果需要轮椅，都可通过安顺扶轮社申请1台适合他们身材的高品质轮椅。

提供适合身材轮椅

安顺扶轮社社长方萧凯传说，凡需要轮椅的贫穷人士，只要呈上他们的医药报告，被鉴定需要轮椅，都可以通过社提出申请。

"我们会检查申请者的身材，寻找适合的轮椅，以便能更舒适地使用轮椅。我们了解到，如果轮椅不适合使用者身材，使用者坐过久，可能会导致骨节出现问题。我们拥有多种尺寸的轮椅，适合不同身材的人。"

她表示，如果轮椅发给儿童，他们还会定期前往视察，以确保孩子长大后，轮椅依然适合使用，否则将安排更换轮椅，成人也一样。

"成人的身材变化较少，而儿童会长大，领取轮椅后会受到更多的关注。"

她说，这些轮椅由美国扶轮社捐助，安顺扶轮社最近才发出轮椅给7名儿童。有意申请者可联络她（019-575 6288）。

（安顺11日讯）安顺扶轮社与马尼帕尔国际大学，在安顺三民华中联办升学指导说明会，让区内中五和中六学生了解他们的升学资讯。

安顺扶轮社前社长方萧凯传说，约有100名中学生参与这项活动，现场安排多项专业领域升学资讯，包括会计、管理、医学、科学研究、酒店管理等。

学生被安排到10间不同的课室，由专业讲师讲解和回答学生的升学疑问。

三民华中前任校长陈秋梅也出席支持这项活动。

各族参與和平步行

（安順3日訊）安順扶輪社舉辦和平步行活動與填色比賽，以提升民众的和平意识，让作为多元种族国家的马来西亚，减少种族之间的分裂；该社希望通过这项活动，让不同宗教和种族的人士通过交流，加强大家对于各自的接纳度的了解，同时增加种族之间的和谐。

和平步行共有約300人参与，从安順尉斯步行到三民小学，全长5.91公里，同时从6个组别中，各选出10人颁发最佳服装奖；该社也安排安順早期的代步工具—三轮车参与步行活动，为活动添加色彩。

该社总联合三民校友会在安順三民小学礼堂举办以世界和平为主题的填色比赛，約有200人参加。

大会开幕嘉宾为教育督总。

安順西院也举办捐血活动，碧官指献活动和提供免费的身体检查，安順转报协会和安順同济会也在现场设摊售卖手工艺品。

Subas Bully Baboo
2020-21 President of Rotary Club of Teluk Intan, Malaysia

Dear Club President Subas,

I congratulate you on your installation as a club President for 2020-21.

I hope the upcoming year will be challenging, yet fulfilling. Your leadership team will collaborate to build a strong, engaged club dedicated to strengthening your community, both locally and globally. You will use your years of experience as a Rotarian and as a leader to provide inspiration, motivation, and guidance as we work together to achieve our goals for Rotary.

Use this opportunity to grow your membership, to work closely with Rotaractors, and to continue to improve our virtual meeting skills. Now is the time for change in Rotary to meet the world's challenges.

In Rotary, we are not afraid to confront some of the world's most critical and widespread humanitarian issues. When we vaccinate an infant against polio, teach a young adult how to read, or bring water to a village by building a well, we are creating a better world for future generations. We serve the global community, and we're just getting started.

It is honor to work beside you as we guide our fellow Rotarians to another successful year.

I am relying on you as *Rotary Opens Opportunities* in 2020-21.

Sincerely,

Holger Knaack

Dear President Subas Bully Baboo of the Rotary Club of Teluk Intan

I bring to you and your members my warmest greetings and heartiest congratulations to you for being installed as the President of the Rotary Club of Teluk Intan for RY2020-21. Last Rotary year was indeed a great year until the disruption brought about by the Covid-19 pandemic. However, as Rotarians, we have not for a moment stopped to connect and reach out to the needy in the very difficult and trying time. My congratulations to Outgoing President Kee Wei Min for rising to the occasion in keeping the members together and the spirit of the club high in terms of service and fellowship.

RI President Holger Knaack in unveiling the Theme for Rotary Year 2020-21 said “Rotary is not just a club that you join. It is an invitation to endless opportunities. It opens opportunities to serve in a project as big and historic as End Polio Now and also in a small community project, where you just plant a tree. And it opens opportunities to live a riches, more meaningful life, with friends around the world based on our core values. As Rotarians, we are very blessed to take on leadership roles at this wonderful moment for our organization. Everything we do opens another opportunity for someone, somewhere. Therefore, the Theme for our year is Rotary Opens Opportunities”

The door of Rotary is always open and there is always a place for everyone no matter who you are, where you are. Join Rotary for the opportunity to connect to the world; for the opportunity to reach out to the young and old, men and women and different walks of lives; opportunity to learn, serve and do good; opportunity to make a difference and create lasting change in the lives of many; opportunity for personal growth and leadership development; opportunity to be a leader of change, to be innovative, creative and inclusive and to empower and to be empowered. One opportunity will always lead to another opportunity that goes beyond your imagination.

I urge you to place membership growth as the top priority of your club. To grow, you must think big, think bold; be prepared to embrace changes and be inclusive. In this regard, your club must have at least one strategic meeting each year at which you ask what should your club be like in 5 years time and what steps to take to achieve the Vision. What values do we offer to our members and prospective members to retain and attract them? To ensure healthy organic growth, select members carefully to ensure that they are a good fit with your club. Make sure that your club meets their expectations, engage them and take care of them. There is no wrong age to become a Rotarian.

I would also urge you to donate generously to The Rotary Foundation. It is important to donate to The Rotary Foundation as we are helping Rotary Members to make a difference in the lives of million of people around. We must continue our effort to end polio. We must fulfill the promise to the children in the world that none of the children in this world should be inflicted this dreadful disease that has crippled and even brought deaths to millions of children in the past.

We must embrace the vision of Rotary, that is "Together we see a world where people connect and take action to create lasting change across the globe – in our communities and in ourselves". In support of this, we must translate the 4 strategic priorities adopted by Rotary International for the next five years into action - Increase Our Impact; Expand Our Reach; Enhance Participant Engagement and; Increase Our Ability to Adapt so that your club will grow in terms of vibrancy and relevancy.

Let us together through the door of opportunities opened to us by Rotary be the leaders of change. We must strive to increase our reach, quality and impact of our services to the community in need locally and abroad. As Rotarians, we must practice the true spirit of 4-Way Test and embrace and exemplify fully the Core Values of Rotary – Fellowship, Service, Diversity, Integrity and Leadership. Let us be one who can feel the pain and not out to hurt another, to speak, listen, see and act for the ones who can't, live everyday as though we have all the resources and influence to make this world a better place for everyone to live in. I thank you and your club for being staying strongly with me. The year ahead is full of uncertainties and challenges, but I am confident that we can walk the journey together and lead the change.

Thank You.

Message from PDG Dr Rajindar Singh

Dear Distinguished Guests, Fellow Rotarians, Family and Friends of Rotary

This year we are creating history by having a "Virtual Installation". The pandemic has changed the world and we have now adapted to the new norms – wearing facemasks in public, washing our hands frequently and social distancing. Will these become the permanent features in our life or will we be able to return to the good old days. Only time will tell.

In March 2020 our lives came to a screeching halt. However, we rose to the challenge and innovated. We started having our club meetings online. We took steps to address some of the problems that our community faced. I congratulate President Kee Wei Min and his board of directors for rising to the occasion and carrying on with the work of Rotary despite all the obstacles.

I wish Incoming President Subas Bully Baboo and his Board of Directors the very best. I am confident that working together they will achieve their goals and take the club to greater heights.

RI President Holger Knaack said "Rotary is not just a club that you join. It is an invitation to endless opportunities. It opens opportunities to serve in a project as big and historic as End Polio Now and also in a small community project, where you just plant a tree.
And it opens opportunities for you to live a richer, more meaningful life, with friends around the world, based on our core values.
Everything we do opens another opportunity for someone, somewhere."

Sincerely,

Message from YB Terence Naidu Elected Representative to the Perak Legislative Assembly

It gives me great honour to be able to write in this your Clubs first online installation. The year 2020 is indeed a year of new challenges facing the club and also mankind the world over. Very few nations if not all have been affected by the coronavirus in big and small ways. Life changes . New norms set in.

The Rotary Club of Teluk Intan has been the forerunner in 'new' things in this Town- the first Traffic Light, skating ring, outdoor gym, school playground, hospital playground, sewing center, library in prison, peace marches, sponsored youth clubs and more are notably all firsts in Teluk Intan.

I trust the Rotary Club will be able to adopt this new norm and be innovative in being able to serve this community, country and world true to your theme for the year - Rotary Opens Opportunities.

I congratulate President Kee Wei Min for the job well done in the past year.

For incoming president Subas Billy Baboo firstly, congratulations on being entrusted with the presidency of this wonderful club and my best wishes for a fruitful and great term 2020-2021

Honourable Mr. Terence Naidu
Elected Representative to the Perak Legislative Assembly

Message from Outgoing President Kee Wei Min

Dear Rotarians and Friends

It's with great pleasure I am penning these words as the immediate past president of the Rotary Club of Teluk Intan.

I would like to thank my wonderful, dedicated Board of Directors and members of the Club, who helped me to carry this club forward and making many projects successful.

The year has presented many challenges especially influence of Covid-19 outbreak, however with the support from club members, we are still able to carry out two projects during the Movement Control Order (MCO).

In both instances the spirit of Rotary was alive and well as our members sought to come together in a common cause. With our new additions we are building for the future.

And I am excited for Subash to lead us into the next Rotary year. Please support Subas just like you did to me.

Serving as president was a most rewarding and humbling experience. My deepest thanks for the opportunity to serve this great Club as President.

Yours in Rotary,

Kee Wei Min
President 2019-2020
Rotary Club of Teluk Intan

Message from Incoming President Subas Bully Baboo

Dear Esteemed Rotary Friends,

Each year Rotary renews itself by electing a new leadership team. It is my privilege and honour to serve as President of the Rotary Club of Teluk Intan for the year 2020 – 2021.

It is an honour for me to assume the presidency of this great club with all of its outstanding work spearheaded by our outstanding Past Presidents and mentors. Locally, our community has benefited greatly throughout the years from RCTI's hard work and generosity. I am very proud to be part of a group that is so willing to help the community when needed.

We are currently living in unprecedented time. With Covid-19 pandemic, MCO, social distancing we are learning a new way of live. We have been forced to connect in ways we could never have imagined, testing our ability to adapt. Change is imminent and with change comes opportunities. Let's use this opportunity to strengthen RCTI's leadership, help put service ideas into action, and improve the lives of those in need, in line with our 2020 – 21 theme: Rotary Opens Opportunities.

Rotary is beyond helping others. Rotary has entertained us, educated us, inspired us and enabled us to do what we can do in whatever way we can, to make our community, or nation and our world a better place. We might not be able to change the world on our own, but that the cumulative effect of each small gesture can do amazing things. With this, I'm placing my trust on my board and members to keep doing the great things which make us a proud Rotarian.

Yours in Rotary,

Message from President Somporn Julrat
Rotary club of Yala, District 3330 Thailand

Dear President Subas Bully Baboo

It is indeed a great year honour for me to be invited to write a message in your changeover Souvenir Magazine.

On behalf of Rotary Club of Yala District 3330, Thailand, I would like to congratulate President Subas Bully Baboo and the board of directors on the 69th special occasion. This occasion is also witnessing our two sisterhood clubs strong relationship for the past 17 years with pride.

Finally, I wish President Subas Bully Baboo and his board of directors a very successful year and congratulate the outgoing President Kee Wei Min and his board of directors for the job well done.

Yours in Rotary

Message from President Jasmin Kaur Dhillon
Rotary Club of Southbank, Melbourne Australia

Dear (Sister Club) the Rotary Club of Teluk Intan

It is with great pleasure that I congratulate you on your 69th year of Rotary service. The Rotary Club of Southbank looks forward to forge closer ties with you in the upcoming year.

We are going through unprecedented and challenging times globally and it is uncertain as to when global travel will resume.

However, we will work around this limitation, and keep in touch virtually to see how we can work together and support each other.

We look forward to attending more of your meetings virtually in 2020-2021 and welcome you to attend our meetings at your convenience.

The theme for the new Rotary year is 'Rotary Opens Opportunities', let us work together to help more people access these opportunities.

The Rotary Club of Southbank launched its Millennial Satellite Club (Orbit) recently and we are very excited about what the future holds for our club and Rotary.

Wishing you a successful year ahead - Yam Seng!

Yours in Rotary service

Playground for Primary School Children

The Rotary Club of Teluk Intan in collaboration with OCBC Bank constructed a Children's Playground in SJK(C) Phooi Yong primary school.

The official launch was held on 23rd November 2019. The function was attended by members from the Rotary Club of Teluk Intan, school teachers, and OCBC bank staff.

After the launch the children and teachers from the school joined the Rotarians and bank staff in painting a mural on the wall of the playground.

We wish to thank the OCBC Bank for their generous contribution of MYR14,680.00.

School Bags for needy Primary School Children

In November 2019, 192 school bags were given out to needy primary school children in various primary schools in and around

Blood Donation Drive

On 29 February 2019 a Blood Donation campaign was organised at TF Value Mart, Taman Melor Teluk Intan.

46 units of blood were collected by the Blood Bank Bank from Teluk Intan Hospital.

Wheelchair project

On 24 November 2019 a wheel chair was given to a five-year-old boy with congenital deformity.

COVID-19 RESPONSE

1. During the pandemic the Teluk Intan hospital urgently needed hospital supplies. We provided them 2,000 surgical masks, 48 bottles of 500ml hand sanitiser, and five standing fans.

2. Hospitals all over the country needed **Personal Protective Equipment (PPE).** Hospital Kuala Lumpur provided the fabric for PPEs. This was transferred to us by the Malaysian Original Designers Association. The fabric was cut at the Nyok Lan Garment factory and stitched by the students from our **Sewing Skills Centre**. A total of 776 sets of PPEs were produced and transported to Kuala Lumpur Hospital.

Members from the club transferring the stitched PPEs to the van.

Students from the **Sewing Skills Centre** of Rotary Club of Teluk Intan assisted in stitching the PPEs from their homes.

English Tuition Class

The main aim of the English Tution Class is to improve the proficiency of students in schools. This project gives opportunity to students from poor economic background to continue to excel in the language. The program also helps to groom students so that they will progress intellectually, mentally and spiritually.

The tuition started with the recruiting of students in February 2018. A total of 23 students were selected based on their achievement in their UPSR English. Rotarian Umah volunteered to conduct the class on weekly basis.

Session on Information Technology and Artificial Intelligence

Assistant Professor Shameem from the Department of Computer Engineering Manipal International University Nilai has a passion for cycling and he has carried out numerous group and solo cycling expeditions. Early this year he came up with a mega solo cycling expedition plan to cover the whole of Peninsular Malaysia i.e. 2,200 km in 15 days. Working with the Rotary Kasih and Rotary Clubs in Malaysia he planned to raise funds for transforming the lives of needy deserving students.

He arrived in Teluk Intan on 1 March 2020 and was received at the Leaning Tower by members of the Rotary Club of Teluk Intan who then hosted him.

The following morning, he had a session on Information Technology and Artificial Intelligence to Interactors and students from secondary schools.

華僑銀行捐逾1.4萬
贊助培養小學建遊樂場

（安顺30日讯）华侨银行（马来西亚）有限公司通过安顺扶轮社捐献1万4680令吉，为安顺培养小学设置一个崭新的游乐场。

该校147名学生和未来的学生将享受该综合式游乐场，其中包括攀爬铁架、弹簧骑乘设备和橡胶拼板设备。

该社社长纪炜民在培养小学出席游乐场推介仪式时说，这项计划将使该校学生享受更安全、美好的游乐时光。

“安顺扶轮社向来都设法改善安顺社区设施，当我们发现培养小学需改善他们的游乐场时，我们通知华侨银行，他们也迅速作出回应。该银行除了提供财务赞助外，其员工也踊跃支援。”

鼓励学生娱乐中学习

华侨银行安顺分行高级经理刘骏裕表示，华侨银行已社区建立密切关系，对安顺扶轮社的建议乐见其成。

“我们深信这项合作能够鼓励学生在娱乐中学习，这是一项具有意义的企业社会责任计划。”

出席仪式者包括该校董事长朱长寿、总务郑达顺、家教协会主席陈世安、校长梁秀美及董家教成员。

士比律路設公共健身器材

（安顺8日讯）在获得华侨银行赞助下，安顺扶轮社在士比律路再度设置公共用途的健身器材，以鼓励更多安顺市民多运动，拥有好健康。

该社前社长方萧凯传说，安顺扶轮社获得华侨银行赞助1万7727令吉，购买了这些户外健身器材，安装在安顺市民常晨运的士比律路，并在一项仪式上移交给安顺市议会管理。

她说，国际扶轮社专注在6个服务领域，其中1个是促进健康生活。

“定期运动，可改善人们健康，减少肥胖、糖尿病和高血压问题。”

方萧凯传说，公众应珍惜这些公共健身器材，在2013年他们首次设置公共健身器材，这次再设置挑战性较高的健身器材

出席者包括安顺巴硕伯打马州议员添仁都、安顺扶轮社社长纪炜民、华侨银行安顺分行经理刘骏裕、安顺市议会主席阿兹占等。

（安顺10日讯）8名单亲妈妈缝制了736套防护衣给吉隆坡中央医院，减轻该医院防护衣不足问题。

安顺扶轮社主长纪炜民和前社长方萧凯传说，吉隆坡中央医院通过安顺扶轮社发出防护衣材料，再由安顺扶轮社安排该社的单亲妈妈裁缝班学员进行制作。

“安顺玉兰制衣有限公司免费帮助裁剪防护衣材料，并将单亲妈妈们完成的防护衣送到吉隆坡中央医院。”

方萧凯传说，他们设立这个裁缝班，为了协助单亲妈妈学习一门手艺，而能通过缝制衣服而在生活上自立，如今更可发挥所长，协助缝制防护衣。

她也欢迎安顺及附近地区的华裔单亲妈妈报名参与这项免费的裁缝课程，有意者可联络她，电话:019-575 6288。

另一方面，纪炜民和方萧凯传也披露，安顺扶轮社在日前共捐献2000片口罩、5台站立式风扇、48瓶消毒搓手液给安顺医院。

Mr. Balajawahar Ponnambalam
Rotary Club of Teluk Intan, Perak, Malaysia

Dear Balajawahar,

I congratulate you on your installation as Club President for 2021-2022.

I hope the upcoming year will be challenging, yet fulfilling. This year, we note all the ways that we *Serve to Change Lives*. Service is the rent we pay for our time on earth and we will expand Rotary service as we "grow more and do more." We will grow through "Each One, Bring One." If every Rotary member could bring just one more person to Rotary, there is no limit to how much we can grow. We will do more by putting a special emphasis on empowering girls, so young women can have improved opportunities worldwide. We will also feature Rotary Days of Service, so that all members share in our good works around the globe and look for new ways to serve beyond their backyards.

In Rotary, we are empowered to confront some of the world's most critical and widespread humanitarian issues. When we vaccinate an infant against polio, teach a young adult how to read, or bring water to a village by building a well, we are creating a better world for future generations. We serve the global community, and we're just getting started.

It is honor to work beside you as we guide our fellow Rotarians to another successful year. I am relying on you as we commit ourselves to *Serve to Change Lives* in 2021-22.

Kindest regards,

Shekhar Mehta

Message from District Governor
Dato Bindi Rajasegaran

Dear President Balajawahar Ponnambalam and members of the Rotary Club of Teluk Intan

It gives me great pleasure to congratulate you and your Board of Directors on your installation as office bearers of your club. As you and your team together embark this journey in leadership, let me remind you that you are the agents of change to make this world a better place. Remaining passive and staying in your comfort zone will not bring the change we want to see. Friends, you must stretch into unchartered waters and bring the change. The world is a very different place now, strive not to remain in position but to remain of value.

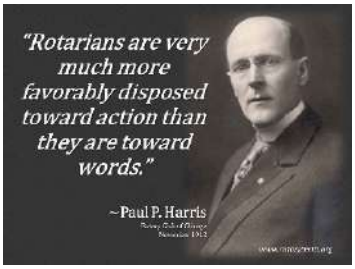
I compliment your immediate past President Subas Bully Baboo for having led your club to this level and it is now your task, President Balajawahar Ponnambalam to take your Club forward to greater heights.

Today, as we stand on the edge of a destiny unknown, your community depends on your resolve to stay strong and devote your abilities, time, and resources to **Serve to Change Lives**. Your services, solidarity, unity, and compassion are needed now more than ever and I am confident that this Club will rise to the challenge and deliver.

I wish you all a most rewarding and enjoyable year in office and as you go forward, do realise your strengths as you continue to serve the local and global communities.

I thank each member of the Rotary Club of Teluk Intan for your service to Rotary.

Serve to Change Lives,



Dato' Bindi Rajasegaran

Message from PDG Dr Rajindar Singh

Dear Distinguished Guests, Fellow Rotarians, Family and Friends of Rotary

The last year-and-a-half has been one of the most challenging periods in modern history. However, the end of the COVID-19 crisis may be within sight. While the world may not return to how it was before, it is crucial to recognize that COVID-19 has catalyzed important changes in Rotary.

This year we are again having a "Virtual Installation". The pandemic has changed the world and we have now adapted to the new norms – wearing facemasks in public, washing our hands frequently and social distancing. Will these become the permanent features in our life or will we be able to return to the good old days. Only time will tell.

I congratulate President Subash Bully Baboo and his board of directors for rising to the occasion and carrying on with the work of Rotary despite all the obstacles. Congratulations on receiving the Rotary Citation.

I wish Incoming President Balajawahar Ponnambalam and his Board of Directors the very best. I am confident that working together they will achieve their goals and take the club to greater heights.

"The biggest gift we are given is the power to touch a life, to change, to make a difference in the circle of life.

If we can reach out with our hand, heart, and soul, the magic will start to happen as the wheel begins to roll.

Let's turn the wheel together so all humanity thrives, we have the power and the magic to Serve to Change Lives"

This year, let us challenge ourselves to do more projects that have more reach and impact. Let us Serve to Change Lives.

Sincerely,

PDG Dr. Rajindar Singh

Message from YB Terence Naidu Elected Representative to the Perak Legislative Assembly

Dear Incoming President Balajawahar Ponnambalam and your new Board

Greetings

I take pleasure in penning some thoughts in this souvenir magazine in conjunction with the 70th President's Installation of this esteemed and historical club

I had recently found some old pictures of the district 3300 rotary youth exchange visit to Gujarat India which I had the honour of leading in 2008. Such memories remind me of the good work rotary does not only among the youth in this world but also in fostering goodwill amongst mankind and offering avenues of peace and fellowship to flourish.

I trust the incoming president and his board will continue to uphold the high standards of Rotary leadership imparted on all incoming presidents and their board in Rotary's time tested leadership succession program. I have personally found the transition from Rotarian to politician helpful thanks to my experiences in Rotary.

The pandemic brought by the Covid 19 virus has indeed brought many challenges to governments around the globe and I have seen the efforts of the Rotary club Teluk Intan to quickly adapt and bring relief to some stricken members of the community- well done.

Do continue your good work and I will wish you a successful Rotary year ahead. I also hope your Rotary year will also be in an ended and a post Covid era.

With best wishes
Terence Naidu

Honourable Mr. Terence Naidu
Elected Representative to the Perak Legislative Assembly

Message from Outgoing President Subash Bully Baboo

Dear Fellow Rotarians

I am deeply honoured and privileged to have been this Club's President. This past year has been one of the best of my life. Rotary wasn't the only reason for those feelings, but my connections to Rotary have played a very large part.

The Rotary Club of Teluk Intan is a family of gathering, where we love to celebrate - any reason is good enough for a get together - the more the merrier. My family and my place there continue to be a tremendous source of support, renewal and inspiration, enabling me to step forward each day and try to make a difference, in my family life, in my work, and in my community.

The journey here has been a long one, but as I stand before you today, it all seems very worthwhile! As current leadership continues to discuss next steps for COVID and considerations for coming together again, we have to make recognition and considerations for this year's board over Zoom and not in person. I cannot thank everyone enough. Whatever program it might be, it takes time and energy, mostly behind the scenes, to make it successful. Our club adviser, board of directors and committee chairs offer much of that energy and have done a great job this year, especially handling the new COVID crisis. These folks have raised their hands and taken on many thankless roles demonstrating service above self. A special thanks to our club adviser, PDG. Dr Rajindar Singh, who has supported me in every possible way. He is and will be the main pillar of RCTI for years to come. In normal times, we hold an enjoyable dinner with frivolity and fellowship. However, those times are on hold for now. I hope you can join our Zoom meeting to give appreciation to their work and join me in thanking them.

I would like to wish our Incoming President Balajawahar all the absolute best for the coming year. We have so much more to do, and we are in great hands moving forward.

From the bottom of my heart, I want to humbly thank RCTI for the opportunity of serving as President over this year. I truly consider it one of the greatest jobs I have ever had and am sad in some ways to see the year come to an end. I will continue to serve the club in whatever capacity I can and look forward to being a somewhat quiet voice in the background as we move forward. Thank you once again and I hope to see you soon.

Yours in Rotary

Message from Incoming President Balajawahar Ponnambalam

Dear Rotarians and Friends

I am truly honoured and humbled to be elected as the **70th President of the Rotary Club of Teluk Intan for RY 2021/2022**, and with the help and support of my esteemed Board of Directors and my fellow members, I will do my best to meet the challenge.
The Rotary International theme for this year is **"Serve To Change Lives"**. The Rotary Club of Teluk Intan has been built on a strong leadership foundation over the years and I am fortunate to be part of a group of dedicated people who share a passion for the community service and who are willing to go the extra mile to carry out worthwhile community projects to change lives.

Martin Luther King once said that "The ultimate measure of a man is not where he stands in moments of comfort but where he stands at times of challenge and controversy". The COVID-19 pandemic has created a unique crisis for Rotarians and has disrupted our lives. We must now get used to words such as social distancing, self-quarantines, lockdowns and virtual online meetings. As the incoming President, I will endeavour to instil confidence in my members and leverage on their experiences, strengths and manage their expectations in this challenging environment. We will rise up to the challenges and discover new ways to serve the community.

My vision and mission will be in line with the Rotary International's theme that is, to serve to change lives. As the pandemic sweeps across the world causing fear and worry, I will also focus on educating the community on mental health resilience during the COVID-19 pandemic. As I belong to the 3rd generation of planters in my family, I intend to impact climate change by organizing a tree planting project in my community.
I take this opportunity to also congratulate the outgoing ***President IPP Subash Bully Babu and the outgoing board*** for an excellent year in **2020/2021.**
Finally, I would like to thank **my beautiful wife, SANTHA PILLAI and my children, SWAATHI and SANJIVAN** for their support, understanding and their unconditional love for my Rotary work.

Yours in Rotary

Message from President Jaqui O'Donohoe
Rotary Club of Southbank, Melbourne Australia

Dear members of the Rotary Club of Teluk Intan,

It is with great pleasure that I have the occasion to pen a few words and offer my congratulations to your new President, Balajawahar Ponnambalan, and I wish you all well for the year ahead in your 70th year of Rotary Service.

2020 - 2021 has been a challenging year as we all grapple with a global pandemic and yet never before have we seen such beautiful connection between people around the world. We may not be able to meet in person, but we have stayed connected virtually and recognised and supported each other through the challenges that have been, as we will continue to do so in the future.

Rotary Club of Southbank was fortunate to be able to have our Changeover in person, before going back into lockdown in Victoria and despite the challenges we look to the future and how we can support
our community with various projects. I look forward to hearing about your projects as they unfold and hope we can visit your club, albeit virtually, until we can meet again in person.

We should all be proud to be a part of this wonderful organisation, Rotary and have the ability to make a difference in the world. The theme this year is 'Serve to Change Lives'. Rotary has changed my life, let's change some more together.

Yours in service,

1. Soft Launching of Playground in Hospital Teluk Intan.

On the 27 November 2020, we marked the soft Launch of PLAYGROUND FOR CHILDREN PROJECT. Our soft launching held was to mark our next join venture with OCBC Bank to set up Playground for Children Project at the Pediatric Department of Teluk Intan Hospital. Rotary Club of Teluk Intan is always happy to lend our services when the need arise and we are proud to announce our next project that would benefit our community.

2. Project in Progress- Laptops for the needy students.

Five laptops were allocated under the District grant for the needy students. This project is set to benefit the needy students.

Addressing the pressing need of students who are deprived of necessary tools to help them cope with distance learning amid the Covid-19 pandemic, the project aims to provide equal opportunity for students to access educational resources.

Noting that students from low-income and marginalized families were the most affected in their studies during the movement control order, Rotary Club of Teluk Intan focused on education and built on sustainable relief.

Most students depend on computers to have access to their studies. Some rely on smartphones and those who do not have the means for either of these gadgets were left out of education in the new norm and this was one of the reasons why this project was introduced.

3. Distributions of Sanitizers and story books To Schools

A few schools requested for sanitizers and story books for the pupils and we from the Rotary Club of Teluk Intan fulfilled their requirement as we realized that schools have a massive need for the sanitizing products. The use of hand sanitizer was determined to be an essential means of providing personal hygiene when hand washing was not an option.

With COVID-19 impacting communities around the world, the Rotary Club of Teluk Intan is trying to help our schools who may not have access or the resources to obtain hand sanitizer.

Distribution of food during Covid

The Rotary Club of Teluk Intan distributed some daily necessities such as rice 10kg, sugar, flour,

cooking oil, rice, instant noodles, milo, milk, coffee, sardine, biscuits, a total of rm100 to some elderly, single parents, and the less fortunate.
Due to the increase numbers in Covid 19, the government announced the movement control order 3.0 (MCO3.0). Many elderly, single parents and poor peoples are living in dire straits. We hope this project can help them to get through this movement control order. We delivered to their houses

The Rotary Club of Teluk Intan also distributed to needy parents through the school's channels.

方萧凯传(站者右二)说，安顺扶轮社通过学校寻找真正需要援助的家庭，发送援助品给他们。

全面封鎖助援活動大減
貧戶孤老苦上加苦

吴家良(前左)说，在推动行动党的援助行动中，他深感不少家庭在行管令中生活的不易。

報道 ▸ 張再成

（安顺3日讯）相信是疫情拖得久，经济低迷，加上不适合多人同时出动原因，与去年首次行动管制期比较，目前的全面封锁行动管制令期间，民间助援活动大减，等候慈善组织前来助援的贫穷家庭，生活就更困苦了。

方萧凯传：疫情拖久积蓄用尽

许多人记忆犹新，去年首阶段行动管制令期间，安顺多个慈善队伍在各区派发粮食、鲜鱼、蔬菜、口罩等援助品，但今年的全面封锁行管令期间，这类活动少见了。

安顺扶轮社前社长方萧凯传向星洲日报《大霹雳》社区报说，该社在去年疫情开始时并没有派发援助品，但今年感受到许多困苦家庭生活更辛苦，决定先派发100份价值100令吉的粮食援助品。

“在派发援助品期间，我深深感受到一些贫困家庭生活的不易，他们是想去工作赚钱，但因行动管制令不能这么做，由于平时收入不高，经过近一年半的各阶段行管令，许多人积蓄已用尽，造成他们的生活比去年更辛苦了。”

她说，安顺扶轮社从学校着手，挑出哪些连孩子上网课都成问题的家庭，向他们提供援助，要做到协助真正有需要的家庭。

“一些家庭为了让孩子上网课，动用家庭积蓄购买电脑设备，结果在粮食方面花费就成问题。”

鄧國林：貧老留守家鄉生活拮据

安顺芭尾新村村长邓国林说，安顺一名行善不具名的善心人通过陈盈盈，捐助购买50份粮食，由他和陈盈盈分发给芭尾新村的贫户。

他说，一些老年人，孩子在外地工作，他们留守家乡，需走路或骑脚车出外购买必需品或食物，有者甚么面对经济问题，生活过得很辛苦。

“今年分发粮食给贫户的活动大减，需要援助的家庭接收到的援助品就更少了。在发送援助品给他们时，我都感受到他们生活上的无奈。”

邓国林也吁请为人儿女们尽快协助父母注册接种疫苗，因为他们上了年纪，属于冠病高风险群。

吴家良：安顺火箭获善士出资

安顺社青团团长吴家良说，从去年行管令至今，安顺行动党获得安顺国会议员倪可敏及善心人出资，购买粮食、成人尿片、口罩等物资发给贫户。

“大部分的资金来自倪可敏本身，特别是今年，善心捐款有减少的趋势。相信是因为疫情拖得太久，影响人们的经济，另一方面是目前全面封锁情况，不适合多人出外派送物资。”

他表示，一些年长者儿女不在身旁，他们的生活都得靠自己设法解决，情况令人同情。这类年长父母多达十多户。

邓国林(右)希望会有更多善心人援助有需要者。

安顺扶輸社派援助品

安顺扶输社耗资1万令吉，派发100份每份100令吉的援助品与粮食，给安顺的弱势群体，传递爱心关怀。

该社前社长方萧凯传（左4）指出，扶轮社也通过学校的管道，分发给有需要的清贫家长。

தெலுக் இந்தான், ஜூன் 5- லட்சக்கணக்கான மக்களின் உயிரைப் பறித்து மனிதக் குலத்திற்கே பெரும் பேரழிவைக் கொண்டு வந்திருக்கும் கொடிய கோவிட்-19 நச்சுக்கிருமியின் தாண்டவம் நாளுக்கு நாள் அதிகரித்துக் கொண்டே செல்வதினால் அதன் மரண எண்ணிக்கையும் நாளுக்கு நாள் அதிகரித்துக் கொண்டே தான் செல்கிறது. ஆதலால் அதனை முழுமையாக முறியடிக்க வேறு வழியின்றி நம் நாட்டு அரசாங்கம் முழு ஊரடங்கை அமல்படுத்தியுள்ளது.

இந்நிலையில் பலரும் வேலையின்றி வீட்டில் முடங்கிக் கிடக்கின்றனர். வேலை இல்லாதக் காரணத்தினால் தினசரி குடும்பத்தை நகர்த்துவதற்கே பலரும் திணறிக் கொண்டிருக்கின்றனர். அவ்வகையில் பல போராட்டங்களுக்கிடையிலும் இன்னல்களுக்கிடையிலும் வாழ்ந்து கொண்டிருக்கும் வயது முதிர்ந்தவர்கள், ஏழை எளிய மக்கள், தனித்து வாழும் தாய்மார்கள், மாற்றுத்திறனாளிகள் என பலரையும் அடையாளம் கண்டு அவர்களுக்கு உதவும் வண்ணம் அவர்களின் இல்லங்களுக்கு நேரில் சென்று உணவுப் பொருட்களையும், மளிகைப் பொருட்களையும் அன்பளிப்பாக வழங்கினர் தெலுக் இந்தான் ரோட்டரி கிளப்பின் உறுப்பினர்கள்.

ஒரு குடும்பத்திற்கு 100 ரிங்கிட் மதிப்பிலான உணவு மற்றும் மளிகைப் பொருட்களை அவர்கள் வழங்கினர். இந்தியர், சீனர், மலாய்க்காரர் என எந்தவொரு இன பாகுபாடும், பாரபட்சமும் இன்றி தெலுக் இந்தான் தொகுதியில் வாழும் மூவினங்களைச் சேர்ந்த 100 ஏழை குடும்பங்களை அடையாளம் கண்டு அவர்களின் குடும்பச் சுமைகளையும் சிக்கல்களையும் போக்கும் வண்ணம் உதவிக் கரம் நீட்டி வருகின்றனர்.தெலுக் இந்தான் ரோட்டரி கிளப்பின் உறுப்பினர்கள்.வேலையின்மை காரணமாக ஏழை மக்கள் யாவரும் பசியில் வாடக் கூடாது என்பதற்காகத் தான் இந்த கருணை பயணத்தைத் தொடங்கியுள்ளோம் என்று அவர்கள் தெரிவித்தனர்.

History of Sewing Skills Centre

The Rotary Club of Teluk Intan set up the Sewing Skills Centre in October 2010 with a Grant of MYR 60,300.00 from the CIMB Foundation. The CIMB Foundation provided 20 sewing machines at a cost of MYR 22,987.25 and the balance of MYR 37,312.75 was to carry out the project. The 20 sewing machines comprised of 15 single needle lockstitch Singer Machines, 3 Overlock Singer Machines and 2 Embroidery Singer Machines. The Centre was set up in a rented shop lot at 1st Floor, No.116-1, Jalan Intan 5, Bandar Baru Teluk Intan.

The training commenced on 10 November 2010 with 15 poor single mothers identified by the Welfare Department. The basic training was provided by a Trainer from Nyok Lan Garments Factory for six months at no cost. Upon completion of the first module four single mothers found employment in garment factories. The remaining 10 participants were provided advanced training by a qualified tutor Mrs. Liew Ghin Hwa. The second batch of 15 participants started their basic training on 4 June 2012. On evaluation in December 2012 six of the original participants were found to be efficient in tailoring. They were able to earn a decent income through stitching various garments.

By November 2012 the funds provided by the CIMB Foundation were depleted. We were fortunate to receive a grant of MYR 14,550.00 from the Perak State Government to keep the project running.

On 17 April 2014 we received our second grant from the CIMB Foundation for MYR 38,000. New students were taken in as places became available. By the end of 2015 another 20 students were proficient and could earn up to MYR800 per month.

Since the start of the project nearly 150 underprivileged women have been trained and many are now earning between MYR500.00 and MYR2000.00 per month. Inspired by the success of this project we applied to the CIMB Foundation for the third grant for MYR23,400 and this was approved.

2020 - 2021

An average of twenty students had been training in sewing skills every month. During the lockdown physical class was not held but on-line classes continued.

A number of students have been qualified for the sewing skill certificate.

There is good demographic mix of students.

1. **English Tuition Class.**

A total of 20 form 2 students from various secondary schools were involved in the programme . Classes were conducted on Sundays from January 2020 and were put on hold during the MCO period . Classes resumed in July 2020. The purpose of the tuition programs have proved effective in helping the lower-income students especially now that the students are facing incredibly adversity. Even in the face of these daunting challenges,however,we continue to effectively support students and their families.

2. Visitation by RC Klang

RC of Klang made a visit to RCTI. They were briefed on some of the projects carried out by RCTI. The members also visited the sewing centre , a very successful project by RCTI at bandar baru Teluk Intan. They showed a great passion and enthusiasm for the projects. We then treated them with a meal to complete our vocational meeting.

3. Visitation to Keng Choon Factory

RCTI Members made a visit to the Keng Choon coffee factory in Teluk intan on 26th July 2020 to learn the process of coffee making. It is great to see we have a bussiness like this in our town supplying customers. The visit to the factory was not just a vocational visit but more of a social visit. It was a nice casual visit with a short brief by the owner who also took us to watch the process of coffee making. A very interesting and captivating visit.

1. **Introductions of Rotary programs for young leaders.**

On the 16th of July 2020, a talk was held virtually through the application, Google Meet. The purpose of this talk was to introduce Rotary programs for youth such as the Rotary Youth Leadership Awards and the Rotary Youth Exchange. A total number of 22 interactors joined this meeting. 18 of them were from the Interact club of SMK Horley Methodist and 4 of them were interactors from other schools. Rotarian PAG Jayaletchumi Kuttan was the presenter. The information shared includes the process of selecting the interactors, the activities carried out, how the interactors felt and the challenges and risks of these programs. The members were very excited and showed great enthusiasm in these programs.

2. Spreading of Awareness Among the Youth

An initiative to spread awareness to the public on the Covid-19 pandemic through collecting videos of short messages from interactors. The purpose of this activity does not only include enlightenment of public but also the indoctrination of the new normal to interactors who submit the videos. This project was carried throughout the months of May and June. These videos were submitted to an International organization called Shout. This project is recognized by the United Nations as an effort to spread positive vibes and prevention of the spread of Covid-19.

3. Installations of New Board

All 4 schools have completed their installations virtually due to the pandemic and have successfully fulfilled all the requirements. The whole process of installation were done in a very systematic way virtually and it proves that the students are capable of re-establishing a sense of normalcy and have adapt to the new norm. Another 1 more schools, SK Convent had their installation within school level as they still need to grasp the knowledge of handling event virtually.

4. International Understanding Day

A youth carnival in which our four Interact Clubs from namely, SMK Convent (30.01.2021), SMK Horley Methodist (20.03.2021), SMK San Min(17.04.2021) and SMK St Anthony (18.04.2021) participated by picking one nation each to show case their art, architecture, dances, ethnic costumes, cuisine and culture by displaying it virtually. The theme chosen were New Zealand, Germany, France and Italy. This year, the activities are to be carried virtually because of the pandemic but the interactors did a wonderful job in organising and carrying out the carnival in their own style. All of the hard work was indeed paid off and none of this was possible without all the sweat and tears from our interactors. Some of the rotarians came to give their endless support throughout the whole event.
